

2026 Rocky Mountain Debating Championship
MSU Denver
Denver, CO
October 24-25, 2026

UNIVERSITY OF
DENVER

Letter of Invitation

Dear friends,

You are invited to attend the **2026 Rocky Mountain Debating Championship** at Metropolitan State University of Denver (MSU Denver) in Denver, Colorado! This British Parliamentary style tournament, a collaboration between the University of Denver and MSU Denver, will be held at MSU Denver in the Central and West Classroom Buildings. We are steps away from Larimer Square, the 16th Street Mall, Meow Wolf, and Denver's arts and cultural districts. There are numerous hotels and restaurants around our campus. We will be in touch with more details about potential lodging opportunities by the end of the summer.

Check-in will be on the evening of **October 23**, and rounds will take place on **October 24-25, 2026**. This tournament will feature **6 rounds** of preliminary debates, a **novice breakout**, and **semifinals break** in varsity (*with the option to add a quarterfinal round if we have enough entries*). We will follow **YODL rules** and procedures for this tournament including a topic strike process using topic areas we will release about a month before the tournament. This is a **free tournament** open to any and all participants. We will provide lunch on both Saturday and Sunday. We look forward to hosting you at MSU Denver!!

Also, please note that on **Friday, October 23**, there will be an optional additional event at MSU Denver that you might find of interest. In collaboration with the **Civic Debate Consortium** and **Ken Newby of Morehouse College**, MSU Denver will be hosting a one-day **Social Justice Debates (SJD)** event. SJD competitions offer the opportunity to engage one topic (the area for this year is Food Justice) over the course of multiple rounds. The format is evidence-based, judged by topic experts (not coaches), and involves the incorporation of experiential learning opportunities. More details will be made available in August after the 2026 SJD topic wording is announced. **This is an entirely optional activity** and there is no requirement that you attend the SJD event to attend Rocky Mountain (or vice versa). For registration purposes, these will be entirely separate events. Please let us know if you have questions. If you think you might want to join to observe and/or compete, please plan to arrive in Denver on Thursday, October 22. More on this very soon!

Sincerely,

John Rief
MSU Denver

Rob Margesson
University of Denver
robert.margesson@du.edu

Tournament Staff

Conveners: Rob Margesson and John Rief

Tab Director: Will Silberman

CA Team: TBA

Tournament Ombuds: Gina Iberri-Shea

For all registration questions, travel logistics, and pre-tournament assistance, please contact John Rief at jrief1@msudenver.edu.

Registration Information

There is **no registration fee** for this tournament. The baseline judging commitment is 1 judge per institution. Beyond this baseline, the judging commitment per school will be N-1. So, every team should plan to supply a judge. Schools with more than one team will follow the N-1 rule. That is, institutions with 1 or 2 teams will owe 1 judge. Institutions with three or more teams will supply judges using the rule. Please supply as many chairs as you can. We are planning to hire several local judges but you will need to contact John Rief at jrief1@msudenver.edu to secure them toward your commitment. The earlier you do this, the better. If you have secured a judge with John Rief, this judge will count toward your commitment. We do not plan to charge participating institutions for these judges. **We will assess a fee of \$50.00 per uncovered team.**

Please enter your teams on forensicstournament.net by Monday, October 12. No new registrations will be accepted after that time. We need to know our total numbers by this date to complete our catering orders. All changes should be sent to John Rief by no later than **Wednesday, October 21.** If you have questions or special requests, please email John Rief at jrief1@msudenver.edu.

Tournament check-in will take place at [Degree Brewpub](#) from 7-9pm on Friday, October 23. If you are unable to join us, please feel free to email or text John Rief confirming your arrival and to let us know of any last-minute changes.

Tournament Procedures

As noted above, we will follow **YODL rules** at this tournament including the topic strike and points of privilege procedures. **We will not be using open adjudication at this tournament.** If you have any questions about these rules, please do not hesitate to contact Rob Margesson at robert.margesson@du.edu. We will go over these rules at the Saturday morning briefing.

We will use the **[YODL adjudication manual](#)** as our primary source for rules and norms throughout the tournament. While we will not be requiring judges to complete YODL certification, we do expect that everyone will be familiar with the YODL manual. **Please note that while we are using YODL rules, this tournament does not count toward YODL points and is not officially sanctioned by YODL.**

For any issues not addressed in the YODL manual, please consult the [WUDC manual](#). Should any questions or concerns arise, these are the documents our CA team, tab, tournament ombuds, and tournament leadership will reference.

A slate of **topic areas** will be released around one month before the tournament. We will make these topic areas available on forensicstournament.net, via email to currently registered teams, and on the British Parliamentary Debate in North America Facebook group. Teams will be given an opportunity to recommend specific topic wordings to the CA team shortly after the release of these areas. The due date for suggestions will be provided once the topic areas are released.

Food

We will be serving lunch both days of the tournament. Coffee and snacks will be available throughout the day. You will be on your own for breakfast and dinner. Please contact John Rief at jrief1@msudenver.edu with any **dietary requests, restrictions, and allergies** on or before **Monday, October 12.**

Lodging and Parking

The [SpringHill Suites by Marriot Denver Downtown](#) is located on our campus and you are welcome to make reservations there. We do not yet have a room rate with them, but we are working on it and will let you know ASAP. In the past, they have offered us a 10-room courtesy block with the option to add more if needed. The rate for this block has historically been around \$200. There are many other options for lodging both in the downtown area and surrounding suburbs (including the Denver Tech Center). We recommend that you stay near a light rail line which will allow you to easily make your way to campus each day.

We will be paying for parking and will release a code to everyone a week ahead of the tournament. Please consult the attached map (below) for the best places to park during the tournament.

Schedule

- Please note that all times are MDT (Mountain Daylight Savings Time) and are subject to minor modifications. You will be informed of any changes well in advance.

Friday, October 23

- Tournament Check-In 7-9pm Degree Brewpub (on our campus)
