

You Ain't Seen Nothing

Verse 1 Solo

Well some folks choose wealth and riches
Some seek for worldly fame
And others they try a lot of thing
But end up just the same
But when you've know the love of Jesus
You're searching will be through
You ain't seen nothing till you've seen what God can do.

Chorus Parts

Until you've felt the spirit
When it begins to move
Until you know without a doubt
That God has brought you through
His Word Remains his power unchanged
His promises are true
And you ain't seen nothing till you've seen what God can do

Verse 2 Solo

Your body's sick you can't get well
There seems no way for you
Your doctor shook his head and said, there's nothing that we can do
Well that's when God will work a miracle
Your faith he will renew
You aint seen nothing till you've seen what God can do

Vamp Parts

He can do it
My God can do it
