Good organization of rebuttal dis 2nd speaker!

3
Good speech!
Clear criteria
Slow down a bit
Work for clearer articulation

4
Good! Nice summation of central arguments.
Final focus needs a bit more content.
Try not to use the same evidence to rebut two diff arguments.
Increase your evidence lib.

Don't be partisan
politic during crossfire! You're taking them out away with the time

Very good debate overall!
Arguments

AFF - Check contentions 2 + 3. If US pulls out life of hegemony, will corruption and drug production over rampant? Why business use business as harm

CON - Really emphasize the link between attacking the cartels and the benefits gained in the first speech.
Link wasn't also in rebut grand cross X

Very good debate!

RFD: How has better overall understanding of arguments & important points for both sides?

1
 The criteria need to be clearly articulated! Don't stumble on this! Bit slower or if you do articulate clearly. Stop pushing the time limit. It's getting longer each time.

2
 Good, but had 30 sec left. Use it to repeat content! Support content in summary!

4
 Good arguments, but work toward shorter, clearer points

3
 Slow down a bit when reading. Good summary of all arguments. Excellent skills!

Arguments
 'Lives outweighs econ'
 - Does it have to?
 'Scope'
 - Move scope from the meaning of the resolution, not the wording. Who is affected & how are they harmed?

Emphasize harms/benefits over criteria and answer the questions posed by the resolution. What are the policies? How are they harmful? How do they help?

Look harder for the central claim. Is foreign relations irrelevant b/c it's foreign or b/c drug policies have no effect?

Good negation on the "racism" position of the opponent. Your framework was interesting but it took a while for you to clearly communicate that so everyone understood it.

Jaesung (Aff1)

I feel your defense of the "racism" argument was weak. You rushed through it and did not make your arguments clear. Very good confidence otherwise.

Cicity (Neg2): Good job addressing all the opponent's points.

Aaron (Aff2): You had a great presence and delivery style. You should present more facts that corroborate your position.

Decision: VERY close debate overall. I would vote for NEG primarily because the AFF was weak in defending their position on how the policies fuelled "racism". Both sides need to improve their facts (statistics) to support their position.
