

Sleet and Snow Swing Invitation

Concordia University – Seward, NE
January 14th-16th, 2011

December 2, 2010

Dear Forensic Colleague:

You are cordially invited to join us for the seventh annual **Sleet and Snow Swing** to be held **January 14-16, 2011** on the Concordia University campus in Seward, Nebraska. Last year's swing tournaments attracted a wide variety of schools. We hope schools looking for an excellent weekend of competition will join us this January. As in past years, the swing will be competitive and efficiently run.

We plan to offer the same set of events as in previous years. Each swing half will offer two rounds of AFA individual events with appropriate elimination rounds. The first (Sleet) tournament will include four preliminary rounds of NFA Lincoln-Douglas debate with appropriate elimination rounds. Additionally, six rounds (and appropriate elimination rounds) of NPDA Debate will be offered at the first tournament. Four preliminary rounds of NPDA debate (with appropriate elimination rounds) will be offered at the second (Snow) tournament. Students must choose between the IE portion and the NPDA debate portion at the Snow tournament.

The schedule is constructed with wellness in mind while offering additional opportunities for competition. Three meals are included during the weekend - a dinner break on Friday for NPDA debaters, and lunch breaks on Saturday and Sunday, served in the Janzow Student Center. We hope you will take advantage of this budget-stretching weekend.

Because wellness is not only about physical well-being but also mental and spiritual well-being, we will offer a chapel service at 8:00 am on Sunday morning. We encourage each of you to take advantage of this worship service.

We hope to see you and your squad in Seward, Nebraska, on January 14-16. If there is anything we can do, please do not hesitate to contact us.

Sincerely,

Bryan Moore, Director of Forensics

GENERAL GUIDELINES:

Tournament Rules – AFA, NFA and NPDA regulations will govern their respective divisions, unless specified elsewhere in this invitation. Except in NFA L-D, no one may debate alone. No person who has competed for eight (8) or more semesters or has competed at a collegiate national tournament in four (4) different years may compete.

Host Student Participation – While many Concordia and Bethel University students will be helping to run the tournament, Concordia and Bethel University students will participate. These students are eligible to advance to elimination rounds, but not school sweepstakes.

ADA Accommodations – If anyone has concerns about accessibility on campus, please contact Prof. Moore. We will gladly accommodate as needed.

TOURNAMENT ENTRIES:

Entry Deadlines – All entries will be submitted using Professor Erick Roebuck's online entry system. This webpage can be found at <http://www.forensicstournament.net>. You must enter your entry for each tournament separately. **Entries are due by 5:00 pm (Central Time) on Monday, January 10th, 2011.**

Entry Fees – Fees will be assessed at noon on Tuesday, January 11th. Two fee structures will be in place – individual tournament and swing entry. A single \$25.00 school fee applies to each tournament to assist with defraying food costs.

- \$20.00/NFA LD Debate slot.
- \$12.00/Duo slot (2 trophies).

A \$10 dropped entry fee will be assessed for drops made after Thursday, Jan. 13th at 5:00 pm, including at registration or between halves of the swing. Substitutions within events are NOT considered drops. Schools are responsible for paying their full fees.

INDIVIDUAL EVENTS:

All competitors in individual events compete in open division. All events with 8 or more competitors will have a final round. Events with more than 35 competitors will have a semifinal round. Two preliminary rounds of competition in all eleven AFA Individual Events will be offered in these flights:

- Pattern A:** Extemporaneous Speaking, Informative, After Dinner Speaking, Prose, and Poetry.
Pattern B: Impromptu Speaking, Persuasive, Communication Analysis, Dramatic Interp, Program Oral Interp, and Duo Interp.

Students are limited to six (6) individual events slots (limit of two duos), with no more than three (3) per pattern. LD participants are limited to one added event (NOT Extemp or Duo) per flight, and should go to their LD round first. Electronic retrieval will be allowed for extemp. However, internet access will not be allowed.

Concordia University – Seward, NE

January 14th-16th, 2011

NPDA DEBATE:

General Rules – Two divisions of NPDA debate will be offered – Junior and Open. The NPDA Rules for Debating and Judging will govern NPDA debate. Internet access will not be allowed. Twenty (20) minutes of preparation time will be given before each debate. Motions will be announced in the Janzow Campus Center.

Preliminary Rounds – Power-matching for all preliminary rounds will be high-low in win-loss brackets. When brackets are uneven, teams with the weakest opposition record will be pulled up to the next highest bracket.

Sleet Invitational (Friday/Saturday) - Rounds 1 and 2 will be randomly matched. Rounds 3 and 4 will be lag power-matched based upon all available previous rounds. Rounds 5 and 6 will be power-matched based upon all previous rounds.

Snow Invitational (Sunday) - The computer will randomly match rounds 1 and 2. If rounds stay on schedule, Rounds 3 and 4 will be powered-matched based upon all available previous rounds; otherwise, they will be lag power-matched if necessary.

Elimination Rounds – In elimination rounds, brackets will be broken (per NPDA by-laws). Partial elimination rounds will be held, as necessary. In each division, the number of teams advancing will be determined by NPDA bylaws.

Sleet Invitational - Seeding in elimination rounds will be based upon wins, then adjusted speaker points, total speaker points, opposition record, and finally judge variance.

Snow Invitational - Seeding in elimination rounds will be based upon wins, then total speaker points, opposition record, and finally judge variance.

Should a double Octofinal round be needed for the Sleet tournament, the final round will take place Sunday morning during Round One of the Snow tournament. Both teams in the Sleet final round will receive a bye for Round 1 of the Snow tournament.

NFA L-D DEBATE

A single division of NFA L-D debate will be offered at the first half of the swing. Four preliminary rounds of competition will break (as entries warrant) to Quarterfinals. The 2010-2011 NFA resolution and times will be used. Consult the NFA website for more information on NFA L-D Debate. Note that students should go to LD rounds before IE rounds.

Preliminary Rounds – The computer will randomly match rounds one and two. Rounds three and four will be lag-powered based upon all available previous rounds.

Elimination Rounds – Seeding will be based upon wins, followed by total speaker points, adjusted speaker points, opposition record, and finally judge variance (Z-Score). A partial elimination round will be held, as necessary.

JUDGES:

Commitment – One judge can cover up to five I.E. slots per pattern or two L/D debaters. At the Sleet Invitational, each judge can also cover two NPDA teams. Judges may EITHER cover IE's or NPDA teams at the Snow Invitational. Debate judges are needed one round beyond their team's/debater's elimination. An I.E. judge is committed through finals.

Available Judges – We REALLY want you to bring judges. We will reduce school fees or pay judges with bachelor's degree \$15.00 per NPDA round or \$12.00 per IE/LD round. Please alert us to critics willing to judge beyond their commitment.

Sleet and Snow Swing Invitation

Concordia University – Seward, NE

January 14th-16th, 2011

Critic Flexibility - If entry size prevents critics from judging the events for which they registered, we may slot them to judge events in which your participants are not involved (e.g. an IE judge for L-D/NPDA or an LD judge for IE's). If you DO NOT wish for us to use one or more of your judges in this fashion, please indicate this on your entry. If you do not make such an indication, we will assume that your judges are flexible and willing to serve the tournament in whatever way is needed. This flexibility is greatly appreciated and helps make the most efficient use of the judges you provide.

Sleet Tournament – For the Sleet Invitational (Friday/Saturday), uncovered judge fees will be assessed on the following basis:

- \$12.00 per Individual Events slot.
- \$25.00 per NFA L/D Debate slot.
- \$80.00 per NPDA Debate team.

Snow Tournament – For the Snow Invitational (Sunday tournament), uncovered entry fees will be assessed on the following basis:

- \$12.00 per Individual Events slot.
- \$50.00 per NPDA Debate team.

AWARDS:

Individual Events – Awards will be presented to the top six finishers in each Individual Event. Additionally, the top three Individual Events Sweepstakes speakers in each portion of the swing will receive handsome awards. To be eligible, individuals must participate in four Individual Events. IE Swing Sweepstakes awards will be presented to the top three competitors for the entire swing; students must participate in at least 4 IE events in both halves to qualify.

Debate Events – An appropriate number of speaker awards based on entry size will be given in parliamentary debate. All parli teams and LD debaters advancing to elimination rounds will receive awards.

School Sweepstakes – Points will be assigned by the following formula:

Individual Events:

- First Place = 12 points
- Second Place = 10 points
- Third Place = 8 points
- Fourth Place = 7 points
- Fifth Place = 5 points
- Sixth Place = 3 points
- Other Finalist = 2 points
- Semifinalist = 1 points

NFA L/D Debate AND NPDA Debate:

- First Place = 12 points
- Second Place = 10 points
- Semifinalist = 8 points
- Quarterfinalist = 5 points
- Octofinalist = 3 points

For all events, points will be given in preliminary rounds for the top three entries from each school. All elimination round points will count toward sweepstakes.

School Awards – Each tournament will present awards to the top three individual events and debate schools. Three overall swing awards will be presented as well as three small entry sweepstakes awards.

The swing will be divided into two equal parts – debate and individual events. Each school's points will be calculated as a percentage of the total points earned by all schools in each portion of the tournament. The percentage scores for both halves will be added together to determine rankings for each school.
