November 3, 2026 General Election

Federal, State, and County Offices
City of Raleigh Municipal Offices
Constitutional Amendments
County and Local Bond Referenda

Sample Ballot Key & Combined Sample Ballots

- Election Day ballots are assigned to the specific precinct that coincides with the voter's election districts.
- 171 ballot styles in Wake County and all ballots are double-sided.
- Some precincts will have more than one ballot style if they are split by one or more electoral districts.
- To be eligible to vote in the City of Raleigh Municipal Election, you must be registered to vote and live within the municipal city limits.
- Voters can view their registration information and assigned sample ballot at: https://vt.ncsbe.gov/RegLkup/

Constitutional Amendment

Constitutional amendment requiring limits on property tax increases by local governments.

- ○ For
- ○ Against

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

○ **No**

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

○ **No**

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

Constitutional Amendment

Constitutional amendment requiring limits on property tax increases by local governments.

- ○ For
- ○ Against

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

- ○ Yes
- ○ No

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

- ○ Yes
- ○ No

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

- ○ Yes
- ○ No

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **No**

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

○ **No**

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

○ **No**

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0052

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

○ **No**

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

- ○ Yes
- ○ No

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

- ○ Yes
- ○ No

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

- ○ Yes
- ○ No

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

○ **No**

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0087

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

○ **No**

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0096

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0098

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0104

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0108

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0112

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

Constitutional Amendment

Constitutional amendment requiring limits on property tax increases by local governments.

- ○ For
- ○ Against

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

- ○ Yes
- ○ No

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

- ○ Yes
- ○ No

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

- ○ Yes

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

Town of Knightdale Parks and Recreation Bonds

Additional property taxes may be levied on property located in the Town of Knightdale in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.

SHALL the order authorizing $55,000,000 of bonds plus interest to provide funds to pay the capital costs of designing, constructing, improving, and renovating Parks and Recreation facilities, including, but not limited to, the design and construction of a community center, improvements to existing park and recreation facilities, the acquisition and installation of furnishings and equipment related thereto, the acquisition of land, rights-of-way and easements in land required therefor, and related public infrastructure development, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of the bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $85,861,600 (consisting of $55,000,000 principal amount of the bonds plus $30,861,600 of interest).

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0137

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County, North Carolina | November 3, 2026 | Ballot Style B0141

Constitutional Amendment

Constitutional amendment requiring limits on property tax increases by local governments.

- ○ For
- ○ Against

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

- ○ Yes
- ○ No

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

- ○ Yes
- ○ No

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

- ○ Yes
- ○ No

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

○ **No**

City of Raleigh Transportation Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing $101,500,000 TRANSPORTATION BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for various transportation related improvements inside and outside the corporate limits of said City, including, without limitation, street, sidewalk and streetscape improvements, bridges, bicycle lanes, curbs and drains, traffic controls, greenways, bus and train station and shelter improvements, and the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $164,607,118, consisting of the $101,500,000 principal amount of said bonds, plus $63,107,118 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

○ **Yes**

City of Raleigh Housing Bonds

Additional property taxes may be levied on property located in the City of Raleigh, North Carolina in an amount sufficient to pay the principal of and interest on bonds if approved by the following ballot question.
Shall the order adopted on May 19, 2026, authorizing not exceeding $101,500,000 HOUSING BONDS of the City of Raleigh, North Carolina, plus interest, for the purpose of providing funds, together with any other available funds, for community development programs to provide and rehabilitate multifamily and single family housing inside the corporate limits of said City, principally for the benefit of persons of low and moderate income, including, without limitation, (a) the construction or rehabilitation of housing or neighborhood revitalization improvements, (b) programs to provide loans and other financial assistance to such persons and to public and private providers of housing and (c) the acquisition of any related land, rights of way and equipment, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on the bonds, be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $167,885,618, consisting of the $101,500,000 principal amount of said bonds, plus $66,385,618 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds provided above would be $0 (zero dollars) per year.

Wake County, North Carolina	November 3, 2026	Ballot Style B0166

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

○ **Yes**

○ **No**

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.

Wake County School Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on school bonds if approved by the following ballot question.
Shall the order adopted on July 6, 2026, authorizing $680,000,000 SCHOOL BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip school buildings and other school facilities for the Wake County Public School System, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:
(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $1,043,387,458, consisting of the $680,000,000 principal amount of said bonds plus $363,387,458 of estimated interest.
(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $4.10 per year.

Wake County Community College Bonds

Additional property taxes may be levied on property located in the County of Wake, North Carolina in an amount sufficient to pay the principal and interest on community college bonds if approved by the following ballot question.

Shall the order adopted on July 6, 2026, authorizing $149,100,000 COMMUNITY COLLEGE BONDS of the County of Wake, North Carolina, plus interest, for the purpose of providing funds to construct, renovate, expand, improve and equip community college facilities for Wake Technical Community College, and providing that additional taxes may be levied in an amount sufficient to pay the principal of and interest on said bonds be approved, in light of the following:

(1) The estimated cumulative cost over the life of said bonds, using the highest interest rate charged for similar debt over the last 20 years, would be $228,767,016, consisting of the $149,100,000 principal amount of said bonds plus $79,667,016 of estimated interest.

(2) The estimated amount of property tax liability increase for each one hundred thousand dollars ($100,000) of property tax value to service the cumulative cost over the life of said bonds would be $0.90 (90 cents) per year.
