

Dear friends and colleagues,

On behalf of Louisiana State University Shreveport, the College of Arts and Sciences, the LSUS Debate team, and the Fight Like Emilie Foundation, I invite you to the Third Annual LSUS Just Keep Swimming Virtual Charity debates. This event will be held on April 29th and 30th, 2023, via Forensictournament.net and Yaatly and hosted by Louisiana State University Shreveport.

This competition will be a unique experience and will be strictly for charity. We will feature a minimum of 7 preliminary rounds in a round-robin style for preliminaries and a small break to out rounds. This will model the TIPDA format but allow debaters that fall into the professional category of IPDA eligibility to participate. Teams do not have to be made up of participants from the same program; in fact, we are encouraging teams to be made up of members from around the country, past and present. The JKS Charity tournament will feature unique opportunities that will allow us to raise more money for childhood cancer while making the tournament more fun for its participants; details are in the invite below. This event will not be a sanctioned tournament but will count against eligibility requirements. Further information on the tournament is detailed below. If you have any questions, please feel free to contact me anytime.

Please note that this tournament is meant to be fun and not taken seriously. We hope that all participants will enjoy the camaraderie and collegiality while working towards raising funds for the fight against Childhood Cancer.

Sincerely,

AJ Edwards

Notes: In order to keep the tournament on schedule, if a team is 5 minutes late to a round then that team will automatically forfeit the round. In the event that a team loses connection during a round then they should reenter the room ASAP; and, teams will be allowed up to 5 minutes to reenter upon the first disconnect (after five minutes they automatically forfeit the round). Upon a second disconnect by a team during a round then they shall automatically forfeit the round.

1. Tiebreakers: A. For determining competitors advancing to elimination rounds in individual debate we will look first to the number of wins, second to total speaker points, third to high/low adjusted speaker points, fourth to total ranks, and fifth to opposition wins. For determining speaker awards in individual debate, we will look first to total speaker points, second to high/low adjusted speaker points, third to total ranks, and fourth to opposition wins. B. Sweepstakes: In the event of a sweepstakes tie, we will look first to the number of teams advancing to elimination rounds, second to total squad prelim round win percentage, third to head-to-head record between programs, and fourth to which squad had the highest ranked speaker in the competition.
2. Judges: As this is a charity event and non-sanctioned tournament, we will be relying on the charity of the contestants to provide judges for use in the tournament. **WE WILL NOT BE ABLE TO PROVIDE MANY STUDENT JUDGES.** Please try to have 1 judge per 2 entries for the entirety of the tournament.
3. Ethics:
 - a. The behavior of all attending the JKS Charity Tournament will be in keeping with the NCA Policy on Anti-Harassment Code of Conduct (available at: https://www.natcom.org/sites/default/files/annualconvention/NCA_Convention_Resources_Anti_Harassment_Policy.pdf). We encourage all programs to review these expectations prior to entering this tournament.

- b. The JKS Charity Tournament expects that behavior between all participants, coaches, judges, and guests be respectful and appropriate at all times. If any participant has concerns over propriety or good sportsmanship, they should discuss the matter with their coaching staff. Any coach, judge, or guest should address any concerns with the Tournament Director / Tabulation Room Staff.
- c. As a condition of entry, all participants, coaches, judges, and guests agree that any decision issued by the Tournament Director is binding and final.

VIRTUAL DEBATE INFORMATION:

In addition to entering the tournament via ForensicsTournament.net, coaches should create the appropriate team Yaatly accounts several days prior to the tournament. During the tournament,

- All competitors and judges should be in their competition room 5 minutes before the start of the round and test their audio. If a competitor or judge is not present in the room by the start of the round please contact Tournament Director AJ Edwards through Yaatly chat immediately.

- Coaches should confirm that all team judges have their ballots five minutes prior to the beginning of each round. All ballots will be delivered electronically via the email addresses the team's coach has provided.

- If a competitor's internet drops in the middle of a round, the competitor should try to reenter the competition room first; if this does not work then please contact AJ Edwards through Yaatly chat immediately or have a coach or team member enter the Tab Room portal to inform the tab staff of the problem.

- If a competitor drops connection, the competitor will have a maximum of five minutes to reconnect before the round is forfeit. Due to the constraints of a virtual tournament, rounds will not be re-run.

- If a judge drops connection, the competitors should immediately pause their timers and contact AJ Edwards through Yaatly chat after two minutes have elapsed.

- Competitors and judge webcams must be activated the entire debate round, and they should not change their backgrounds.

- Competitors should mute their video during competitor speeches, only during cross-ex should both microphones be turned on. It is useful to use headphones during the round to help ensure everyone can hear you properly. Judges should also mute their microphones once the round has started.

- Judges should active the in-round timer function appropriate for each debate segment. • Oral critiques should not be offered by judges after the round, this is important for keeping the rounds on-time Notes on In-Round Disconnects

- Competitors should maintain an active video feed throughout a round.

- Competitors must run independent timers in accordance with IPDA Constitution & Bylaws whether or not a judge utilizes the in-round timer in Yaatly.

- Judges will freeze the clock for no more than five minutes to allow a competitor who has lost connection to reenter the round. If the competitor does not reestablish connection within that period then the round is forfeited.

- Any drops in connection by a competitor or a judge must be noted on the judge's ballot.

- If a competitor loses connection a second time in a single round then the competitor will not be readmitted to the round. In this case, the judge may assign speaker points based on the affected speaker's performance up to the point of the second disconnect.

- If a competitor has more than three disconnections in a tournament then they will forfeit any remaining rounds.

Familiarizing Your Team With Yaatly: Accessing this platform prior to the start of the tournament will be especially useful to familiarize your team with the interface and to confirm that cameras and microphones are functioning properly in your Team Room. We encourage anyone new to Yaatly to get a quick feel for the layout and functions.

Yaatly Functions & Features: We have a "Tab Room" and "Coaches'/Judges' Lounge" set up where you can interact with other coaches or confer with the Tab Room staff regarding questions and concerns (though we will not discuss student records or performance). We know that the social element of tournaments is sorely missed, and we hope this provides you with a chance to reconnect with your peers and plan for the rest of the semester.

Coaches' Check & Review of Ballots: We will offer a coaches review and check at the end of the preliminary rounds. We simply ask that this is done as quickly as possible to allow elimination rounds to proceed on time.

JUST KEEP SWIMMING CHARITY DEBATE

FORMAT: The Just Keep Swimming Charity Debate will follow the Team IPDA format for time and rules. All strikes and competitions will be done in the same manner and with the same rules and regulations as TIPDA competitions.

- 1. Entries:** All competitors will be eligible to participate in this event regardless of division eligibilities. For example, two competitors that would only qualify for the professional division are eligible to compete in the JKS Charity tournament as a team. **Teams do not have to be comprised of members from the same program. We are expecting and encouraging intra-squad participation, or Mule teams.**
- 2. Sanctioning.** The JKS Charity Debate is not an IPDA or TIPDA sanctioned event and will not count toward any season long awards.
- 3. Eligibility Implications.** This event will count as a debate tournament and may impact eligibility for students in the Novice or JV divisions.
- 4. Entries:** All entries should be made via ForensicsTournament.net and all competition will be held on a Yaatly link that will be distributed before the tournament.

5. **Competition Pool:** All competitors regardless of school affiliation will be put into one competition pool. If one program has multiple entries, those entries may debate one another. For this tournament programs will not be protected from hitting one another.
6. **Fees:** Since this tournament will be a charity event all fees per team will be raised. \$50 dollars per team. In addition we will not charge for observers that are direct members of a program, but there will be an additional \$10 fee for observers that are not directly affiliated with programs but that wish to watch the debates.
 - a. Checks for the charity portion should be made out to Fight Like Emilie Foundation and mailed to:

AJ Edwards

- b. Any persons that wish to pay entry fees via credit card can do so directly on the Fight Like Emilie website: <https://fightlikeemilie.org/>
7. **Prizes.** All entry fees will be placed into the FLE account. At the end of the tournament the championship team will choose the childhood cancer charity of their choice and a donation in the names of the winners will be made by an IPDA representative.
8. **Sponsorship:** In addition to the entry fees we would love any outside sponsorship that teams are able to secure. This will only work to add to the total amount donated to defeat childhood cancer. We encourage participants to seek sponsorship on behalf of their team. Individual team sponsorships will be added to the total of the charity funds raised but will not be donated by the winning team. These donations will go to the charity in which the team raised them for.

14. **Judges:** Each team will be required to provide one judge to cover their entry. All entries must be covered.

16. **UNIQUE OPPURTUNITIES:** This year we will be offering a few unique twists to the tournament. These are designed to not only raise money to fight childhood cancer, but to make the tournament more fun for all participants.
 - a. **Bounty Round:** Choose your opponent for one round. This can be done in one of two ways. First, you may choose to donate \$40 along with your entry fee and select an opponent ahead of time, the round will be determined by the tab staff. Second, you can wait till the tournament is underway and donate \$65 during the tournament. Round again will be determined by the tab staff.

- b. **Ringer Room:** In this room you will be able to bring in a ringer at a donation price TBD. They will debate with you for one round.
