# St. Patrick's Day

## ADDITION

### Roll and Cover or Color

- Materials Needed:**
- Two Dice
  - Print a game mat. Laminate or put in a clear sleeve protector.
  - Game tokens such as counting chips to cover the sums.

- Directions:**
- Students can work independently or with a partner. With partners, each student has their own sheet and takes turns rolling.
  - Roll the dice and add.
  - Cover the sum if it is on game mat.
  - Play until all the numbers are covered.
  - Once the entire game mat is covered, you win!
