All,

Between March 3, 2025, through March 7, 2025, Chiquita did not perform any west toe drain-related work, including any excavation into soil or waste. Chiquita has now completed both the west slope excavation project and the toe drain termination project, and this will be the last report submitted for either project under Condition 85(c). In total, Chiquita completed the excavation of approximately 50,479 square feet (9,429 cubic yards) of soil and waste as part of this project.
