

## **2026 NOF Cherry Invitational Extemp Prompts**

1. As climate displacement accelerates in South Asia and Sub-Saharan Africa, should the European Union establish a formal legal status and resettlement framework for climate refugees?
2. Should the United States Electoral College be abolished in favor of a national popular vote ahead of the 2028 presidential election?
3. Should the African Union's proposed single continental currency move forward?
4. Is the Trump Administration's rollback of EPA pollution and pesticide regulations fundamentally at odds with RFK Jr.'s chemical safety and public health agenda at HHS?
