Fairfax are now favoring luxury plastic planks (LVP) due to the fact that they imitate the appearance of actual timber while holding up better in damp conditions. Simply make sure whatever you choose has good slip resistance-- you do not want any type of accidents in there!

When it involves counter tops, quartz is a strong challenger. It's non-porous (which means it will not soak up water or bacteria), and its extremely long lasting. Granite is still a classic pick as well, although it does need securing every now and then. Some people attempt to save cash by choosing laminate, however honestly, in a washroom, it could not last as long.

Cabinets is one more large choice. Strong wood looks wonderful but can warp over time if your washroom gets really steamy. A much better option could be plywood or MDF with a water-resistant surface. We couldn't be happier with our recent kitchen renovation. It was our first kitchen remodel, and Emma was wonderful to work with and was very responsive to our many questions and concerns. The end result is a beautiful and bright kitchen - Emma and USA Cabinet Store gave us exactly what we were aiming for.

I recently had an exceptional experience with USA Cabinet Store in Fairfax. The service provided by Hamit and Helen was outstanding, going well beyond typical customer expectations. From start to finish, their attention to detail, professionalism, and dedication to customer satisfaction were evident. The quality of the workmanship is top-notch, and they were always willing to answer questions and offer valuable advice. I highly recommend USA Cabinet Store for anyone looking for high-quality cabinetry and exceptional service. Their commitment to excellence truly sets them apart.
