A Bill to Standardize Death Certificates

1 **BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED:**

2 **Section 1:** All states in the United States of America must adhere
3 to the following for a standardized death certificate: A. A
4 death cannot be automatically marked as any current virus even
5 though it may have been a contributing factor on the death
6 certificate. B. If a person died from Covid, Part I of the
7 death certificate must only have Covid-19 as the primary cause
8 of death. Part II can be left blank or a different condition
9 can be written. However, if a deceased person had Covid-19 but
10 their primary cause was different, then Covid-19 should only be
11 written in Part II. If the cause of a person's death is
12 undetermined, then in Part I, "unknown death" can be written.
13 Medical Certifiers and hospitals must follow these procedures
14 for every deceased person.

15 **Section 2:** Part I of a death certificate is the chain of the
16 event(s) that caused the death. Part II of a death certificate
17 are other significant conditions that possibly could have
18 contributed to death but are not resulting in the underlying
19 cause given in Part I.

20 **Section 3:** The Department of Health and Human Services in coalition
21 with the Country Health Department will oversee the
22 implementation of this bill. If the medical certifier in
23 charge of writing the death certificate is caught mishandling
24 the report and is committing fraud, they will be suspended from
25 work for 6 months.

26 **Section 4:** This bill will be implemented on February 1st, 2022.

27 **Section 5:** All laws in conflict with this legislation are hereby
28 declared null and void.
