

Community Advisory Committee

VOLUNTEER APPLICATION

Please complete and return this application no later than *Monday, October 31, 2022, at 5:00 PM* to be considered a member of the Community Advisory Committee.

Purpose: A volunteer Community Advisory Committee (CAC) is being established to provide input on the water rate study now underway. The CAC may also be used to assist the District with other issues such as water quality and capital improvement planning.

Commitment: Individuals selected to serve on the Community Advisory Committee will be expected to attend scheduled meetings and gather input from other members of the community between meetings. Meeting are tentatively scheduled to start in December 2022.
