

**2015 University of Utah/California State University-Long Beach
Utah/Long Beach IE/NFA-LD Swing**

Dear Friends,

On behalf of the University of Utah and California State University, Long Beach, we invite you to return to the Mountain West for the Utah/Long Beach Classic held at the University of Utah. The tournament will be held on January 9-10, 2015. From our Olympic ski resorts to the acres of snowshoeing country, Utah is sure to offer you a range of activities. On January 9, 2015, the Great Salt Lake IE Classic will offer a four-round NFA Lincoln-Douglas tournament and a two-round individual events tournament. The Long Beach Classic will held on January 10th. The LB Classic will feature a four-round NFA Lincoln-Douglas tournament and a two-round individual events tournament.

We hope you will join us Thursday, January 8, 2015 from 7-9 p.m. for registration and a tournament reception (with a cash bar for those interested). We will also reserve a block of rooms at the Red Lion Hotel Salt Lake Downtown at the discount rate of **\$72 per night up to quad occupancy**.

SPECIAL NOTE: The University of Utah and Texas Tech University will be hosting the Mile High NPDA swing concurrent with the Utah/Long Beach IE Swing on the University of Utah Campus. The schedule has been arranged to allow full-service teams to split their competition between halves (e.g., PARLI/PARLI, IE/PARLI, or IE/IE). PLEASE NOTE: IE competitors wishing to do Parli, must do their IE's in the first half of the IE swing. The invitation can be found here: http://www.debate.utah.edu/?page_id=8.

We look forward to seeing you in January and wish everyone the best of luck and safety in the upcoming competitive season.

Warmest regards,

Michael Middleton, DOF
University of Utah

Nicholas Russell, DOF
California State University, Long Beach

Tournament Information:

Rules: AFA IE and NFA LD regulations will be in effect for relevant events, unless otherwise specified in this invitation.

Competitor Eligibility: Any undergraduate in a two-year or four-year college or university that meets the eligibility guidelines of the AFA or NFA shall be eligible to compete.

Entry Procedure: Both the Utah and Long Beach portions of the Swing will be using www.forensicstournament.net exclusively for entries. Entries must be completed by 5:00 PM MST on Monday, January 5th, 2015. Drops and name changes (but not adds) can be entered no later than 5:00 PM MST on Wednesday, January 7th, 2015.

Sexual discrimination: Please note that University of Utah takes a firm stance against sexual harassment and discrimination. As such, we will use the guidelines set forth by the University of Utah to address any sexual harassment or discrimination complaints.

Individual Events:

Events offered: Students may not enter in more than 3 events per pattern. Students may not enter in both AFA IEs and NFA-LD. It is the sole responsibility of the competitors to complete all events in the time given. Failure to do so will result in a no-show score for the round. We will offer the following events:

Pattern A – Extemp, Informative, After Dinner Speaking, Prose, and Poetry

Pattern B – Impromptu, Persuasive, Communication Analysis, Duo, Dramatic, and POI

Divisions: We plan to offer a single division. However, we will recognize the top three Junior Competitors in each event.

Elimination Rounds: Any event with 7 contestants or fewer will not have a final round. For events with more than 7 competitors, a final round will be held. Any event with more than 36 entries will advance to semifinals.

Advancing to Elimination Rounds: No more than half of the field will be advanced to finals. Students will be rank ordered first by cumulative rankings, then by the highest speaker points. All attempts will be made to make a clean break (by cumulative rankings).

Placement in Elimination Rounds: Students will be rank ordered first by cumulative rankings (with exception for majority first place rankings), then by judge's preference, followed by the highest reciprocal score (decimal conversion), and finally by the highest cumulative ratings.

NFA LD Debate

Divisions: We plan to offer a single division. However, we will recognize the top two Junior Competitors.

Procedural Issues: NFA L/D Debate is a communication event that is debated in a stock issues paradigm. In deference to the intent of the event, we ask that all competitors and critics are mindful of these rules. Complete rules can be found at <http://www.nationalforensics.org>. MPJ will not be offered; judges will be randomly assigned.

Double Entry: At both halves of the swing, competitors may enter EITHER NFA DEBATE OR INDIVIDUAL EVENTS, not both.

Disclosure: Following the return of the ballot, critics may disclose as much or as little information as they see fit so long as it does not interfere with the tournament schedule. Delays caused by coaches/judges may, at the tournament director's discretion, result in penalties to that school's teams including removal from the tournament. We don't want to do it, so don't put us in a position where we would want to do it. NOTE TO JUDGES: All rounds must have one winner and one loser.

Preliminary Rounds:- The computer will randomly match Rounds One and Two. Subsequent rounds will be power-matched high-low.

Elimination Rounds:- Advancement to and seeding in elimination rounds will be first based upon wins, followed by total speaker points, followed by opposition record, then adjusted speaker points, and finally by ZScore. In elimination rounds, brackets **WILL be broken**.

Financial Information

Entry Fees: The fee schedule is the same for both tournaments. You may, at your option, pay with TWO checks, one for the Great Salt Lake Invitational and one for the Long Beach Classic, or ONE check for both tournaments. All checks MUST be made payable to University of Utah Debate. Fees will be assessed at 5:00 pm MST on Monday, January 5th, 2014. The fee schedule is as follows (all fees per tournament):

Description	Cost per entry
School Entry Fee	\$40
NFA LD Entry Fee	\$25
AFA Individual Event Entry Fee	\$8
Duo Entry Fee	\$16
IE Drop Fee	\$25
Debate Drop Fee	\$50

So, that means that if you were entering 2 NFA-LD and 5 IE entries (none of which are Duo) for both halves of the swing your total cost would be \$260.00 (\$40.00 school fee x 2 [GSL and Long Beach] + \$90 GSL entry fees [2 debate entries x \$25 + 5 IE entries x \$8 = \$40] + \$90 Long Beach entry fees [2 debate entries x \$50 + 5 IE entries x \$8 = \$40] = \$260 Total Swing Cost).

Judging: One judge can cover up to 6 IE slots per pattern, or up to 2 NFA LD entries. Judges can cover EITHER LD and IE entries, NOT BOTH, because they run concurrently. Debate judges are committed through the first outround and one round beyond their debater's elimination. An I.E. judge is committed through finals. Meeting this commitment is essential in order for the tournament to run. Judges wishing to judge beyond their commitment should notify

the Tournament director. Compensation may be available. Your generosity will be most appreciated.

Uncovered Fees: First and foremost, please, please, please, bring your judges. We only have a limited pool of available judges to hire. Uncovered judge fees will be assessed on the following basis:

Description	Cost per judge***
Uncovered IE Judge	\$50 (covers 6 entries)
Uncovered NFA LD Judge	\$100 (covers 2 entries)

***Fees will be assessed at both halves of the swing.

Tournament Awards

AFA Individual Events Awards: We will offer awards for the first three finishers, with t-shirts for finalists and semifinalists. In addition, we will once again award the prestigious Royal L. Garff Speaker of the Year Trophy.

The top overall competitor in AFA Individual Events at the GSL will be awarded the Royal Garff Award, a traveling trophy given out each year. The award was created in 1997 in memory of Prof. Royal Garff, a lifetime supporter of public speaking, forensics, and public debate. The trophy has been awarded at every GSL since 1997 and continues to honor the achievements of students who compete in short prep, platforms and interpretation events. The winner of the Garff Award will be determined based off the highest total accumulated in up to six events using the following scale: 1st place = 10 pts, 2nd place = 7 pts, 3rd place = 5 pts, Finalist = 3 pts.

Sweepstakes: The top two schools at each tournament, as well as the top three schools competing in the swing will receive sweepstakes trophies.

Calculating Sweeps (borrowed with thanks from Marlin Bates):

Individual Events - Sweepstakes points will be issued to all participants in semifinals and finals based on the following scale. No points will be given for preliminary rounds. Only entries in the Open division will be counted toward tournament sweepstakes.

1 st Place	2 nd Place	3 rd Place	Finalist	Semifinalist
10 pts.	7 pts.	5 pts.	3 pts.	1 pt.

NFA LD Debate - Only entries in the Open division will be counted toward tournament sweepstakes.

1 st Place	2 nd Place	Semifinalist	Quarterfinalists
15 pts.	13 pts.	11 pts.	9 pts.

Equalization of Debate and Individual Events - For team sweepstakes for both tournaments, debate and individual events will be equalized. This equalization is achieved by the use of percentiles. All sweepstakes points earned by all debate teams/entries are summed. The points earned by each squad are divided by the total number of points earned in debate in order to

determine what percentage of all debate points were earned by the team. Similarly, all sweepstakes points earned by all individual events competitors are summed. A similar percentile score is calculated in individual events for each squad.

The two percentile scores for a school (debate and IE) are added together in order to determine an equalized aggregate sweepstakes score. Assuming a school earned all of the possible sweepstakes points in the tournament (a mathematical impossibility), the maximum score they could earn would be 200 points (100% for debate, and 100% for IE).

For swing sweepstakes, points from both tournaments are pooled to determine the winners.
