D. CONTRACT AWARD

Each Bidder's financial proposal is evaluated and scored by the Committee who utilizes the score sheet. Small Business preference will be given where applicable. The lowest potential cost is awarded the maximum points, thirty (30). Other proposals are awarded cost points based on the following calculation:

Lowest Proposer's Cost divided by other proposal - (factor) X maximum cost points = cost points for other proposer

(Example: Lowest cost proposal of \$75,000 divided by other proposal of \$100,000 = ¾ (factor) x 30 = 22.5 points award to other proposal)

If the contract is awarded, it shall be granted to the qualified responsible Bidder who receives the highest overall score. Prior to the Board of Directors of the 32nd District Agricultural Association awarding a contract, the District shall post a "Notice of Proposed Award" at the Administration Office for five (5) working days. In addition, a copy of the notice will be emailed to each Bidder.

A contract award is not final until:

- the time for posting notice of award has expired and/or
- protests filed, if any, have been withdrawn or rejected by the Department of General Services.
- It is approved by the District Board of Directors during a public meeting. The District Board of Directors, in its sole and absolute discretion, may decide not to approve any contract following the RFP process and the District shall have no obligation to reimburse any Bidder for any costs of fees incurred as a result of this RFP.

Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to Bidders who qualify as a small business. The rules and regulations of this law, including the definition of a small business for the delivery of service, are contained in Title 2, California Code of Regulations, Section 1896, et seq. If Bidder is claiming the 5% small business preference, a copy of Bidder's OSDS Small Business Certification should be submitted with the proposal (Print from <https://caleprocure.ca.gov/pages/PublicSearch/supplier-search.aspx> is also acceptable)

Non-small business Bidders may be granted a five percent (5%) non-small business subcontractor preference on a bid evaluation when a responsible non-small business Bidder includes notification that it commits to subcontract at least twenty five percent (25%) of its net bid price with one or more small businesses. Bidder must submit a list of the small businesses it commits to subcontract with for a commercially useful function in the performance of the contract. The list of sub-contractors shall include the subcontractor's name, address, phone number, description of work to be performed and dollar amount of percentage for each subcontractor.

Small business preference qualification information must be included in all bid documents. This must include procedures for claiming small business preference, microbusiness preference, and non-small business contractor/small business subcontractor preference processes. *Note: A non-small business, which qualifies for this preference, may not take an award away from a certified small business.*

I. INSURANCE

The Bidder awarded the contract shall provide a signed, original Certificate of Insurance in the minimum amounts of commercial general liability coverage and automobile liability insurance per occurrence for bodily injury and property damage liability combined, as outlined in Section C, Exhibit E – Insurance Requirements. The Certificate of Insurance shall be furnished to the District fifteen (15) days prior to contract start date. The certificate must include the following, unless the Bidder is on the Division's or CFSA's Master Insurance Certificate List:

- Evidence of authorized insurance for the term of the contract, which includes setup and teardown;
- A 30-day cancellation notice;
- The District's name and address shown as the certificate holder; and

Pre-contractual expenses are defined as expenses incurred by Bidder in: 1) Preparing the proposal in response to this request; 2) Submission of said proposal to the District; 3) Negotiating any matter related to this proposal; 4) Any travel expenses in conjunction with this proposal, and 5) Any other expenses incurred by Bidder prior to contract commencement date.

K. SIGNATURE

The Proposal Forms, Certifications, Letters, and all Documents must be signed with the firm's name as indicated. A proposal by a corporation must be signed by a duly authorized officer, employee or agent.

L. PRE-AWARD AUDIT

Prior to contract award, the selected Bidder may be required to undergo an audit of their proposed costs and prices. The District will conduct the audit for the purpose of determining whether the Bidder's prices are fair and reasonable.

M. SINGLE PROPOSAL RESPONSE

If only one responsive proposal is received in response to this RFP and it is found by the District to be acceptable, additional detailed costs or financial data may be requested of the single Bidder. A cost or financial analysis, possibly including an audit, may be performed by or for the District in order to determine if the proposal is fair and reasonable. The Bidder has agreed to such analysis by submitting a proposal in response to this RFP.

A cost analysis is a more detailed evaluation of the cost elements in the Bidder's Financial Proposal Bid Form. It is conducted to form an opinion as to the degree to which the proposed costs represent what the Bidder's performance should cost. A cost analysis is generally conducted to determine whether the Bidder is applying sound management in proposing the application of resources to the operation effort, and whether costs are allowable, allocable and reasonable. Any such analyses and the result there from shall not obligate the District to accept such a single proposal and the District may reject such proposal at its sole and exclusive discretion.

N. NON-ASSIGNMENT

Any attempt by Contractor to assign, subcontract or transfer all or part of this agreement shall be void and unenforceable without the District's prior written consent; which consent shall not be unreasonably withheld. Any such consent shall not relieve Contractor from full and direct responsibility for all services performed prior to the date of assigning, subcontracting or transferring this agreement.

O. LOSS LEADER

It is unlawful for any person engaged in business within this state to sell or use any article or product as a "loss leader" as defined in Section 17030 of the Business and Professions Code.

P. UNANTICIPATED TASKS, TIME OR DELIVERABLES

In the event unanticipated deliverables, additional time or additional work must be performed that is not identified in this RFP, but in the District's opinion is necessary to successfully accomplish the statement of work or technical specifications, the District may initiate a contract amendment to add time, deliverables or tasks. Unless otherwise indicated, all stipulated terms and conditions appearing in the resulting contract including fixed costs, unit pricing, expenses or rate will apply to any additional work.

PART III

RULES GOVERNING COMPETITION & TECHNICAL EVALUATION

2. Errors and Requests for Additional Information

In the opinion of the District, this RFP is complete and without need of explanation:

If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in this RFP, he/she shall immediately notify the District of such error in writing addressed to the contact person listed on the cover page and request modification or clarification of this document.

Bidders that may have questions, or need any clarifying information or additional information, should submit in writing via email to the contact person listed on the cover sheet of this RFP. Bidders must submit questions by the date and time specified in the Tentative Schedule (see Part II – General Information). Modifications will be made in writing by way of an addendum issued pursuant to paragraph 3 below.

3. Addenda (Changes to the RFP)

Prior to award of a contract, the General Provisions, Statement of Work to be Performed, Addenda and all forms and documents of this RFP constitute the potential contract. Any requests to change any of these documents must be submitted according to the instructions "Errors and Requests for Additional Information" above. All changes to this RFP will be made by written addendum. Clarifications will be provided by written notice to all parties to whom the District had sent notice of the RFP and to persons or entities who have requested to be provided notice of any modifications or notices. There will be no oral changes. Oral communications are not binding.

The effect of all addenda to the contract documents shall be considered in Bidder's proposal and the addenda shall be made a part of the contract documents. It is the Bidder's responsibility to review their final submittal and ensure it has addressed all components in the original RFP and any addenda.

Important: It is the Bidder's responsibility to confirm in writing receipt of all addenda issued to this RFP before submitting a proposal. Failure to confirm in writing receipt of all addenda in any proposal will render the proposal non-responsive and result in its rejection.

Acknowledgment of all addenda must be noted by the Bidder on the Financial Proposal Form in the space provided. The District reserves the right to change or cancel the RFP opening date for its own convenience and at its sole and absolute discretion.

4. Definitions

The use of “shall,” “must” or “will” indicates a mandatory requirement or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal. In the Scope of Work, all mandatory requirements are indicated by an asterisk (*), see Part V.

The words “should” or “may,” indicate a desirable attribute or condition, but are permissive in nature and may affect the score the proposal receives.

5. Grounds for Rejection of the Proposal

A proposal shall be rejected if:

- It is received at any time after the exact time and date set for receipt of proposals as stated in Part II – General Information, Sections C and E.
- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP as listed in Part VII – Mandatory Format and Content Requirements.
- The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.
- It is incomplete and/or unsigned.

A proposal may be rejected if:

- It contains false or misleading statements or references, which do not support attributes or conditions, contended by the Bidder. (The proposal shall be rejected if the District determines, in its sole and absolute discretion, that the information was intended to mislead the District in its evaluation of the proposal and the attribute, condition or capability of this RFP.)

6. Right to Reject Any or All Proposals

It is the policy of the District not to solicit proposals unless there is a bona fide intention to award a contract. However, the District may, at its sole and absolute discretion, reject any or all proposals; re-advertise this RFP; postpone or cancel, at any time, this RFP process, or waive any irregularities in this RFP. The decision as to who shall receive a contract award, or whether or not an award shall ever be made as a result of this RFP, shall be at the sole and absolute discretion of the District.

7. Protests

A Bidder may file a protest against the awarding of the contract. The protest must be filed with both the District and the Department of General Services (DGS) at:

- Department of General Services
Office of Legal Services
Attention: Protest Coordinator
707 Third Street, 7th Floor, Suite 7-330

- 32nd District Agricultural Association dba OC Fair & Event Center
Business Services Department
Attention: Business Services Supervisor

88 Fair Drive
Costa Mesa, CA 92626
Email: RFP@ocfair.com

Protests may be sent by regular mail, email, courier or personal delivery. Protestors should include their fax numbers when possible.

The protest must be received prior to the expiration of five (5) working days from notice of the proposed award being posted and, in no event, later than 5:00 p.m. on the fifth (5th) working day after notice of proposed award was posted in a public place at the District's Administration Office.

IN ADDITION, within five (5) days after filing the protest, the protesting Bidder shall file with the District and the Department of General Services, Legal Office, a fully detailed and complete written statement specifying the grounds for the protest.

PLEASE NOTE, failure to file notice of protest by the conclusion of the fifth (5th) working day after notice of intention to award a contract has been posted and a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest will result in the protest being deemed untimely and grounds for protest waived. Protests shall be limited to the grounds contained in Public Contract Code, Section 10345.

B. OTHER INFORMATION

1. Dispositions of Proposals

All materials submitted in response to this RFP will become the property of the District. All proposals, evaluation and scoring sheets shall be available for public inspection at the conclusion of the Committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the District will assess a fee to cover duplicating costs. Documents may be returned only at the District's option and at the Bidder's expense. Two (2) copies of the proposal shall be retained for official District files.

2. Confidentiality of Proposals

The District will hold the contents of all proposals in confidence until issuance of the Notice of the Proposed Award; once issued and posted, no proposal will be treated as confidential. However, if a Bidder maintains that certain information is proprietary, all proprietary or other legally protected material must be identified at the time of submitting the proposal to retain the claim of confidentiality. Bidder acknowledges that all materials submitted in response to this RFP, including proprietary materials, are subject to the California Public Records Act.

The materials may be used by the District to justify the awarding or not awarding of a contract if a protest is filed. The District will not be liable for inadvertently releasing confidential materials although the District will use the best efforts to prevent the release of said materials.

3. Modification or Withdrawal of Proposals

Any proposal which is received by the District before the time and date set for receipt of proposals may be withdrawn or modified by written request of the Bidder. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals in Part II – General Information.

A Bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "This proposal and the cost estimate are valid for 60 days," is non-responsive to the RFP.

PART IV

HISTORY & GENERAL INFORMATION

The OC Fair & Event Center (OCFEC) is a 150-acre multi-use property owned and operated by the 32nd District Agricultural Association (the “District”), a California state institution. The District is subject to the oversight of various state agencies, including the California Department of Food and Agriculture, Division of Fairs & Expositions. The OC Fair & Event Center is used throughout the year for both public and private events, and educational and community activities. The OC Fair & Event Center hosts over 150 events throughout the year and self-produces the annual OC Fair & Imaginology events, in addition to managing the Pacific Amphitheatre, an 8,200-seat outdoor amphitheater.

The OC Fair & Event Center features 157,000 square feet of unique event space including 17 exhibit buildings, meeting rooms and outdoor spaces – all available for rent throughout the year.

The property includes Centennial Farm, a three-acre working farm which educates the public, including over 100,000 school children through field trips, on the importance of agriculture in our daily lives. Centennial Farm features farm animals, California specialty crops and the “Table of Dignity” memorial honoring the work of Orange County agricultural workers.

Heroes Hall, located at the OC Fair & Event Center, is a permanent museum and education center honoring the legacy of veterans through rotating exhibitions, performances and educational programs. It features a restored two-story World War II era barracks building and an impressive Medal of Honor Courtyard honoring those who serve our nation.

The OC Fair & Event Center is home to the annual OC Fair, one of the most anticipated community events in Orange County. The OC Fair is a 23-day event held over a period of 31 days during July and August, and is open Wednesday through Friday from noon to midnight, and Saturday and Sunday from 11 a.m. to midnight. Attendance at the OC Fair has exceeded 1.3 million guests for several years. The 2019 OC Fair dates are July 12 – August 11. The 2018 OC Fair dates were July 13 through August 12.

The OC Fair has launched a three-year theme series focusing on agriculture with the emphasis in 2017 on Food, in 2018 on People and in 2019 on the Environment. “Farm Fresh Fun” was selected for the 2017 OC Fair theme, and “Free Your Inner Farmer” was the theme for the 2018 OC Fair. The theme for the 2019 OC Fair is Acres of Fun.

The Pacific Amphitheatre is used periodically throughout the year for live performances and events, and is home to a 23-day concert series during the annual OC Fair featuring headline musical acts and comedian performances. In recent years, the 23-day concert schedule has also included additional concerts before and after the annual OC Fair. The Pacific Amphitheatre is also the host venue for the Pacific Symphony’s summer concert series.

Imaginology takes place annually in April over a three-day weekend. The popular event features S.T.E.A.M. (Science, Technology, Engineering, Art & Math) workshops, demonstrations, competitions and hands-on activities, providing students with the resources needed to freely explore their imaginations. Professionals from various fields such as electronics, robotics, agriculture and creative arts are available to give participants a glimpse of future career paths. Imaginology attracts over 30,000 guests per year.

OCFEC also features two additional programs for the public that are independently operated. The equestrian center includes barns, riding arenas and other facilities supporting the equine community, and is used by private boarders and trainers. Members of the public are welcome to visit. The OC Market Place offers shopping and entertainment on most weekends and is open for the public to enjoy. Both programs are operated by independent contractors pursuant to agreements with the District.

Under the California Food and Agricultural Code, responsibility for managing the affairs of the District is assigned to a nine-member Board of Directors (the "Board") appointed by the Governor of the State of California. In accordance with the provisions of the California Food and Agricultural Code, the Board has delegated certain responsibility for managing the day-to-day affairs of the District to the Chief Executive Officer, who reports directly to the Board. The terms and parameters of this delegation are set forth in a series of institutional policies that are adopted by the Board from time to time. The Board also adopts policies with respect to its own governance practices. These policies are set forth in the Board's Governing Policy Manual. The Board has decided to conduct a comprehensive review of its Governing Policy Manual and, to this end, the Chair of the Board has appointed two Directors to serve on an ad hoc committee charged with facilitating the review process on behalf of the Chair (the committee is referred to in this RFP as the "Ad Hoc Board Governance Review Committee" or as the "Committee").

During the OC Fair, services shall be provided daily based upon notification given the prior night from the District, Monday through Sunday, and fully completed by no later than 9 a.m. (including return of "S" refuse compactors and roll-off refuse containers to the District). Outside of Fair Time, services shall be provided within twenty-four (24) hours upon notification from the District, Monday through Saturday, with pickup between the hours of 7:00 a.m. and 1:00 p.m. such that services are fully completed by no later than 3:30 p.m. (including return of "S" refuse compactors and roll-off refuse containers to the District). **The time deadlines for completion of services are firm.** Failure to complete service by the deadlines stated herein shall result in a penalty for non-performance equal to the full cost of load(s) picked-up/delivered late, including both hauling fee and disposal fee. **Three (3) instances of non-performance shall constitute default of the agreement and rebidding of the contract.**
2. All pick-ups and returns shall be coordinated through the District's Facilities Department Office Personnel.

Specifically:

- a. The District's Facilities Department Office Personnel shall order services;
- b. District will provide a list of Facilities Department Office Personnel who are authorized to request services or provide instructions to Contractor. These authorized individuals shall be the only points of contact while drivers are on District grounds. Contractor shall not accept instructions from or convey information to anyone not listed;
- c. Contractor's driver(s) shall sign in with the District's Facilities Department Office Personnel and present a copy of the dispatch ticket reflecting the driver's name prior to securing the haul or dropping off new containers;
- d. Driver shall sign the certified weight ticket printed at the weigh station/drop off location;

- e. For "S" refuse compactors and roll-off refuse containers, driver shall return empty units to the District within 1.5 hours of pick-up and present the original certified weight ticket to the District's Facilities Department Office Personnel. District is agreeable to negotiating a turn-around time greater than 1.5 hours upon written request from the Contractor, provided such request demonstrates the distance to the disposal site and typical traffic circumstances warrant such an extension;
 - f. District shall make and retain a copy of the certified weight ticket;
 - g. For pick-up loads with no return to the District, the certified weight ticket reflecting delivery within 1.5 hours of pick-up shall be faxed or scanned and emailed to the district within 24 hours;
 - h. Delivery of 10-cubic yard and 40-cubic yard roll-off containers shall be visually examined by District's Facilities Department Office Personnel to confirm containers are clearly marked with Contractor's company name and/or logo, are in proper operating condition with all guards in place, and are maintained and cleaned in a professional, like-new/gently used condition. Photos provided by Contractor in response to this RFP shall be representative of all equipment used in the performance of these services for the duration of the contract term;
 - i. District retains the right to audit the Contractor for adherence to these procedures at any time during the term of the contract; and
 - j. District retains the right to modify these procedures in any way during the term of the contract to ensure accuracy of the billing for services received.
3. All dumping and/or diversion must take place at legal dumpsites and/or diversion sites. A list of all facilities to which District's loads may be delivered during the term of the contract (MRF, transfer station or dump) shall be provided and maintained with the District's Facilities Department.
 4. Contractor shall bear responsibility for notifying District prior to removal of any containers believed to exceed the legal weight limit for transport. If Contractor suspects load exceeds the maximum allowable limit, Contractor shall allow the District a reasonable amount of time to reduce load, without incurring any additional fees, prior to removal and disposal. The District shall pay the contracted Transport Fee per haul, plus the Disposal Fee as calculated by the result of the weight hauled/disposed multiplied by the contracted Disposal Fee per Ton. No other fees will be allowed. **Contractor shall bear full responsibility for loads once they leave District's facility, including penalties or fines for loads in excess of legal weight limits or discharged leaving the containers.**
 5. Contractor shall adhere to all waste management policies and reporting requirements as stipulated by federal, state, county and city government agencies, including, but not limited to, California AB341 and California AB75.
 6. Contractor shall deliver quarterly reporting to the District reflecting tons collected and tons recycled for the prior quarter.
 7. Container Requirements:
 - A. All containers shall have working ladders. Containers shall also be free of holes in the sidewalls or floor, which would otherwise allow waste to escape onto District property.
 - B. Containers shall be free from dangerous protrusions such as metal tears in the sidewalls or broken ladders.
 - C. All wheels and lids (where applicable) must be in proper working form.
 - D. The District reserves the right to turn away any container that does not meet the above requirements. If the container has refuse in it at the time of arrival, the District representative shall identify the container as not meeting requirements. The Hauler will then remove and dump the container at the Hauler's expense.

PART VI

EVALUATION, SELECTION & SCORING PROCESS

Each proposal shall be evaluated for responsiveness to the District's needs as described in this RFP. This part describes the process the District will follow when evaluating and scoring proposals and awarding the contract, if any is awarded, and contains the exact scoring criteria to be used. During the evaluation and selection process, the Committee may wish to interview a Bidder for clarification purposes only. The Bidder will not be allowed to ask questions concerning other Bidders, but only to respond to clarification questions from the Committee. Proposals cannot be changed by the Bidder after the time and date designated for receipt.

A. EVALUATION AND SELECTION PROCESS

1. Following the deadline for receipt of proposals as stated in Part II, each proposal will be examined to determine if:
 - submittal (receipt) was by the deadline time and date, and
 - the physical format requirements were met.

This is not a public review.

2. Proposals that meet the submittal format requirements, as stated in the previous paragraph, will be submitted to the Committee for:
 - review of the proposal,
 - confirmation the information is presented in the format required by the RFP, and
 - that all required documentation is included and correct.

Proposals that do not present the information in the format required may be rejected as non-responsive.

This is not a public review.

3. The District reserves the right to verify any references and employment experiences referenced or disclosed in this proposal or to ascertain the accuracy of information presented. Misinformation or inaccuracies are grounds for disqualification or receipt of a lower score.
4. The Committee will evaluate each proposal that meets the format requirements of preceding paragraph two, and assign points for the proposal.

This is not a public review.

5. The Committee may request interviews of the Bidders for clarification of proposals. Following any interviews, the proposals may be re-scored.

This is not a public review.

6. Small Business Bidders, who have included in their proposal a copy of their Small Business Certification, shall be granted a preference of five percent (5%) and SB/DVBE Incentive will be given, where applicable and up to 5%. The "Financial Proposal Bid Form" will be used to determine the not to exceed amount of the contract.
7. To obtain the average score for each proposal, the total points of all reviewers will be added and divided by the number of Committee members.

8. In the event of a tie in determining the successful Bidder, the tie will be broken by a toss of a coin by a member of the Committee and in the presence of authorized representatives of the tied Bidders.
9. All Bidders will be notified of the results.

B. SCORING PROCESS

All responsive proposals will be evaluated using the following weighted scoring method. A maximum of one hundred (100) total points is possible. The proposal will be scored according to the quality of the response, both physical and interpretive, for the following criteria. The Bidder who receives the highest score will be awarded the contract.

The Committee reserves the right to visit a qualified Bidder’s place of business for an onsite inspection of the operation before the final scoring process is completed. The Committee reserves the right to visit a site presently being serviced by qualified Bidder before final scoring process is completed.

Scoring categories correlate to the items found in Part VII – Mandatory Format and Content Requirements, Sections C and D. Scoring shall be based upon the quality and applicability of the response for each category.

2. Licenses, Permits and Certifications

Contractor shall be an individual or firm licensed to do business in California and shall obtain at his/her expense all license(s), permits(s) and certification(s) required by law or as part of this contract for accomplishing any work required in connection with this agreement. In the event any license(s), permit(s) or certification(s) expire at any time during the term of this contract, Contractor agrees to provide agency a copy of the renewed license(s), permit(s) or certification(s) within thirty (30) days following the expiration date.

In the event the Contractor fails to keep in effect at all times all required license(s), permit(s), and certification(s), the District may, in addition to any other remedies it may have, terminate this contract upon occurrence of such event.

6. Personnel

The District reserves the sole absolute right to determine, at its discretion, that any person or agent used by Contractor in the performance of the contract shall be excluded from such performance on the grounds that his or her appearance or conduct is detrimental to the District's operation. Determination of these matters by District Management shall be final.

7. Potential Subcontractors/Independent Contractors

Nothing contained in the ensuing Agreement or otherwise shall create any contractual relation between the District and any subcontractors/independent contractors, and no subcontract shall relieve the Contractor of his/her responsibilities and obligations contained herein. The Contractor agrees to be as fully responsible to the District for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor.

The Contractor's obligation to pay its subcontractors/independent contractors is an independent obligation from the District's obligation to make payments to the Contractor. As a result, the District shall have no obligation to pay or to enforce the payment of any monies to any subcontractor/independent contractor.

8. Suppliers

Nothing contained in the ensuing Agreement or otherwise shall create any contractual relation between the District and any suppliers.

The Contractor agrees to be as fully responsible to the District for the acts and omissions of its suppliers and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. Upon contract award and throughout the duration of the contract, Contractor shall work with the District to ensure invoicing needs are continually met.

11. Payment

Payments to the Contractor will be made by the 32nd District Agricultural Association and paid in full within 30 days upon satisfactory completion of each event and receipt of proper invoice.

12. Pricing/Financial Proposal Bid Form

The Financial Proposal Bid Form will be used to develop the “not to exceed” amount of the contract. The estimated quantities provided are based upon historical experience and anticipated future needs, and may change depending upon actual needs/usage. Billing/invoicing will be determined by multiplying actual usage by the Service Type rate as entered on the Financial Proposal Bid Form.

The District may elect to add a contingency line item to accommodate specifications within the scope of the effort, if approved by the District, during the implementation of this contract.

13. Megan’s Law Screening

All of Contractor’s employees, agents, servants, volunteers, independent contractors and/or employees, agents, servants, volunteers, independent contractors of Contractor’s subcontractors who will be performing job related duties on District premises must pass background checks under “Megan’s Law” as required by the District’s current Megan’s Law policy (and as that policy may be amended by the District from time to time), and any other reasonable background checks that may be required by the District as a result of policies adopted by the District’s Board of Directors. Contractor will certify in writing that they have conducted the required screening and will indemnify the District for any negligence arising out of or connected with their obligations pertaining to the required screening. Contractor shall not be held liable for the lack of or inaccuracies in reporting made available by the states. A full, true and correct copy of the District’s current Megan’s Law policy is attached.

14. Right to Replace/Dismiss

Contractor’s onsite personnel are subject to approval of the District during the entire term of contracted services. The District has the right, in accordance with applicable law, to require replacement of Contractor’s onsite personnel or any member of Contractor’s onsite personnel.

If at any time the District determines that any employee, agent or officer of Contractor, or of Contractor’s permitted subcontractors, is in violation of District policies regarding harassment, discrimination or offensive behavior or Megan’s Law, or fails to meet the District’s safety and customer service standards, the District may notify Contractor verbally and/or in writing. Contractor will promptly correct the behavior, performance or condition giving rise to the notification described herein to the satisfaction of the District. If Contractor fails to correct the behavior, performance or condition giving rise to the notification described herein, the District may demand that Contractor (or Contractor’s subcontractor, as the case may be) cease using said employee at the District’s facilities and Contractor (or Contractor’s subcontractor, as the case may be) will promptly comply with such request. If the District requests replacement of onsite personnel or any of its members, Contractor must furnish a replacement immediately or as otherwise determined necessary by the District. Nothing contained in this paragraph shall obligate the District to monitor the behavior of Contractor’s employees or of Contractor’s subcontractor’s employees. The District retains the right to review the resumes of all Contractor personnel and confirm compliance to the requirements set forth in this RFP.

15. Gratuities

Contractor is prohibited from offering any gift or gratuity to employees and/or officers of the 32nd District Agricultural Association, as employees and officers are not permitted to accept them under any circumstances. Contractor and/or Contractor's employees shall not solicit or accept any gifts. This includes cash, tickets, food, drinks, merchandise or any other items from District staff, promoters and/or vendors to perform the functions detailed in this agreement. Any violations of this policy may result in the dismissal of the employee and a performance violation notice issued to the Contractor.

16. Evaluation of Contractor Performance

Contractor will be evaluated on their performance, including, but not limited to, Contractor's record of conforming to contract requirements and to standards of good workmanship; Contractor's record of forecasting and controlling costs; Contractor's adherence to contract schedules, including the administrative aspects of performance; Contractor's history of reasonable and cooperative behavior and commitment to customer satisfaction; Contractor's record of integrity and business ethics, and generally, Contractor's business-like concern for the interest of the District and its customers.

Contractor shall work with District staff to ensure contract compliance, whether by phone, email or in-person meetings, as determined necessary by the District. The District retains the right to notify Contractor of any performance issues at any time for the duration of the contract term. Notification will be provided in writing to Contractor, whereupon Contractor shall have five (5) days to respond to the District's request for compliance. Unless mutually agreed upon otherwise, performance issues shall be corrected within fifteen (15) days of District's notification to Contractor.

Failure to supply equipment and/or personnel as required may result in a notice of default and/or an adjustment to the fees charged for equipment and/or labor.

Contractor may be disqualified from potential bidding opportunities if the District deems Contractor as unresponsive to repeated requests for corrective action.

17. Non-Exclusive Agreement
