<http://www.forensicstournament.net/districts1-2/17/>

All changes are due by Thursday, April 6 at 9pm. Please monitor numbers on forensicstournament.net. Our magic number is 12 to send three students to state. Sacrificial lambs may be requested on Friday if events are close to a threshold.

Congress:

Please start formulating a list of potential Congress members you may want to send to state. The total that can be sent from the district is 5.

Judges:

Please register judges on forensicstournament.net and indicate whether they are available all day, AM, or PM. Please also identify any judges that can judge your school, but maybe not a specific student. There will be orientations for judges in the morning and afternoon. Food and beverages will be provided throughout the day for all judges and coaches.

Awards: We will have certificates for finalists and maybe some swag.

Students: Students will be in the cafeteria. Food will be available for purchase.
