Debate Rules (NSDA Rules)

NSDA Rules for Public Forum and Lincoln-Douglas Debate will be followed, except for whatever has been contradicted in this invitation, the tournament website, or the information packet written for this tournament.

Public Forum Debate:

We will follow NSDA rules: 4-4-3-4-4-3-3-3-2-2 with 3 minutes of preparation time.

Lincoln Douglas Debate:

We will follow the standard high school NSDA rules: 6-3-7-3-4-6-3 with 4 minutes of preparation time.

Eligibility

This tournament is unrestricted, so technically anyone of the appropriate grade level can enter the tournament regardless of experience; however, many of our competitors will have limited debate experience. In the future we will attempt to separate by both grade level and by experience. Currently we do NOT offer a “novice” division. For this tournament, there will be three “open” debate completion levels: *Elementary Division* (grades 4-6), *Middle School Division* (grades 7-8) and *High School Division* (grades 9-12).

Evidence is encouraged!

Students can bring ANY research materials with them and allowed to read from printed materials. As per the tournament invite, this is a tournament that uses the public forum topic and the public forum format but with a more academic focus than is typical. Thus, the expectation is that in-depth, evidence-based debates SHOULD occur, but teams are not encouraged to just read pages of evidence without providing some context or organization to their speeches.

No Electronic Retrieval or Coaching During Debate Rounds

Do not access the internet, nor accept coaching during the actual debate rounds (after and/or between debate rounds is perfectly acceptable). This includes the use social media, calling coaches/friends, etc. Anyone caught using the internet or accepting coaching while the debate round is in progress will be severely reprimanded and may be ***dropped from the tournament without a refund.*** If you observe anyone using the internet to do research, or to solicit advice from friends (or coaches) while the debate is taking place, please report those individuals to your teacher/coach or to the tournament staff.

Changes to the Judging Form

The judge’s ballot will be slightly altered so that each debater receives an individual score, in addition to the team score. We will be awarding speaker awards in addition to team awards, which would not be possible without modifying the ballot. This is a minor change, which will not directly impact the students’ actual debating.

Parking

Parking is available in the parking lot on campus. Lot #5 will be easy to access to the debate room. Parking fee is \$5 per car per day. Purchase the permit from the machine at the entrance of parking lot #5. Be sure to clearly display the parking permit on the dash of your car.
