Hi Everyone.
Lionel, need some stronger impacts, stronger warrants
stronger links of a plan.
Tim you need stronger justification to run that II
2nd off. "pressing issues" are hard to buy in a world
where ~~that~~ could be destroyed first. (I don't see why these can't be proved)
3rd off UN is not an enforcement Agency. So they won't have.
may not be deterred to continue aid from them.
Good answers Celestina conf + control + enforcement keep argument!
Passionate & good arguments.
Good + Defense Shelby however
by your counter plan does the same thing as the Aff plan then just
changing the agent the T holds for you as well so let's T
the hand comes down to sovereignty of plan vs CP good point w/ paternalism
voters ^{off for} that # should have been introduced.
1. UN is a better actor
such a good R speech.
voters ^{early in favor} in plan.
good point w/ CP.
Aff.

lost on solvency early on and it's hard to recover from there

then Opp says no solvency and you miss that point

DA₁ is nice idea but weak position

DA₂ DA₃ no links/impacts until too late

DA₄ well put together, great position

DA₂ weak position but holds up

DA₃ is not really its own DA but almost your own claim to solvency

DA₄ is an impact but again not necessarily its own DA

PM

- Excellent organization
- Excellent analysis and logic!
- Good coverage in rebuttal!

MG

- Good (T) response on rel. between food aid and nuclear weapons
- Good exp'n of difference between nuclear weapons and nuclear dev.

(T) Gov wins - Nuclear development v. weapons

Sign Gov wins
Diplomacy Adv: Even

LO

- The (T) argument is weak, not following the logic of power off with holding food aid
- Substructure needs to be strengthened

MO

- Good attempt to resurrect your (T) argument
- Like the LO spkr (Ovidio), substructure tags need to be strengthened.

Lack of str => Gov wins

PM - In trying to go fast you stumble over your words. I find your case to contradict itself you claim to solve for western perception but baby sit Iran?

LO - China Russia and Japan are allies? Have structure for your DA and T. Set the double bind up sooner. Have Link's in your DAs.

MG: Be clear in your points. Word economy.

MO: Don't re read positions.

RFP: I vote off on the T having no voter and the advantages being dropped
