KidScape Productions utilizes research-based improvisation, role-play and theatre techniques to help students master important life skills that work on and off the stage.

KidScape Productions pedagogical tools offers *teachers and students* a fun and positive approach to social skills, emotional understanding and regulation; while helping build, balance and enhance focus, optimism and cognitive flexibility.

Strategies, techniques and methods include:

Social-Emotional Learning (SEL), Emotional Intelligence Quotient (EQ), Growth Mindset, Yes, And, metacognition, executive functioning, verbal and nonverbal communication, body and self-control, self-confidence and self-acceptance, conflict resolution, mindfulness, classroom management, behavior techniques, transitional activities, cross-curricular and student retention exercises. All of that while laughing a lot and having fun!

WE OFFER:

-  IN SCHOOL FIELD TRIPS
-  ASSEMBLIES
-  OUT OF SCHOOL TIME CAMPS
-  AFTERSCHOOL CLASSES
-  WEEKLY DROP IN CLASSES
