

Filming & educational/promotional "social media" uploading of selected Final Round performers/performances announced!

In the interest of promoting the tournament and best practices within speech & debate, Orator's Cup will help fill the lack of instructive forensics video on the internet by filming select Final Rounds:

The Orator's Cup administration may publish pictures or videos of its competitors for educational and promotional purposes. We intend to film certain final rounds and post them or excellent performers within them on YouTube or other forms of social media and video-sharing sites. The intent would be to promote the tournament and/or deconstruct its exemplary speeches/speakers.

By entering and competing in the Orator's Cup, you hereby give consent to the administrators of the Orator's Cup tournament to...

(a) interview/film/photograph/make a video reproduction of you...

(b) use your name and school/club affiliation...

(c) use your original speech materials...

...in newspapers, magazines and other print media, on television, radio, and electronic media (including the "internet") and/or in mailings for educational and awareness campaigns.

This consent is given without expiration, and future uses do not require additional permission.

The ability to Opt Out of being filmed for these purposes is available through a Opt Out Form available for download below. Said form must be delivered no later than a week before the tournament to the attention of Mr. Cameron Maury, El Camino Real Charter H.S., 5440 Valley Circle Blvd, Woodland Hills, 91367

Individuals wishing to opt-out of such consent must complete and return THIS "OPT-out form" ONE WEEK PRIOR TO THE TOURNAMENT (by 5/10/2014)...
