Note 1: You can easily elevate the document camera by yourself to reach a greater viewing area.
Note 2: In order to use VZ-R for viewing tabloid-sized documents, please change its output display ratio to 4:3.
Note 3: You can make recordings and video calls using the microphone of your computer.
note 4: You can access this function and many others through the IPEVO Visualizer Software or the IPEVO CamControl Add-on.
