west elm

3 iconic brands. 1 game-changing approach.

Designed by West Elm.

Made by Steelcase.

Available by AMQ.

Welcome to work. Now make yourself comfortable. Thanks to our partnership with West Elm, our cafe & social seating solutions look just as good as they feel.

West Elm Work Brighton Collection

West Elm Work Brighton

Inspired by the traditional wood-frame joinery of mid-century design, West Elm Work Brighton offers an updated take with metal construction and integrated power. Its chairs, table surfaces and sofas work together to form infinite configurations.

West Elm Work Mesa Collection

West Elm Work Mesa

Our versatile West Elm Work Mesa sectional offers you and your team a space to re-energize, reconnect and find a fresh perspective during the workday. With deep seats and a supportive back, it’s based on a square module for easy configurability.

West Elm Work Slope Collection

West Elm Work Slope

Meeting the demand for choice in the modern workplace, this versatile chair boasts a broad range of frame, color and upholstery options to support virtually any aesthetic. Choose from guest, lounge, conference and stool seating as well as hundreds of finish combinations.

West Elm Work Sterling Collection

West Elm Work Sterling

West Elm Work Sterling’s sculptural silhouette and retro-inspired base pay homage to mid-century design while offering a generous sit for extended comfort.

West Elm Work Lucas

With a sleek metal base and reclined pitch, our West Elm Work Lucas Chair combines elevated design, high function and a touch of residential familiarity to promote productivity.

West Elm Work Nimbus

The exaggerated arc of the West Elm Work Nimbus plays up the softer side of modern design—an inviting, hugging profile for group or semi-private work.

West Elm Work Greenpoint

West Elm Work Greenpoint

Today, 77% of global office workers have personal workstations. West Elm Work Greenpoint brings workhorse functionality to day-to-day desks and empowers productivity without sacrificing style. Clean lines, soft woods and airy steel frames give the desk a pared-back look that works in traditional office spaces and open floor plans alike.
