Activity Summary

Come take a spin on Radius. This pod spinning ride was made for the heart-racing and adrenaline-pumping gamers. Whether you're riding alone or with other players, you can make your pod twist and turn through the air at your own pace. With six pods total, the competition is tough when it comes to making yours spin the fastest. Do you have what it takes?

Participant Guidelines

- Riders are secured by lap restraint
- Unexpected rises and drops
- Low impact on this sense
- Likely loud noises from other riders, as well as ambient noise from other areas of the room
- Low impact on this sense
- Potential for feeling of weightlessness
- Bright lights
- View of facility from high height

© 2019 IBCCES ALL RIGHTS RESERVED

Activity Summary

Excited screeches often echo through our facility, and it's almost always because of this popular Jumping Frog ride. The Frog Hopper extends 18 feet into the air, and after slowly climbing to the top and pausing, it drops the riders down unexpectedly and continues to rise and fall. Riders of all ages love the anticipation of not knowing when the next drop will be.
