

December 1st, 2019

Dear Friends and Colleagues:

Orange Coast College and Mt. San Antonio College are pleased to invite you to Southern California for our 8th annual "Close to the Coast" swing tournament January 18-19th, 2020. This year's tournament will be held in Costa Mesa, CA on the beautiful campus of Orange Coast College. OCC and Mt. SAC have partnered up again to host this swing and give your teams an excellent January tournament in sunny* Southern California.

The two tournaments will offer similar schedules and fees. Both tournaments will have sweeps awards for the top three teams and top community college team. Both days will offer novice and open divisions in individual events and debate. We will award a top speaker of the swing tournament as well.

In addition to the individual events, we will host a one-day parliamentary debate tournament on Saturday and a one-day NFA-LD & IPDA debate tournament on Sunday. For both days the Open division will be a standard 4/2 format but in novice we will have a six prelim tournament with Gold/Silver/Bronze awards given to the top teams. NOTE: Students **may not** enter both debate and IE events on the same day. Students are more than welcome to mix and match on different days. OCC will be the official host on Saturday, and Mt. SAC will be the host on Sunday.

Don't you wish you were Close to the Coast?! Join us for some great competition and even better memories. Our tab staff will be top notch so you can expect a well-run tournament. Let us know how we can help with your travel plans or anything else that will make this a special weekend for your team.

Hope to see you there!

We will also include flex time. Brackets will be broken in Open division.* Except for notes that the debaters themselves have prepared during preparation time, no published materials, prepared arguments, or resources may be used during the debate. We will not offer elimination rounds in novice in lieu of everyone in novice debating a fifth and sixth preliminary round. Awards will be based off preliminary rankings.
- This year elimination rounds will be in the Phi Rho Pi bronze/gold format. We will break an appropriate number of teams based on entry size (not to exceed half).
- No debate prep rooms will be made available. The government team may prepare in their competition room.
- Standard PSCFA definitions for novice debate eligibility will be used.
- **We will do central topic strikes for IPDA.** Note that we will try to adhere to the goal of using lay judges in both divisions of IPDA.
