

RD 1: This House Believes that Mexico should be doing significantly more to turn back the migrant caravan

RD 2: Broward County Supervisor of Elections Brenda Snipes should be removed from office.

RD 3: With regards to Saudi Arabia it is more important for America to support Human Rights than support this strategic Middle East political ally.

RD 4: California ought to value implementing better fire management and prevention programs and practices above developing the bullet train.

Bronze Round: Big Pharma needs a cure for greed.

Silver/Gold Round: Political rancor in America is causing more harm than good.
