ARIZONA
OFFICE OF TOURISM

Delivering a safe and fun Arizona Spring Training experience is the chief mission of the Cactus League each year. With the health and safety of visitors, players and employees as the driving factor, a comprehensive plan was created to deliver that once again in 2021, in consultation with state, county and local health authorities as well as other Arizona sports teams and events.

See below for a quick look at attendance guidelines for each team and park. All fans are encouraged to visit each team's website links provided below for specific info on the safety precautions in place at each ballpark.
