Order Process

1. To order your team 2021 Phi Rho Pi T-shirts please email Lenny Solomon, lenny@sspapparel.com and include the number of shirts you need and what sizes you need. Please include the shipping address in your email.
2. Shipping cost will vary per school depending on number of shirts ordered but the anticipated shipping charge will range between \$20-\$30 for an order
3. Once Mr. Solomon receives your email order he will reply with an exact invoice (including shipping costs) and a manner for you to submit payment to his company (electronic payments will be available for those who wish to pay that way). Checks will also be accepted and can be mailed to him. Schools will not be able to pay for t-shirts via their PRP registration costs.
4. Orders are due by April 1st, 2021. T-shirts will be printed and shipped shortly thereafter. Your team may not receive shirts until right after the tournament. Likely shirts will be shipped to each school around the same time Phi Rho Pi awards are shipped. We will try to get them to you early if possible!! For any additional questions please check with Lenny Solomon or Nathan Carter, nacarter@nvcc.edu
