1. Please be sure that all desks and overhead hutches are cleared of items and liquids.

2

2. Every item that is going to be moved needs to be labeled with its destination location. Contents in e-crates do not need to be labeled individually.

3

3. Please follow any specific instructions from your I.T. team regarding computers and phones.

4

4. Keep your space as clear as possible during moving day.
