INTRODUCTION

The OC Fair Wine Competition consists of the Commercial Wine Competition, Home Wine Competition and Wine Label Design Competition. All these events are organized, staged and staffed by volunteer members of the Orange County Wine Society, Inc., a non-profit organization whose purpose is to promote the knowledge and understanding of wine, including winemaking and viticulture.

The Orange County Wine Society, Inc. is the co-sponsor of the competition, and is responsible for obtaining and classifying the wines, staging and conducting the actual competition.

Orange County Wine Society, Inc.

The Orange County Wine Society, a non-profit organization that promotes the knowledge and appreciation of wines, is dedicated to raising funds for college scholarships for institutions throughout California. The volunteers of the organization, while enjoying social events, wine tastings and trips throughout the year, are best known for coordinating the OC Fair Commercial Wine Competition and running the wine courtyard at the fair each year. Within the OCWS exists an active home winemaking group which, along with their passion for making fine wines, runs the Home Wine Competition, which is also showcased annually at the OC Fair.

Membership is open to adults who are interested in learning more about wine, winemaking and viticulture. The Society has one or two meetings per month and welcomes inquiries from interested potential members at any time. The Society is an educational, 501(c)(3) tax-exempt organization; therefore, contributions are fully tax deductible.

Wine Steering Committee

The Wine Steering Committee serves at the pleasure of the OC Fair & Event Center Board of Directors to oversee the Commercial Wine Competition. The committee approves the categories of wines to be judged and makes the final selection of award winners based on the judges' scores. The committee is composed of persons from various professions and considered by their peers as wine-knowledgeable.

THE COURTYARD & WINE DISPLAY

The purpose of The Courtyard during the OC Fair is to promote the knowledge and appreciation of California wines and winemaking and provide an opportunity to taste and discuss current award-winning wines. Award-winning wines from the Commercial Competition are displayed in The Courtyard. Tastes of these wines are also sold in The Courtyard.

The Courtyard will sell wine by the glass. The Courtyard and Wine Display are staffed by volunteers from the Orange County Wine Society who are happy to discuss the wines served, winemaking or wine appreciation in general. Funds raised at The Courtyard are used to offset the cost of the Commercial and Home Wine Competitions and support the Orange County Wine Society's scholarship program.

A Home Wine Competition display is also located in The Courtyard along with exhibits of Orange County Wine Society events.

HOW TO ENTER

Online Entry Deadline: Friday, May 17, 2024

- Review the Commercial Wine Competition Guidelines below.
- For complete rules and entry forms, visit info.WineCompetition.com or contact Orange County Wine Society at (714) 708-1636 or office@ocws.org.

Guidelines

- Eligibility: Only wine produced from grapes grown in California and commercially available for sale.
- Commercial availability requires that the wine be readily available for sale to Orange County merchants or consumers on July 1, 2024. The wine does not need to be present in Orange County for direct purchase at retail stores on that date to qualify. Wines sold online are eligible.
- Entry Size: Please submit six (6) 750 mL bottles or equivalent of each wine entered.
- Entry Fee: There is NO ENTRY FEE in this competition.
- All wines entered must meet BATF regulations and conform to applicable State of California laws regarding label terminology and designations.
- Wines not used for judging will be poured for public tasting during the OC Fair at the Wine Courtyard.

JUDGING

- The judging will take place under rigidly controlled conditions on June 1-2, 2024, based upon guidelines of the OC Fair Wine Steering Committee.
- All judging will be performed by wine professionals including vintners, winemakers or winery principals, all of whom travel to Orange County for the Competition.
- Judging is conducted "double-blind" wherein the judging panel and stewards will have no knowledge of who produced the individual wines being judged. Scoring will be on the recognized 100-point system.
- Each wine will be judged in appropriate price classifications for consumer-comparison benefit. Each classification will be judged separately based on entries in that classification alone, without reference to other wines in the same general category but in separate price classifications. There is further separation by residual sugar content so that dry and sweet wines are judged within their own category.
