
Bixby

Multipurpose Chair

Bixby

Bixby delivers a unique perspective on multipurpose seating that puts innovation, design and user options at the forefront. Support collaboration wherever it happens, from a quick touchdown to an all-day training session, with seating that stores either stacked or nested. Lightweight and versatile, Bixby accommodates dynamic spaces that demand flexibility and ease without compromising comfort or performance. Explore unlimited design possibilities with 4 frame colors, 8 interchangeable plastic seat and back colors and 11 fabric colors for seat and back cushion. Always ships fully assembled.
