RULES

1. [Local](#) and [state rules](#) govern this competition.

2. Exhibitors are responsible for reading the competition guidelines and relevant supporting documents and must abide by them. There may be changes from the previous year. Relevant documents include:

- [Horticulture Judging Criteria](#)
- [Horticulture Glossary and FAQ](#)
- [How to Prepare Your Container Plant](#)

3. Note that this page provides only broad guidelines for this competition. More specific information is spread throughout pertinent sections in this guide.

4. Size limits are strictly enforced.

- No entry may exceed 50 lbs; all items must be movable by staff.
- Hanging entries may not exceed two (2) feet as measured from their mounting to the lowest point of the item (plant or container), and must include a secure hanger provided by the exhibitor. **Wall-mounted entries will not be accepted.**

5. Entries shall not contain materials that may rot or cause unpleasant odors (e.g., asphalt, fresh compost, burned items, cooked food).

6. Highly complex setups, particularly those containing many unconnected pieces, are strongly discouraged. Excessive entries may not be accepted. Consider that individual staff may be required to move your entries for final exhibit placement.

7. Small items should be securely fastened to their containers. Items of great or sentimental value should not be used.

8. All plants should come in clean containers and be well-established as evidenced by being firmly rooted (exceptions: air plants and plants grown hydroponically).

9. Entries incorrectly identified, or those which do not match their labels, will be disqualified.

10. OC Fair reserves the right to refuse to accept or disqualify and remove from exhibit any entry considered ineligible for competition (e.g., entries with serious disease or insect problems, under quarantine as specified under the California Department of Food and Agriculture or endangers the staff and/or public).

11. Although reasonable efforts will be undertaken to safeguard exhibitors' property, neither the State of California nor OC Fair & Event Center will be responsible for any loss, damage or theft of exhibitors' property brought on the premises during the OC Fair. Every precaution will be taken in the handling and exhibiting of entries.

JUDGING

Qualified judges will be selected by the program coordinator. The program coordinator may choose new judges each year, or judges may judge different Divisions from year to year. The judges are professionals and their decisions are final.

Judging is not open to the public. Judges reserve the right to remove or disqualify any entry in violation of the rules, in poor taste or not in accordance with the competition standards. They also have the authority to transfer to the correct Class any exhibit that does not meet the requirements of the Division or Class in which it was entered.

Judges are not obligated to reevaluate the awards given to other entries if an entry is disqualified or moved. Awards are not required to be given unless entries are of a minimum merit. ***No exhibitor shall be entitled to an award that has been disqualified as the result of their own error.***

Judging Criteria

All criteria for judging the horticulture competitions are listed in a separate document: [Horticulture Judging Criteria](#).

- Adult Divisions: 401-421
 - Placed using the American Judging System, wherein exhibits are ranked against one another.
- Youth Divisions: 9401-9421
 - Placed using the Danish Judging System, wherein each entry is judged individually on how well it meets a standard rather than how it compares to other entries. Multiple first, second and third places may therefore be awarded per Class.
 - Entries will then compete using the American Judging System for special placings (Best of Class, Division Winner and Best of Show).

Comment Sheets

Comment sheets are notes from the judges regarding the entry's performance. Comments from the current competition week will be made available on the relevant entry pick up date. They are also available for viewing or pick up any day of the competition week when OC Fair is open; ask the staff member at the exhibit's information table.
