

January 28, 2013

Dear NPDA Colleagues:

On behalf of President Marty Birkholt, the Executive Council, our host Dr. Marlin Bates, and the membership of the National Parliamentary Debate Association, I am pleased to invite you to attend the seventeenth annual NPDA National Championship Tournament, Friday, March 22nd through Monday, March 25th, 2013 at the University of the Pacific. We anticipate a fine weekend of education and competition, culminating with the awarding of the 2013 National Championship.

Please note the following deadlines for entry submission and ensure that all materials **arrive** in the proper location **by the prescribed date**. Also note: **all forms must be electronically submitted following the enclosed instructions. Faxes will no longer be accepted.**

- **Friday, March 1, 2013 (6 p.m. CST)**
 - Tournament entry must be submitted to <http://www.forensicstournament.net>. A completed entry must include the names of all debaters and critics.
 - Tournament fees must be paid by credit card or must **arrive** to NPDA Treasurer Brent Northup's office. Unless the tournament's size prohibits inclusion of a school's team(s), fees are non-refundable. Credit card payment information is available at www.parl Debate.org. **No personal checks are accepted.**
 - Student eligibility forms must **arrive** by e-mail (npdanats13@gmail.com) to the tournament director. The document must include the signature of the Director of Forensics/Debate of the program, the signature of the college/university Registrar, and the seal of the institution.
 - Critic certification forms must **arrive** by email (npdanats13@gmail.com) to the tournament director. All critics must certify that they have read and will abide by the NPDA Rules of Debating and Judging. Failure to follow those rules will result in the removal of the critic from the tournament. Should a critic be removed, teams from that school will be removed from competition or uncovered team fees will be assessed to that judge's school.
 - Critic philosophy statements must be submitted to <http://www.forensicstournament.net>. Philosophy statements must meet minimum standards for acceptance (see page 4). Failure to complete philosophy statements for a judge will result in charging schools for uncovered teams, late fees, and/or disqualification of two teams
 - (New!) Program Responsibility forms must arrive by email (npdanats13@gmail.com) to the tournament director.
- **Friday, March 8, 2013**
 - Hotel reservations should be made by this date in order to meet the cutoff date for the hotel blocks. See page 6 of this document for full hotel details.
- **Monday, March 18, 2013 (6 p.m. CST)**
 - Critic strike page will be emailed to directors no later than Monday, March 18, 2013 (6p.m. CST). Judging philosophies will be available at forensicstournament.net as they are received.
- **Thursday, March 21, 2013 (6p.m. CST)**
 - Critic strikes are due no later than Thursday, March 21 at 6p.m. CST. Confirmation sheets will be included in registration packets for all on-time submissions. Strikes that are submitted late or not in electronic format are not guaranteed.
- **Friday, March 22, 2013**
 - Schools must register in person at the Stockton Hilton (Mezzanine area) no later than 5 p.m. PST. Teams failing to register in person will be removed from the tournament. If an emergency arises that prevents in-person registration at this time, call 816-365-6147 (Gina Lane) immediately.

Failure to meet any of these deadlines will result in the removal of teams from the National Championship Tournament with the surrender of all registration fees. These deadlines ensure the tournament staff adequate time to prepare for the tournament and check for errors as well as give competitors a reasonable amount of time to review critic philosophies and make strike decisions and other preparations accordingly.

Please read this document in its entirety, as it includes a great amount of information regarding our host campus, lodging, tournament procedures and other useful items. I look forward to seeing each of you March 22nd as we celebrate the year's debating and crown the 2013 national champion.

For the NPDA,

Dr. Gina Lane
National Championship Tournament Director

TOURNAMENT ENTRIES

GENERAL GUIDELINES

TOURNAMENT RULES – The Constitution, Bylaws, Tournament Operating Procedures document and the Rules for Debating and Judging of the NPDA will govern the totality of the National Championship Tournament. The governing documents of the organization shall take precedence over errors in this document. In accordance with those documents, hybrid teams are allowed to compete, but three person teams may not participate. A school may not enter more than one hybrid team. No individual may debate without a partner.

COMPETITOR ELIGIBILITY – A new bylaw was passed that changed competitor eligibility standards for the 2012 National Tournament and for all tournaments going forward. The new bylaw reads:

No person shall be allowed to participate in more than four NPDA Championship Tournaments as a contestant.

1. Undergraduate students are limited to no more than **ten** semesters of eligibility.
 - a. A semester is considered “used” when a student competes in **two** or more tournaments during the semester.
 - b. The number of semesters in which a student competes is superseded by the number of national tournament years in which the student competes.
2. Contestants are limited to **five** national tournament years.
 - a. A national tournament year is one in which a student competes in a national tournament sponsored by any national forensic organization including but not limited to: AFA-NIET, NFA-IE Nationals, Novice IE Nationals, NDT, CEDA, NEDA, Phi Rho Pi, Delta Sigma Rho-Tau Kappa Alpha, Pi Kappa Delta, Interstate Oratory, APDA, and any other nationally recognized organizations and tournaments that may be added to this list.
 - b. The number of national tournament years in which a student has competed supersedes the number of semesters in which he or she has competed.
 - c. The intent of this standard is to prohibit students from competing in national tournaments for more than **five** years. During their **five** national tournament years, students may attend as many national tournaments as they wish or as their programs’ budgets allow, but they may not compete in four AFA-NIET nationals or four CEDA nationals, for example, and then move on to compete in four NPDA Championship Tournaments over the course of several more years.

ENTRY PROCEDURE

ENTRY DEADLINE - Team applications and critic entries must be made by 6 p.m. CST on Friday, March 1, 2013 to <http://www.forensicstournament.net>. Critic certification and student enrollment verification forms must **arrive** by email (npdanats13@gmail.com) by 6 p.m. CST on Friday, March 1, 2013. **E-mailed forms must be replaced by originals at registration.** If you need to communicate a change that cannot be accomplished on the site, an email message (npdanats13@gmail.com) is the preferred method of communicating this information. You may also reach the tournament director by phone at (816) 365-6147. **Please do not communicate entry information over voicemail.**

PLEASE ENTER ON TIME! Teams that enter during the “last minute” time period must not only pay fees significantly higher than on-time or late entry, but they also cannot have judges covering their commitment, and thus must pay as an uncovered team. This change is designed to minimize changes to the judging pool after strike entry has begun. Please note that late entries can be denied by the tournament if there is insufficient judging to cover those late entrants into the national tournament.

REGISTRATION FEES

FORM OF PAYMENT

Payment of tournament fees must either be a cashier's check, a College/University check, or a credit card payment to NPDA. Unless space limitations prevent a school from entering all the teams for which they have paid, **registration fees are non-refundable**. Please include the Schedule of Fees (included in this document) with your school's check – this speeds registration.

PAYMENT BY CREDIT CARD – Credit card payment is available on the NPDA website (<http://www.parlidebate.org/npda-nationals/onlinepayments/>).

PAYMENT BY CHECK - The NPDA does not accept personal checks. NPDA's tax ID number is: **EIN 81 0543496**. Checks should be made payable to **National Parliamentary Debate Association** (not Brent or Gina) and sent to:

Brent Northup
Director of Forensics
Carroll College
1601 N. Benton Ave.
Helena, MT 59625

TEAM ENTRY FEES

Again, please make sure that entries arrive on time. The fees for entering teams are much higher after the deadline and can seriously impede a team's ability to attend the National Championship Tournament. Uncovered fees are per team and in addition to the team entry fee. In addition to a \$45 school fee and a \$16 per person lunch fee, the following schedule will be employed:

ON-TIME FEE SCHEDULE applies to entries received by the March 1st, 2013 deadline.

- TEAM ENTRY – \$100 per team
- UNCOVERED TEAMS – \$150 additional

LATE FEE SCHEDULE (applies to all teams entered after March 1st, but before March 8th)

- TEAM ENTRY FEE – \$175 per team
- UNCOVERED TEAMS – \$225 additional

LAST MINUTE FEE SCHEDULE (applies to all teams entered after March 8th)

- TEAM ENTRY FEE (includes uncovered fee) – \$600 per team

CRITICS

CRITIC REQUIREMENTS

GENERAL INFORMATION - Each entering school is required to bring a minimum of one qualified critic. Two schools with odd numbers of teams may share a full-commitment judge. Judges for the National Championship Tournament are **required** to certify that they will follow the Rules for Debating and Judging (included in this document) as well as the Rules and Guidelines for Judging. One such critic is required for every two teams entered into the tournament. Schools with teams not covered by a critic will be assessed a minimum fee of \$150.00 per uncovered team. Schools entering the tournament past the on-time deadline can expect to pay significantly higher uncovered fees. See the section above for more details. **All judges must have a computer, smartphone or other device with which to receive and send ballots. Judges must include their e-mail address on the critic certification form.**

LENGTH OF SERVICE - Unless given special permission from the Tournament Director, **ALL** critics must be available through the Octafinal round. If any teams from your school qualify for the Octafinal round, **all** critics from that school must remain available through the semifinal round.

BALLOT DISTRIBUTION AND PICKUP - This year's National Championship Tournament will use an e-mail ballot system. The system is similar to the one that was used at the 2012 Paul Winters Invitational as well as many others throughout the nation. We will have a system in place for judges to confirm that they have received their ballot. All judges are required to confirm receipt of their ballots within 10 minutes of the ballots being released. A financial penalty of 50 dollars for each preliminary and 100 dollars for each elimination round will be imposed against any and all judges who fail to be available to judge all rounds for which they are obligated. Fines must be paid promptly, as determined by the tournament director. Teams from schools who have not paid penalties for their judges failing to pick up assigned and/or pushed ballots will not be allowed to advance to elimination rounds. Furthermore, until fines are paid, the judge's affiliated or hiring school will be suspended from NPDA membership.

JUDGING PHILOSOPHIES

All critics must submit a judging philosophy to <http://www.forensicstournament.net>. These philosophies should substantively represent the critic's understanding of how debate works, and they should be written in plain language accessible to tournament participants. **At a minimum, philosophies should include the following information:**

- Background of the critic (including formats coached/competed in, years of coaching/competing, # of rounds judged this year, etc)
- Approach of the critic to decision-making (for example, adherence to the trichotomy, stock-issues, policymaker, tabula rasa, etc.)
- Relative importance of presentation/communication skills to the critic in decision-making
- Relative importance of on-case argumentation to the critic in decision-making
- Preferences on procedural arguments, counterplans, and kritiks
- Preferences on calling Points of Order.

These are minimum standards, and critics may go well beyond these standards in crafting a philosophy. However, philosophies that do not meet the above standards **will not be considered a sufficient philosophy**. Participants deserve the best information possible in order to make decisions regarding strikes and in-round strategy. **Critics representing schools who submit philosophies past the deadline or whose philosophies are clearly not deemed sufficient will not be counted when calculating a school's commitment. The affected school will be responsible for paying the uncovered judge fee described in this invitation.**

HIRE CRITICS

The Tournament Director, in cooperation with the local host, is responsible for securing additional hired critics. If you are bringing qualified critics who wish to be hired, please contact Gina immediately (npdanats13@gmail.com) to make these arrangements. Qualified judges must submit complete philosophies on time and are hired for the first two days of the tournament for a \$150.00 stipend, or \$15.00 per round. A few select judges may be invited, at tournament expense, to judge. In such cases NPDA pays airfare and hotel expenses and provides meal tickets for lunch, but does **not** pay a per-round fee to the judge.

TOURNAMENT OPERATION

PAIRING PROCEDURES

PRELIMINARY ROUNDS – The first round will be randomly paired. The second through eighth rounds will be power-matched, high-low within each win-loss bracket. But for teams receiving a BYE, teams will debate four times on each side, debating the opposite side of the motion in even numbered rounds from the side they debated in the previous odd-numbered round. No judge may render a decision which awards a win to both teams or a loss to both teams. A complete listing of the pairing procedures is available in the NPDA National Championship Tournament Procedures document.

ELIMINATION ROUNDS – Following round eight, all teams with five wins will advance to single elimination debates. Each team will be ranked by (1) wins, (2) adjusted speaker points, (3) total speaker points, (4) strength of opposition record, (5) double adjusted speaker points and (6) judge's variance.

If the number of teams advancing is less than a full elimination round, a partial round will be held. Those teams holding the lower seeds will debate while the teams with the highest seeds will receive a bye into the next round. The computer will randomly assign sides until the quarterfinal round unless the teams have previously debated. For the quarterfinal round and all following rounds, a coin toss will determine sides. The higher seed in the tournament will have the choice of whether or not to call the toss. If the two teams have debated previously, the two teams will debate on the opposite sides that they debated in the preliminary round. Teams will debate in single elimination round debates until one team remains undefeated in the elimination rounds. The team amassing a majority of the ballots in a panel will be declared the winner.

In the event that two teams from the same school meet in elimination rounds, brackets will be broken according to the following criteria: (1) protecting the highest seed; (2) changing the fewest number of brackets; (3) preserving original bracket order.

ASSIGNMENT OF CRITICS

JUDGE CONFLICTS – All judging assignments will be made at random from a pool that excludes judges who, according to both the perception of participants and the Tournament Director have a **legitimate** conflict of interest. Judges may not adjudicate teams from their own school (or the team's school for the past four years), teams from other schools they may be prepping with, former students, or anybody who that critic may not be able to objectively and fairly evaluate.

At registration, judges will be provided a team list to return to the tab staff marked with any teams they feel they should be constrained against. Any constraints entered by a team in effect for the tournament will be considered by the Tournament Director if based on the following categories: former coaches, former team members, romantic relationships, or other cases as approved on a case-by-case basis by the Tournament Director. Instructions for submitting constraints will be available with the strike page.

ELIMINATION ROUNDS – Each preliminary round will be adjudicated by one judge. Each elimination round prior to the quarter final round will be adjudicated by no fewer than five judges. The quarter final and semi finals will be adjudicated by no fewer than seven judges. The final round will be adjudicated by no fewer than nine judges. At the discretion of the Tournament Director, each team in the semifinal and final round of debate may be allowed to remove one or more judges from a tentative panel. In this case, the Tournament Director has the right to name one judge who cannot be removed by either team. The team will be given up to three minutes to return the judge strike card or forfeit their right to strike judges. From the remaining potential judge panel, the tab room will randomly assign judges to the debates. The final judge panel will then be announced to the teams debating.

JUDGE STRIKES – Each team will be allowed to strike up to fifteen percent of the judging pool. Strikes must be submitted no later than **Thursday, March 21th at 6 p.m. CST**. Strikes submitted by the deadline will be in effect for all rounds. **Strikes received by the tournament staff after the deadline or not online risk not being in effect.** Let me be clear – we are under NO obligation to ensure that your strikes EVER take effect if they are improperly received.

TIMELY ARRIVAL AND START OF DEBATES

PREPARATION AND TRANSIT TIME - NPDA operating procedures hold that the specified preparation and transit time shall be fifteen minutes plus the amount of time needed to walk to the furthest building in which debates are being held, as determined by the Tournament Director. Preparation and transit time for the 2013 National Championship Tournament will be **35 minutes**. This timing schedule includes time to locate buildings and find rooms; an inability to locate competition rooms will not be an excuse for late arrival to rounds. Teams are encouraged to familiarize themselves with the campus and campus maps as much as possible before rounds begin. You can download a map of the University of the Pacific here: http://www.pacific.edu/Documents/marketing/campus-map/Full%20Map_Color_Jan2012.pdf.

PENALTIES FOR LATENESS - After the expiration of the allotted time between announcement of the topic and the beginning of the debate, a judge shall report violations via the ballot. Arrival within one minute of the expiration of time will be excused and the debate may proceed as normal. At 36:01, judges **MUST** forfeit teams immediately. Refusal to do this can result in the removal of the judge from the judging pool and the uncovered judge fee will be assessed to the team who the judge is representing.

BEING LATE IS AN ACT OF DISHONESTY TANTAMOUNT TO CHEATING NOT JUST YOUR OPPONENTS, BUT AGAINST THE ENTIRE FIELD AT THE TOURNAMENT.

Furthermore, judges shall arrive at their debates on time. Debaters shall be afforded the opportunity to inform the tab room of judges who are late to their rounds. The Tournament Director shall have the discretion of imposing penalties, equivalent to those imposed for a missed round, for lateness.

LODGING, TRANSPORTATION AND MEALS

LODGING

TOURNAMENT HOTEL – All NPDA participants are required to use the tournament hotel in order to register for the tournament. It keeps the rates down and saves the organization money, which helps keep tournament fees reasonable. Should you encounter any difficulties in finding rooms at the hotel, please work with us, in concert with the hotel management, before attempting to book elsewhere.

MEALS AND FOOD OPTIONS

Two meals will be provided for all coaches, competitors and judges. The fee for this lunch is \$8 per person per lunch. The meal package is required for everyone on Saturday and Sunday (\$16 per person covers both days), but optional for Monday, the final day. Each school must purchase lunch packages for each person (student, coach, judge, guest) who will attend the tournament with that squad. The meal fee must be paid with registration. The meals will be served in DeRosa University Marketplace Dining.

TOURNAMENT AWARDS

INDIVIDUAL AWARDS

TEAM AWARDS – Each person who is the member of a team that advances to elimination rounds will receive an award. Placing will be determined by the round of a team's elimination or their placing in the championship debate (for first and second). Additionally, the members of the top three (3) novice teams at the tournament will receive an award. **Per NPDA rules, ANY form or length of high school debate (but not individual events) competition excludes competitors from consideration for novice awards** (so yes, participation in JUST ONE tournament in high school disqualifies a competitor from novice standing). Novice placing will first be determined by a team's placing in elimination rounds. If a tie still exists, the seeding of the tied teams after preliminary rounds will determine placing.

INDIVIDUAL AWARDS – Based upon the speaker points assigned by the eight critics in the preliminary debates, the top twenty speakers in the National Championship Tournament will receive awards appropriate to the placing earned. The top speaker in the tournament receives the James “Al” Johnson top speaker trophy, named after one of NPDA’s founders. Rank ordering of speakers is determined by (1) adjusted speaker points, (2) total speaker points, (3) double adjusted speaker points and (4) judge variance. Awards will be given to the top five novice debaters as well.

SCHOOL AWARDS

SEASON SWEEPSTAKES – The top twenty schools in the season long sweepstakes standings will receive awards. The top five community colleges will also receive awards. The procedures used to calculate these standings are available online at <http://www.parlidebate.org>.

TOURNAMENT SWEEPSTAKES – The top twenty schools will receive tournament sweepstakes awards. Two points are awarded for each preliminary round win for the top four teams from each school. Additionally, two points are awarded for participation in each elimination round (win, loss or bye) for the top four teams from each school – these need not be the same teams as those in preliminary rounds. The tournament champion receives an additional two points for its school. The top five community colleges will also receive awards.

OTHER IMPORTANT INFORMATION

ADA ACCOMODATIONS – If you or one of your students needs ADA accommodations while on campus, please contact the tournament director by March 21, 2013 (the day that strikes are due).

OPENING ASSEMBLY – A great deal of important information regarding tournament logistics will be provided during the opening assembly. The opening assembly will be held in the Delta Ballroom of the Hilton Stockton. **One person from each participating school must be present at the opening assembly.**

TOURNAMENT NAME BADGES AND MEAL TICKETS – Due to unauthorized individuals and security incidents on campus lately, the University of the Pacific requires that all tournament participants receive and wear name badges while on campus property. Participants without badges may be escorted off of campus by campus security. This rule is for your protection as well as others. All participants will receive badges at registration, as well as meal tickets for lunch on Saturday and Sunday (and optional Monday lunch).

PREPARATION ROOMS – Prep areas will be assigned at random according to size of entry. Schools will be randomly assigned to a prep room that will accommodate the size of their entry. Priority will be given to schools that require ADA accommodations. You may only prep in the room assigned to you or a common area. You may not occupy a room that appears to be unused. You will be notified of your prep room at tournament registration. There is no guarantee of availability of white boards, chalkboards, or any other resources. The tournament director may reassign preparation rooms during elimination rounds in an effort to keep teams still competing as close to topic announcement as possible. Teams are responsible for returning the room to its original condition at the end of preparation time. Damage to University property risks immediate removal of those responsible from the tournament and the University of the Pacific. The NPDA Executive Board and/or tournament host, has the right to assess appropriate fines/and or bills to associated programs for costs incurred to replace, repair, or clean (beyond normal expectations) campus property. Should damage be documented before the end of the tournament, teams may be prohibited from competing until payment has been arranged. Failure to pay fines and/or costs will mean that a program will not be allowed to compete at the NPDA National Championship Tournament again until these fines and/or costs are paid. Teams prepping in competition rooms must move all personal property to the back or side of the room so that debates can proceed. Notify the ballot table after the round if you are competing or judging in a room that is left in disarray. Teams failing to comply with these guidelines shall be stripped of the privilege of using host rooms for preparation for the duration of the tournament.

DRUG FREE STATEMENT-

A. The unlawful manufacture, distribution, possession, or use of a controlled substance as defined by the Controlled Substances Act of 1970 while on property owned and/or operated by the host institution for the NPDA national tournament is prohibited.

B. The distribution, possession, or use of alcohol in violation of a host institution's policies or procedures is prohibited.

C. Violation of these rules will result in the following penalties.

1. The first offense will result in the disqualification of the competitor from the current tournament and prohibited entry into the subsequent national tournament. In the case of a judge, the individual will be removed from the current tournament and prohibited from judging the subsequent national tournament. In the case of an observer, the individual will be removed from the current tournament.

2. On the second offense, the competitor will be disqualified from the current tournament and prohibited entry into all subsequent national tournaments. In the case of a judge, the individual will be removed from the current tournament and prohibited from judging in all subsequent national tournaments. In the case of an observer, the individual will be removed from the current tournament and prohibited from attending all subsequent national tournaments.

3. The President shall determine what, if any, additional sanctions may be taken. Depending on the nature of the incident, the President may issue a written reprimand to be sent to the Director, Dean and/or Provost of the associated institution, the removal of NPDA points, or the suspension of a program from membership in NPDA.

ENTRY LIMITATIONS – While University of the Pacific will try to find as many classrooms as needed, if more teams apply to compete than the campus can accommodate, the following procedures (taken from the NPDA governing documents) shall be followed:

At the deadline, if the number of teams nominated exceeds the maximum number of teams that can be accommodated, the Tournament Director shall enter the first team from each school, then the second, and so on. Once it is impossible to complete a movement through the list and accommodate at the tournament site, the total number of applicants for slots in the tournament, the Tournament Director will return to the top of the list and count the number of teams at this point. The director will then subtract that number from the total number of slots possible for the tournament. That number of teams will then be selected randomly from a pool consisting of one team from each school still applying for slots. After this process, the Tournament Director will notify all schools of the final number of teams they will be allowed to enter in the tournament and will return deposits for all teams that cannot be accommodated in the tournament. The Tournament Director will then continue the process, to rank the non-entered teams in priority for a waiting list.

The goal: To select American debaters on the basis of three criteria ranked in this order:

Top priority: Sportspersonship and diplomacy

2nd priority: Forensic and academic achievement.

**2013 NPDA NATIONAL CHAMPIONSHIP TOURNAMENT
RULES FOR DEBATING AND JUDGING**

Page 1 of 2

The purpose of these rules is to define some goals and procedures of the debates so that, to the extent possible, everyone will enter the debates with a shared set of expectations. These rules are designed to apply to the framework for debate rather than the substance. They are framed in ways that attempt to allow many degrees of freedom in regard to a debater's creativity.

These Rules apply to the NPDA National Championship Tournament. They also apply to any NPDA sanctioned tournament unless the director of a tournament publishes changes or alterations to these Rules in the tournament invitation. Sanctions for violating Section 4 of the Rules of Debating and Judging (rules that apply during the debate) shall be the province of the judge. In the case of a dispute regarding a judge's interpretation of the rules, enforcement of the rules, or adhering to the procedures of the tournament, one or both debate teams may appeal a judge's decision regarding sanctions to the Ombudsperson for a final decision.

Enforcement of all other sections of the NPDA Tournament Rules shall be the providence of the Tournament Director in consultation with the Championship Tournament Committee. Appeals of decisions made by the Tournament Director will be directed to the National Championship Tournament Ombudsperson.

RULES OF DEBATING AND JUDGING

1. RESOLUTIONS

- A. A different resolution for each round will be presented to the debaters at a specified time prior to the beginning of each debate. The specified time will be determined by adding fifteen minutes to the amount of time needed to walk to the most distant buildings in which debates are to occur.
- B. The topic of each round will be about current affairs or philosophy. The resolutions will be general enough that a well-educated college student can debate them. They may be phrased in literal or metaphorical language.

2. OBJECTIVE OF THE DEBATE

The proposition team must affirm the resolution by presenting and defending a sufficient case for that resolution. The opposition team must oppose the resolution and/or the proposition team's case. If, at the end of the debate, the judge believes that the proposition team has supported and successfully defended the resolution, they will be declared the winner - otherwise the opposition will be declared the winner.

3. DURING THE DEBATE

- A. Any published information (dictionaries, magazines, etc.), which may have been consulted before the debate, cannot be brought into the debating chambers for use during the debate. Except for notes that the debaters themselves have prepared during preparation time and a copy of the NPDA "Rules of Debating and Judging," no published materials, prepared arguments, or resources for the debaters' use in the debate may be brought into the debating chambers.

- B. Format of the debate

First Proposition Constructive Speaker: 7 minutes
First Opposition Constructive Speaker: 8 minutes
Second Proposition Constructive Speaker: 8 minutes

Second Opposition Constructive Speaker: 8 minutes
Opposition Rebuttal by First Speaker: 4 minutes
Proposition Rebuttal by First Speaker: 5 minutes

- C. **Constructive and Rebuttal Speeches** - Introduction of new arguments is appropriate during all constructive speeches. However, debaters may not introduce new arguments in rebuttal speeches except that the proposition rebuttalist may introduce new arguments in his or her rebuttal to refute arguments that were first raised in the Second Opposition Constructive. New examples, analysis, analogies, etc. that support previously introduced arguments are permitted in rebuttal speeches.
- D. **Points of Information** - A debater may request a point of information-either verbally or by rising-at any time after the first minute and before the last minute of any constructive speech. The debater holding the floor has the discretion to accept or refuse points of information. If accepted, the debater requesting the point of information has a maximum of fifteen seconds to make a statement or ask a question. The speaking time of the debater with the floor continues during the point of information.
- E. **Points of Order** - Points of order can be raised for no reason other than those specified in these Rules of Debating and Judging. If at any time during the debate, a debater believes that his or her opponent has violated one of these Rules of Debating and Judging, he or she may address the Speaker of the House with a point of order. Once recognized by the Speaker of the House, the debater must state, but may not argue for, the point of order. At the discretion of the Speaker of the House, the accused may briefly respond to the point of order. The Speaker of the House will then rule immediately on the point of order in one of three ways: point well taken, point not well taken, or point taken under consideration. The time used to state and address a point of order will not be deducted from the speaking time of the debater with the floor. A point of order is a serious charge and should not be raised for minor violations.
- F. **Points of Personal Privilege** - At any time during the debate, a debater may rise to a point of personal privilege when he or she believes that an opponent has personally insulted one of the debaters, has made an offensive or tasteless comment, or has grievously misconstrued another's words or arguments. The Speaker will then rule on whether or not the comments were acceptable. The time used to state and address a point of personal privilege will not be deducted from the speaking time of the debater with the floor. Like a point of order, a point of personal privilege is a serious charge and should not be raised for minor transgressions. Debaters may be penalized for raising spurious points of personal privilege.

4. AFTER THE DEBATE

- A. After the final rebuttal, the Speaker of the House will dismiss the teams, complete the ballot and submit it to the Tournament Director via email. The judge should not give oral comments before the ballot is completed and submitted to the Tournament Director.
- B. After submitting the ballot, the judge may, at his or her discretion, give brief constructive comments to the debaters. Such conversations should, if possible, take place in the established "warm room" area if one is designated by the tournament. No one may be required to enter the "warm room" or participate in discussions. Judges should refrain from checking the records of teams they are about to judge should such information be available.
- C. Debaters or coaches will refrain from arguing with judges' decisions or comments. Debaters or coaches who harass judges may be withdrawn from the tournament on a 2/3 vote of the Tournament Committee.

**2013 NPDA NATIONAL CHAMPIONSHIP TOURNAMENT
CRITIC CERTIFICATION FORM**

Page 1 of 2

The following form will be made available to all judges. EVERY critic adjudicating at the NPDA National Championship Tournament must sign a copy of these rules, thereby indicating their knowledge of said rules and an agreement to abide by them. Refusal to comply will result in that judge being removed from the National Championship Tournament and their squad assessed the costs of hiring an additional critic or the removal of teams from the offending judge's school.

These rules and guidelines are intended to define, to the extent possible, basic goals and procedures so that debaters and judges will enter rounds with shared expectations. The Tournament Rules attempt to allow freedom in debaters' creativity within reasonable parameters.

- PART ONE: TIMING AND LOGISTICS -

Preparation Time: Each debate must begin 36 minutes after the announcement of the motion. Judges will follow timing guidelines stated in the Invitation under "Penalties for Lateness."

Timing of the Debate: The Judge should serve as official timekeeper, giving time signals if needed that indicate the number of minutes of speaking time remaining. During constructive speeches, judges should be prepared to alert debaters if needed when one minute has elapsed and when one minute remains. There is no preparation time between speeches. Speeches should not exceed the following time limits:

First Proposition Constructive Speaker: 7 minutes
First Opposition Constructive Speaker: 8 minutes
Second Proposition Constructive Speaker: 8 minutes

Second Opposition Constructive Speaker: 8 minutes
Opposition Rebuttal by First Speaker: 4 minutes
Proposition Rebuttal by First Speaker: 5 minutes

Pre-Prepared and Published Materials: Any published information, prepared arguments, or other resources may be consulted before the debate; however, such materials may not be used during the debate, with two exceptions: (1) notes made during preparation time by the debaters competing in that round may be used during the debate, and (2) a copy of the NPDA "Rules of Debating and Judging" may be used in the debating chambers.

Specific Information: Debaters may refer to any information within the realm of knowledge of liberally educated and informed citizens. If a debater believes that certain cited information is too specific, he or she may request that his or her opponent explain the information. In the event that further explanation of specific information is requested, the opponent should provide details sufficient to allow others to understand the connection between the information and his or her claim. Judges will disallow specific information only in the event that no reasonable person could have access to the information, e.g., information from the debater's personal family history.

New Arguments in Rebuttals: New arguments are appropriate during all constructive speeches. Debaters may not introduce new arguments in rebuttal speeches, except that the Proposition rebuttalist may introduce new arguments in her/his rebuttal to refute arguments first raised in the Second Opposition Constructive. New examples, analysis, analogies, etc. that support previously introduced arguments are permitted in rebuttals.

- PART TWO: PARLIAMENTARY POINTS -

Points of Information: A debater may request a point of information (either verbally or by standing) at any time after the first minute and before the last minute of any constructive speech. The debater holding the floor may accept or refuse points of information. If accepted, the debater requesting the point of information has a maximum of fifteen seconds to make a statement or ask a question. The speaking time of the debater with the floor continues during the point of information. There is no requirement that a point of information be phrased in a particular format—question, statement, or otherwise.

CRITIC CERTIFICATION FORM**

Page 2 of 2

Points of Personal Privilege: At any time during the debate, a debater may rise to a point of personal privilege when he/she believes that an opponent has personally insulted one of the debaters, has made an offensive or tasteless comment, or has grievously misconstrued another's words or arguments. The judge will then rule on whether the comments were acceptable. The time used for a point of personal privilege is not deducted from the speaking time of the debater with the floor. Points of personal privilege should not be raised for minor issues. Debaters may be penalized for raising spurious points of personal privilege.

Points of Order: Points of Order may be raised for no reason other than those specified in the NPDA Rules for Debating and Judging. If at any time during the debate, a debater believes that her/his opponent has violated one of these rules, he/she may address the judge with a point of order. Once recognized by the judge, the debater must state, but may not argue for, the point of order. At the discretion of the judge, the accused may respond to the point of order. The judge will then rule immediately on the point of order in one of three ways: "point well taken," "point not well taken," or "point taken under consideration." In elimination rounds, the judging panel should decide, before the first speech, how to handle points of order. The time used to state and address a point of order will not be deducted from the speaking time of the debater with the floor. A point of order is a serious charge and should not be raised for minor violations.

- PART THREE: COMPLETION OF THE BALLOT -

Written Comments on Ballots: Judges are encouraged to provide constructive comments on each ballot instead of merely writing "oral critique was given."

After the Debate: The judge should complete the ballot and submit it to the tournament director via email as indicated in the tournament schedule. Judges should not confer with ANYONE prior to making a decision and awarding speaker points. **After submitting the ballot**, the judge may, at his or her discretion, give brief constructive comments to the debaters. Debaters or coaches may not argue with a judge's decision or comments.

- PART FOUR: ADJUDICATOR RESPONSIBILITY -

Sexual Harassment Policy: The NPDA maintains that parliamentary debate should be a contest of knowledge, wit and argumentation conducted in a setting of civility and mutual respect. The organization maintains that all eligible members should have access to debate activities without regard to race, creed, age, sex, national origin, sexual or affectional preference, or non-disqualifying handicap. These principles should guide the behavior and conduct of all members and participants of the organization. The full NPDA Sexual Harassment Policy is available at <http://www.parlidebate.org/npda-nationals/sexual-harassment-policy/> and will be made available at tournament registration.

Abuse of Power by Judges: Judges should enact their role with the highest degree of responsibility. This includes showing up to the round on time, listening to the round closely, and making a decision to the best of one's ability at the completion of the debate round. Judges also have a responsibility to treat competitors, fellow judges and coaches, and hosts, with respect. Judges should never use their position to impose inappropriate or artificial demands on debaters and certainly never endorse rules violations. Judges who are unable to carry out their duties in a responsible manner, both inside and outside of debate rounds, risk being removed from the tournament.

- PART FIVE: ADJUDICATOR ACCOUNTABILITY -

I have read this document and I agree that the rounds under my jurisdiction will be governed by these rules.

PROGRAM RESPONSIBILITY FORM**

(Page 1 of 1)

School: _____

Director of Forensics: _____

The NPDA expects all participants at the national championship tournament to act responsibly throughout the duration of the tournament. Participants must have appropriate identification (name badges) with them at all times. Failure to have appropriate identification could lead to removal from campus. Any behavior deemed disruptive, threatening, or damaging to others, including behavior that damages tournament facilities, risks immediate removal of those responsible from the tournament and the University of the Pacific. The NPDA Executive Board and/or the host school will assess an appropriate response, including fines or judging fees to associated programs to cover judging obligations., and, if applicable, bill the associated program for costs incurred to replace, repair, or clean (beyond normal expectations) campus property, including property in assigned prep rooms or elsewhere on campus. Should damage be documented before the end of the tournament, teams may be prohibited from competing until payment has been arranged. Failure to pay fines and/or costs will mean that a program will not be allowed to compete at the NPDA National Championship Tournament again until these fines and/or costs are paid.

**2013 NPDA NATIONAL CHAMPIONSHIP TOURNAMENT
NPDA STUDENT ELIGIBILITY STANDARDS**

Page 1 of 1

Please make sure your students fulfill these guidelines. Questions regarding eligibility should be addressed to the Tournament Director BEFORE submitting an entry.

- A. Participation in NPDA is open to officially enrolled undergraduate students in good standing at the college or university they are representing and meeting the criteria below.
 1. A student must represent a recognized degree granting institution that is a member of the NPDA and participate with the full knowledge and approval of that institution, its officials, and any existing NPDA affiliated organization operating within that institution.
 2. A student needs to be seeking a baccalaureate degree at the institution they are representing unless competing for a two-year honor, in which case, pursuit of associate's degree or equivalent two-year certification at said institution is sufficient.
 3. Possession of one of the aforementioned degrees precludes further competition for those respective honors at the national tournament.
 4. "Good standing" and definition of degree pursuit are defined by the institution the student is representing.
 5. A student is limited to competition in four NPDA National Championship Tournaments.
- B. Midyear graduates may compete in the NPDA National Championship in the spring after graduation at the discretion of the member school. The NPDA will not accept points accrued by midyear graduates at regular season tournaments after their graduation.
- C. In unusual cases, graduate students who possess a baccalaureate degree may petition for one "tournament year" of eligibility. A "tournament year" shall include any year in which the student attends any national speech and/or debate tournament.
 1. Graduate students making such a request must have no previous experience in intercollegiate speech and/or debate activities of any kind, and must require involvement in competitive speech and debate for a specific type of degree, certification, or other professional requirement.
 2. **Coaches who have a student deserving of consideration must submit a request in writing to the NPDA President prior to entering the student in competition.** The request should explain the student's specific degree-related need, certify that the student has no previous experience or provide a detailed description of the student's previous experience, and outline the student's prior academic associations including other schools he/she attended and degree(s) earned. The President, in concert with the Executive Council, will consider each request and issue the "tournament year" of eligibility in writing if satisfied that the request is appropriate.
