A student who has not won two trophies (1st, 2nd, or 3rd Place) in an event in which a final round occurred. Students competing in an event which is similar; must be novice in all of those similar events. (Platform, Interp., Limited Prep). As an example; a student who is in Open Division in Prose, must also be open in Poetry, even if they have never competed in Poetry. Anyone who has won a Gold, Silver or Bronze at Phi Rho Pi is not a novice. Significant, previous high school participation is also not a novice competitor.

Open Division I.E.'s

Any undergraduate in a two-year or four-year college may compete in open division.

“THE PICKET FENCE AWARD”:The purpose of this award is to recognize a student who ranks first in all their preliminary and final rounds of competition in an individual event (5 first places). The Griffin Speech Tournament will award this student with the recognition, as well as with a special "award".

- Grossmont students may compete at the tournament. They will not be eligible for sweepstakes points or the "picket fence award".

IPDA will offer Novice, Junior & Varsity divisions if entries warrant.

Parliamentary Debate:

4 rounds of NPDA will be offered with 2 out rounds. Bronze, Silver, and Gold will be awarded.

If either team member has competed in two out rounds, they must be advanced to Junior division. **Students with significant high school or home school team policy, LD, Parli, Ted Turner, or other similar formats of debate, should be advanced to Junior division)Eligibility violations will result in the removal of that team from the tournament.**

JUNIOR DIVISION PARLI

Junior debaters may have up to 4 semesters of college debate and should not have advanced to more than two out rounds in Junior competition.

OPEN DIVISION

Open debaters are limited to students with 10 or fewer semesters of collegiate competition. Any debater that has advanced to the elimination rounds at NPDA Nationals is considered an Open Division debater, regardless of the partner's experience. Eligibility is determined based upon the most experienced partner.

A semester means the student has competed in three or more tournaments of any style of debate.

Sweepstakes information:

IE Sweepstakes:

10 points First
8 points 2nd
6 points 3rd
4 points finalist

Parli - only 2-2 teams count and your four best teams per division. Non-winning record teams wins do not count towards sweepstakes. Each team that earns a win gets 3 points for every win. Regardless of division, for each advancing team that makes it to ELIM 1 regardless if they win or not, earn 3.0 points for each win.

Therefore an undefeated team that advances to Elim 1 can earn up to 15 debate sweepstakes points (4-0 which is 12 points + another 3 points for advancing to Elim 1).

We look forward to “seeing” you at the 29th Griffin Invitational!
