

**A Bill to Tax Food Produced with Child Labor**

1. BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED:

2. **Section 1** All food products sold in the United States that are  
3. found to have been produced using child labor at any point in  
4. their supply chain shall be subject to an additional import tax  
5. of 20 percent of the product's wholesale value.

6. **Section 2** "Child labor" means the use of workers under the age of  
7. 15 in the harvesting, processing, or manufacturing of food  
8. products in conditions that are unsafe, prevent school  
9. attendance, or violate international labor standards set by the  
10. International Labour Organization (ILO). "Supply chain" includes  
11. all stages of production from farming and harvesting to  
12. processing and packaging.

13. **Section 3** The Department of Labor, in coordination with U.S.  
14. Customs and Border Protection, will maintain a list of flagged  
15. products and companies. Companies found in violation will be  
16. subject to the tax immediately. Revenue collected will fund  
17. international child labor monitoring programs and educational  
18. initiatives in affected countries.

19. **Section 4** This legislation will take effect on July 1, 2027.  
20. Companies will have 12 months from the date of enactment to  
21. audit and certify their supply chains.

22. **Section 5** All laws in conflict with this legislation are hereby  
23. declared null and void.

## A Bill to Incentivize Technology Companies to Create Recyclable Products

1. BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED:

2. **Section 1** Technology companies that design and manufacture consumer  
3. electronics with a minimum of 75 percent recyclable or reusable  
4. components shall be eligible for a federal tax credit equal to 15  
5. percent of their annual research and development costs related to  
6. sustainable product design.

7. **Section 2** "Consumer electronics" includes smartphones, tablets,  
8. laptops, desktop computers, and wearable devices sold to the  
9. general public. "Recyclable components" means materials  
10. recoverable through existing U.S. municipal recycling programs.

11. Companies must submit annual product composition reports  
12. certified by an independent auditor to qualify for the credit.

13. **Section 3** The Environmental Protection Agency (EPA) will  
14. administer the program and maintain a public registry of  
15. certified companies, funded at \$1.5 billion annually through the  
16. federal Clean Technology Tax Incentive Fund. The Internal  
17. Revenue Service (IRS) will verify and process all tax credit  
18. claims. The EPA will conduct annual audits of 25 percent of  
19. participating companies to ensure compliance. Companies found to  
20. have submitted false certification reports will be fined \$1  
21. million per violation, required to repay all credits received,  
22. and permanently barred from the program.

23. **Section 4** This legislation will take effect on January 1, 2028.  
24. Companies may begin submitting eligibility reports on July 1,  
25. 2027.

26. **Section 5** All laws in conflict with this legislation are hereby  
27. declared null and void.

## A Resolution to Remove Cuban Sanctions

1. **WHEREAS**, The United States has maintained a comprehensive embargo  
2. and sanctions regime against Cuba since 1962, restricting trade,  
3. travel, and financial transactions between the two nations; and

4. **WHEREAS**, Decades of evidence suggest the embargo has failed to  
5. achieve its stated goals of promoting democracy and improving  
6. human rights in Cuba, while causing significant humanitarian  
7. hardship for ordinary Cuban citizens; and

8. **WHEREAS**, The normalization of diplomatic and economic relations  
9. between the United States and Cuba would benefit both nations  
10. through expanded trade, investment, and cultural exchange; and

11. **WHEREAS**, The United Nations General Assembly has voted  
12. overwhelmingly in favor of ending the embargo for over two  
13. consecutive decades, reflecting broad international consensus;  
14. now, therefore, be it

15. **RESOLVED**, That the Congress here assembled urge the President and  
16. Congress of the United States to lift all economic sanctions  
17. against Cuba and end the naval and trade blockade, directing the  
18. Department of State and the Department of Commerce to begin the  
19. full regulatory process for normalization of trade and  
20. diplomatic relations within 180 days of this resolution's  
21. adoption.
