

## **2026 Market Livestock Credential Policy**

**Exhibitor parking is at the Orange Coast College Lot E off Merrimac Way.** Shuttle service will be available from the parking lot to drop-off points at Gate 4 and Gate 5 (Gate 5 is located closest to Livestock). Exhibitors must enter and exit through OC Fair main entrances (Yellow Gate, Access Gate 5, Green Gate, Orange Gate or Blue Gate); Gate 5 and Yellow Gate are recommended for livestock exhibitors. All wristbands must be worn securely otherwise, the exhibitor risks having their credentials revoked by gate staff. The credential policy will be strictly enforced and is based on recommendations by the California Department of Food and Agriculture.

### **Livestock Exhibitors**

- Each exhibitor will receive one wristband and parking hangtag at weigh-in.
- Each exhibitor will be allowed to purchase *eight extra wristbands* for parents, guardians and friends or family.
- **Wristbands are \$10 each, cash, check or credit card payments accepted.**

### **4-H Leaders & FFA Advisors**

All entry paperwork (entry receipt, YQCA training and Megan's Law) or notice of exhibitor scratches must be received within one week of online entries closing (reference the 2026 Breeding Competition Guide for deadlines). Each leader, advisor and farmhand will be allowed to purchase eight extra wristbands during the sale times listed below.

**4-H:** All 4-H leader requests for wristbands must go through the 4-H Office, not the Livestock Office. Community club leaders will not receive a wristband unless they are also an animal leader.

**FFA:** All FFA Advisor and farmhand requests for wristbands must go through the Livestock Office. Only leaders and advisors that have members showing in their club or chapter and project will be given credentials.
