3. All buildings, tents, or enclosures erected under the term of Rental Agreement shall have the prior approval of Association and the local fire suppression authorities. All eating concessions not restricted to specific items will submit menus and prices to Association for approval at least twelve (12) hours in advance of each day's operation.
4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Renter's trash, and such trash must not be swept into the aisles or streets or any public space.
9. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Renter agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. 12. Association may provide watchman service, which will provide for reasonable protection of the property of Renter's, but Association shall not be responsible for loss or damage to the property of Renter.
13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Renter must be removed from the buildings and grounds by Renter, at his own expense, no later than a date specified by Association. 14. No Renter will be permitted to sell or dispose of anywhere on the Fairgrounds alcoholic beverages as defined in the Alcoholic Beverage Control Act, except in the concession space. Even such limited sales are not to be made unless Renter is authorized in writing by Association and unless he holds a lawful license authorizing such sales on said premises.
15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.
18. Renter, by signing this contract, does swear under penalty that no more than one final unappealable finding of contempt of court by a Federal court has been issued against that contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of the National Labor Relations Board (Government Code Section 14780.5) (SAM Sec. 12127).
19. Renter recognizes and understands that this rental may create a possessory interest subject to property taxation and that the Renter may be subject to the payment or property taxes levied on such interest.
20. The Association shall have the privilege of inspecting the premises covered by this Agreement at any time or all times.
21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. 2. **Renter will conduct his business in a quiet and orderly manner; will deposit all rubbish, slop, garbage, tin cans, paper, etc. in receptacles provided by the Association within said concession plot for such purpose, and will keep the area within and surrounding said concessions free from all rubbish and debris.**
3. All buildings, tents, or enclosures erected under the term of Rental Agreement shall have the prior approval of Association and the local fire suppression authorities. All eating concessions not restricted to specific items will submit menus and prices to Association for approval at least twelve (12) hours in advance of each day's operation.
4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Renter's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Renter within or outside his space must be of such a nature and must be so operated as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Renter agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale shall be subject to the approval of the Association and the local law enforcement officials.

13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Renter must be removed from the buildings and grounds by Renter, at his own expense, no later than a date specified by Association. 14. No Renter will be permitted to sell or dispose of anywhere on the Fairgrounds alcoholic beverages as defined in the Alcoholic Beverage Control Act, except in the concession space. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.

21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Renter agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. 17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.

4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. 20. The Association shall have the privilege of inspecting the premises covered by this Agreement at any time or all times.
21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

2. **Renter will conduct his business in a quiet and orderly manner; will deposit all rubbish, slop, garbage, tin cans, paper, etc. in receptacles provided by the Association within said concession plot for such purpose, and will keep the area within and surrounding said concessions free from all rubbish and debris.**
3. All buildings, tents, or enclosures erected under the term of Rental Agreement shall have the prior approval of Association and the local fire suppression authorities. All eating concessions not restricted to specific items will submit menus and prices to Association for approval at least twelve (12) hours in advance of each day's operation.
4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Renter's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Renter within or outside his space must be of such a nature and must be so operated as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Renter agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale shall be subject to the approval of the Association and the local law enforcement officials.

12. Association may provide watchman service, which will provide for reasonable protection of the property of Renter's, but Association shall not be responsible for loss or damage to the property of Renter.
13. Each and every article of the space and all boxes, crates, packing material, and debris of whatsoever nature used in connection with the space and owned by Renter must be removed from the buildings and grounds by Renter, at his own expense, no later than a date specified by Association. 14. No Renter will be permitted to sell or dispose of anywhere on the Fairgrounds alcoholic beverages as defined in the Alcoholic Beverage Control Act, except in the concession space. 15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.
18. Renter, by signing this contract, does swear under penalty that no more than one final unappealable finding of contempt of court by a Federal court has been issued against that contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of the National Labor Relations Board (Government Code Section 14780.5) (SAM Sec. 12127).

20. The Association shall have the privilege of inspecting the premises covered by this Agreement at any time or all times.
21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.
22. Time is of the essence of each and all the provisions of this Agreement, and the provisions of this Agreement shall extend to and be binding upon and inure to the benefit of the heirs, executors, administrators, successors, and assigns of the respective parties hereto.

2. **Renter will conduct his business in a quiet and orderly manner; will deposit all rubbish, slop, garbage, tin cans, paper, etc. in receptacles provided by the Association within said concession plot for such purpose, and will keep the area within and surrounding said concessions free from all rubbish and debris.**
3. All buildings, tents, or enclosures erected under the term of Rental Agreement shall have the prior approval of Association and the local fire suppression authorities. All eating concessions not restricted to specific items will submit menus and prices to Association for approval at least twelve (12) hours in advance of each day's operation.
4. Renter will furnish Association with a list of all sales prices and other charges of any kind whatsoever to be charged by the Renter in said space(s).
5. Renter must furnish receipts for license fees, tax deposits, insurance, etc., prior to event.
6. Renter will conduct the privileges granted in the Rental Agreement according to all the rules and requirements of the State Department of Health Services and local health authorities, and without infringement upon the rights and privileges of others; will not handle or sell any commodities or transact any business whatsoever for which an exclusive privilege is sold by Association, nor engage in any other business whatsoever upon or within said premises or fairgrounds, except that which is herein expressly stipulated and contracted for; will confine said transactions to the space and privilege provided in the Rental Agreement, and that any and all exclusives granted Renter shall not include the Carnival and the Carnival Area.
7. Renter will cause to be posted in a conspicuous manner at the front entrance to the concession, a sign showing the prices to be charged for all articles offered for sale to the public under the Rental Agreement; the size of said sign, manner and place of posting to be approved by Association.
8. Association will furnish necessary janitor service for all aisles, streets, roads and areas used by the public, but Renter must, at his own expense, keep the concession space and adjacent areas properly arranged and clean. All concessions must be clean, all coverings removed, and the concession ready for business each day at least one hour before the Fair is open to the public. Receptacles will be provided at several locations to receive Renter's trash, and such trash must not be swept into the aisles or streets or any public space.
9. All sound-producing devices used by Renter within or outside his space must be of such a nature and must be so operated as not to cause annoyance or inconvenience to his patrons or to other Concessionaires or Exhibitors and the decision of Association as to the desirability of any such sound producing device shall be final and conclusive. Sound-amplification equipment may be installed within or outside any space only by first obtaining written permission thereof from Association.
10. Renter agrees that there will be no games, gambling or any other activities within the confine of his space in which money is used as a prize or premium, and that he will not buy and/or permit "buy backs" for cash, any prizes or premiums given away to patrons in connection with the use of the space. Only straight merchandising methods shall be used and all methods of operation, demonstration and sale shall be subject to the approval of the Association and the local law enforcement officials.

15. All safety orders of the Division of Industrial Safety, Department of Industrial Relations, must be strictly observed.
16. Failure of Association to insist in any one or more instances upon the observance and/or performance of any of these rules and regulations shall not constitute a waiver of any subsequent breach of any such rules and regulations.
17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective. Such termination shall relieve the Association of any further performance of the terms of this Agreement.

21. The parties hereto agree that Renter, and any agents and employees of Renter, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of Association.

17. This Rental Agreement shall be subject to termination by either party at any time during the term hereof by giving the other party notice in writing at least 30 days next prior to the date when such termination shall become effective.
