NFA Lincoln-Douglas Debate is a one-person, persuasive, policy debate on traditional stock issues. It is a communication event, by which we mean the philosophy of the activity is consistent with that which governs other individual events. Competitors in NFA Lincoln-Douglas will be evaluated on their analysis, use of evidence, and ability to effectively and persuasively organize, deliver, and refute arguments. Rapid-fire delivery, commonly called "spread delivery," is considered antithetical to the purpose and intent of this event.

Parli-LD

Speech Times:

PMC - 6 minutes
LOC - 7 minutes
PMR - 5 minutes
LOR - 6 minutes
PMR - 3 minutes

Prep Time: 15 minutes after topic selection

Resolution:

The debaters will have a choice between three resolutions attached to your ballot. The government team has 1 minute to strike one of the three topics. The opposition team then has 1 minute to strike one of the two remaining topics. The final topic will be the topic for the debate. You should then start the 15 minutes of preparation time. The Government debater may prepare in the room.

Parli-LD largely mirrors team Parliamentary Debate. The rules and practices should be roughly the same. You should approach judging a Parli-LD debate in the same way you judge a parliamentary team debate
