

2026 NOF Amethyst MS Docket Docket -- Page 1

A Resolution to Limit Feeding Wildlife in City Parks

1. **WHEREAS**, People often feed birds, squirrels, and other wildlife in
2. city parks; and
3. **WHEREAS**, Feeding wildlife can cause animals to rely on humans
4. instead of finding natural food; and
5. **WHEREAS**, Animals that depend on people may become aggressive or
6. unhealthy; and
7. **WHEREAS**, Some park visitors believe feeding animals helps them
8. survive; now, therefore, be it
9. **RESOLVED**, That the Congress here assembled encourage limits on
10. feeding wildlife in public city parks.
11. Introduced for Congressional Debate by NOF

A Resolution to Restrict Influencer Advertising of Financial Products

1. **WHEREAS**, Social media influencers increasingly promote financial
2. products such as cryptocurrency, stocks, and investment apps; and
3. **WHEREAS**, These promotions often lack clear explanations of risk and
4. may mislead younger audiences; and
5. **WHEREAS**, Influencers are not held to the same disclosure standards
6. as licensed financial professionals; and
7. **WHEREAS**, Supporters argue that restricting such advertising could
8. limit free expression and online entrepreneurship; now,
9. therefore, be it
10. **RESOLVED**, That the Congress here assembled support restrictions on
11. social media influencers advertising high-risk financial
12. products without clear risk disclosures.
13. Introduced for Congressional Debate by NOF.

A Resolution to Limit the Use of Predictive Algorithms in Criminal Justice

1. **WHEREAS**, Predictive algorithms are increasingly used to assess
2. risk, recommend bail, and guide sentencing decisions; and
3. **WHEREAS**, These systems rely on historical data that may reflect
4. existing racial and economic biases; and
5. **WHEREAS**, Algorithmic decision-making can reduce transparency and
6. accountability in the justice system; and
7. **WHEREAS**, Supporters argue that predictive tools improve efficiency
8. and reduce human bias; now, therefore, be it
9. **RESOLVED**, That the Congress here assembled support limits on the
10. use of predictive algorithms in criminal justice until clear
11. standards for transparency and fairness are established.
12. Introduced for Congressional Debate by NOF.
