

2026 NOF College Async Championship Extemp Prompts

1. As artificial intelligence reshapes the job market, should universities be required to restructure their curricula?
2. Will increasing geopolitical competition between the United States and China over semiconductor technology ultimately accelerate or hinder global technological innovation?
3. In an era of declining trust in institutions, what is the most effective strategy for public health agencies to communicate during the next major health crisis?
4. With Houthi forces now firing missiles at Israel and entering the broader Iran conflict, how should the U.S. recalibrate its Yemen policy?
