

Word Of God - Lyrics IBC

VERSE 1 *Solo*

It is life, our daily bread
A beacon shining, ever bright
It speaks grace and mercy freely
Opens my eyes in the darkest night

PRE-CHORUS *Solo*

Thank you, God, for this gift you've given

CHORUS *Unison*

Everlasting
Soul Redeeming
All that I need
Hidden deep in my heart
Lamp to my feet
Lead and guide me
All that I need
Precious Word

VERSE 2 *Solo*

Every line, a promise found
A path for those seeking the way
It leads us to eternity
Prepares the way to endless day

CHORUS *Parts, Unison*

Everlasting
Soul Redeeming
All that I need
Hidden deep in my heart (Unison)
Lamp to my feet
Lead and guide me
All that I need
Precious Word (Unison)

BRIDGE 1 Solo

Mends the brokenness
Makes me whole again
Nothing compares to this
It's the Word, It's the Word
I was lost in sin
Hopeless in darkness
Till your light came in
It's the Word, It's the Word

BRIDGE 1 Unison, Parts

Mends the brokenness
Makes me whole again
Nothing compares to this
It's the Word, It's the Word
I was lost in sin
Hopeless in darkness
Till your light came in
It's the Word, It's the Word of God (Flip)

Vamp Solo

I will proclaim its authority
I will declare its power
There's no more doubt within me
I'll sing it even louder

VAMP Parts

I will proclaim its authority
I will declare its power
There's no more doubt within me
I'll sing it even louder

TAG Parts

Forever settled
Forever settled
Forever, forever
Forever settled

CHORUS *Flipped Parts, Unison*

Everlasting

Soul Redeeming

All that I need

Hid - den deep in my heart (flipped)

Lamp to my feet

Lead and guide me

All that I need

Precious Word

VAMP *Parts*

I will proclaim its authority

I will declare its power

There's no more doubt within me

I'll sing it even louder

VAMP

I will proclaim its authority

I will declare its power

There's no more doubt within me

I'll sing it even louder

TAG *Parts*

Forever settled

Forever settled

Forever, forever

Forever settled

OUTRO *Solo*

Thank you, God, for this gift you've given

It's all true, every promise written
