

## **2026 NOF Palm Invitational Extemp Prompts**

1. Is China's economic slowdown a temporary correction or a long-term threat to global growth?
2. How can Minnesota officials reduce tensions over federal immigration enforcement without conceding to the Trump administration's demands?
3. Do lithium mining projects in Chile ultimately support or undermine the global clean energy transition?
4. Has the modernization of the North American Free Trade Agreement into the USMCA been a net positive for the United States?
