

CUSTOMER SERVICE REOPENING!!

The District will be reopening its main lobby at 9257 Elk Grove Blvd to the public on May 17th. To minimize the risk of both contracting and spreading the COVID-19 virus amongst our staff and customers, masks will be required and only one customer will be allowed in the lobby at a time. For any questions regarding your bill, payment options, or service, please call 916-685-3556 to speak to one of our Customer Service Representatives who are standing by and ready to help you.
