EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OC FEC Business Partner customer-facing employees. All OC FEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OC FEC and/or patronize an OC FEC Business Partner. For the benefit of the public, OC FEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OC FEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OC FEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OC FEC Business Partner fails to comply with event attendance limitations, the OC FEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OC FEC BUSINESS PARTNER COMPLIANCE

OC FEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OC FEC Business Partner fails to comply with these COVID-19 Guidelines, the OC FEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OC FEC, OC FEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OC FEC Business Partner, OC FEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OC FEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OC FEC Business Partner is then participating in the activities.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures

SA-061-22SP

QC Manufacturing, Inc.

for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

When one (1) show only is presented and condition(s) beyond the control of the Contractor and District which would prevent the start of the show at the scheduled time it is mutually agreed that the show can be delayed a maximum of 90 minutes to correct such condition and to present herein.

Provided, however, that in no event shall Contractor be obligated to defend or indemnify the 32nd District Agricultural Association, the OC Fair & Event Center, or the State with respect to the sole negligence or willful misconduct of the 32nd District Agricultural Association, the OC Fair & Event Center, the State, or their respective employees, or agents (excluding the Lessee herein, or any of its employees or agents).

EXHIBIT E – THE HANGAR HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)

Contractor acknowledges that Contractor acts under this Agreement as an independent contractor charged with the responsibility, in Contractor's sole discretion, for selection, performance, reproduction and use of such musical, literary and artistic works as contractor deems appropriate and that Contractor undertakes strict compliance with all laws respecting copyrights and the performance, reproduction and use of musical, literary and artistic works.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OC FEC Business Partner customer-facing employees. All OC FEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OC FEC and/or patronize an OC FEC Business Partner. For the benefit of the public, OC FEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OC FEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OC FEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OC FEC Business Partner fails to comply with event attendance limitations, the OC FEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OC FEC BUSINESS PARTNER COMPLIANCE

OC FEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OC FEC Business Partner fails to comply with these COVID-19 Guidelines, the OC FEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OC FEC, OC FEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OC FEC Business Partner, OC FEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OC FEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OC FEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OC FEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OC FEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OC FEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OC FEC rejects the OC FEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OC FEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OC FEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OC FEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. 8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

- 2). If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

2. LABOR CODE/WORKERS' COMPENSATION:

4. CONTRACTOR NAME CHANGE:

An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

EXHIBIT E – THE HANGAR HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Prior to date of performance, all performers shall submit to the District proof of valid Workers' Compensation Insurance coverage for all of their employees, unless performer has certified on Payee Data Record – STD. 204, that he/she is a sole proprietor and has no employees. It is mutually agreed that the District is relying upon the Contractor's specific representation and warranty that it has the proper Workers Compensation Insurance and that the Contractor will indemnify and hold harmless the District in the event it did not have the insurance.

Contractor further certifies that by signing this Agreement, Contractor will comply with such provisions under Section 3700 of the California Labor Code, which requires every employer to be insured against liability for workers compensation claims or to undertake self-insurance in accordance with the provisions of the Code immediately upon hiring any employee and before commencing the performance of this Agreement.

INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless the 32nd District Agricultural Association, the OC Fair & Event Center, the State District and their respective agents, directors, and employees from and against all claims, damages, losses, and expenses, of every kind, nature and description (including, but not limited to, attorneys fees, expert fees, and costs of suit), directly, or indirectly, arising from, or in any way related to the performance or nonperformance of this Agreement, regardless of responsibility of negligence; by reason of death, injury, property damage, or any claim arising from the alleged violation of any state or federal accessibility law, statute or regulation, (including but not limited to, the Americans With Disabilities Act, and/or any state, local, successor, or comparable provision of law) however caused or alleged to have been caused, and even though claimed to be due to the negligence of the State. Provided, however, that in no event shall Contractor be obligated to defend or indemnify the 32nd District Agricultural Association, the OC Fair & Event Center, or the State with respect to the sole negligence or willful misconduct of the 32nd District Agricultural Association, the OC Fair & Event Center, the State, or their respective employees, or agents (excluding the Lessee herein, or any of its employees or agents).

COPYRIGHT INFRINGEMENT INDEMNIFICATION

Contractor warrants and represents that no musical, literary, or artistic work or other property protected by copyright will be performed, reproduced or used in the performance of this Agreement unless Contractor has previously thereto obtained written permission from the copyright holder or is otherwise exempt under 17 U.S.C. §§110:

"notwithstanding the provisions of Section 106, the following are not infringements of copyright:...

(6) performance of a nondramatic musical work by a governmental body or a nonprofit agricultural or horticultural organization, in the course of an annual agricultural or horticultural fair or exhibition conducted by such body or organization; the exemption provided by this clause shall extend to any liability for copyright infringement that would otherwise be imposed on such body or organization, under doctrines of vicarious liability or related infringement for a performance by a concessionaire, business establishment, or other person at such fair or exhibition, but shall not excuse any such person from liability for the performance."

EXHIBIT E – THE HANGAR HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)

Contractor acknowledges that Contractor acts under this Agreement as an independent contractor charged with the responsibility, in Contractor's sole discretion, for selection, performance, reproduction and use of such musical, literary and artistic works as contractor deems appropriate and that Contractor undertakes strict compliance with all laws respecting copyrights and the performance, reproduction and use of musical, literary and artistic works.

Contractor warrants that in the performance of this Agreement, Contractor will not infringe any statutory, common law or other right of any person in performing, reproducing or otherwise making use of any work or material. Contractor will indemnify, save and hold harmless the State and its agencies, including District, and their officers, agents, employees and servants from and against all claims, costs, and expenses (including legal fees), demands, actions and liability of every kind and character whatsoever with respect to copyright and the performance, reproduction and use of musical, literary and artistic works. Contractor authorizes the withholding of payment under this Agreement pending the final disposition of any claim which may result from the foregoing indemnification.

MISCELLANEOUS

The performance may be emceed by (i.e. "welcomed by") a local market radio station personality. In no way shall this be considered a "co-promotion" or "presented by" situation. Contractor shall be informed of the station selected prior to the engagement.

PROMOTIONAL MATERIAL AND ADVERTISING

Contractor shall provide to the District any and all available materials, specifically to include biographical information, photographs, audio and/or video tapes (beta only) for District's use in promotional, collateral and advertising material for this event/performance.

All promotional, collateral and advertising material for the event will be developed and approved by the District. This material will be executed in a festival-style approach. All Contractor names including spelling, capitalization, and addendums must be designated in contracts. Changes cannot be made after the contract has been finalized.

Contractor will not have prior approval of any Fair-related promotional or advertising material. All Contractor guidelines must be outlined in contracts and will be incorporated as indicated.

No preferential changes of images provided by Contractor's management or publicity agents will be permitted unless provided image is no longer valid due to personnel changes.

CONTRACTOR COMPLIMENTARY TICKETS

The District will provide the Contractor with a reasonable number of complimentary concert tickets. The amount will be negotiated at the point of booking and any tickets past that amount must be purchased by the Contractor. Should the show carry a co-headliner, support or an opening act, that number will be reduced proportionately. Contractor's guests will be subject to a parking charge at the event. If available, the Contractor may purchase additional tickets through the OC Fair box office.

DRUGS & PARAPHERNALIA

The District has enacted a very strict anti-drug policy for the facility. As such, Contractor agrees that Artist shall not discuss illegal drug use, use illegal drugs, employ gestures mimicking the use of illegal drugs, or show paraphernalia employed in the use of illegal drugs during Artist's performance or at any time while Artist is on stage.

PROFANE OR OBSCENE LANGUAGE

This is a State of California facility and all performances will be viewed by adults and children alike. The use of profane or obscene language or gestures will not be tolerated. Any display of such language or gestures by any contracted performer, their crew, or their representatives or associates while in the view or earshot of any Fair guest will be a finable offense subject to ONE THOUSAND DOLLARS (\$1,000.00) per incident and may preclude Contractor from future performance opportunities at the OC Fair.

EXHIBIT E – THE HANGAR HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)

OFFENSIVE OR POLITICAL STATEMENTS OR PROPS

Making or displaying political or controversial statements, slogans, flags (specifically the Confederate flag) or emblems as part of branding or decoration will not be tolerated. Any display by any contracted performer, their crew, or their representatives or associates while in the view of any Fair guest will be a finable offense subject to ONE THOUSAND DOLLARS (\$1,000.00) per incident and may preclude Contractor from future performance opportunities at the OC Fair.

CONFLICT OF LAWS OR TERMS

It is expressly understood and agreed that this Agreement shall be governed by the laws of the State of California both substantive and procedural. In the case of conflict between the District/State Documents and Contractor's Documents, the District/State Documents shall prevail if the parties can not mutually agree upon a resolution of the conflict.

CONTRACTOR'S POWER AND AUTHORITY

Contractor or Contractor's designee as signatory to this Agreement is empowered and has the authority to enter into this Agreement and bind Contractor to the terms and conditions contained herein. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFAEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFAEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OC FEC Business Partner customer-facing employees. All OC FEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OC FEC and/or patronize an OC FEC Business Partner. For the benefit of the public, OC FEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OC FEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OC FEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OC FEC Business Partner fails to comply with event attendance limitations, the OC FEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OC FEC BUSINESS PARTNER COMPLIANCE

OC FEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OC FEC Business Partner fails to comply with these COVID-19 Guidelines, the OC FEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OC FEC, OC FEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OC FEC Business Partner, OC FEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OC FEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OC FEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OC FEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OC FEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OC FEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OC FEC rejects the OC FEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OC FEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OC FEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OC FEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 2 of 3

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 3 of 3

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Re: RFI #1, Q & A, IFB # LTR-02-22

The purpose of this RFI (Request for Information) is to transmit "Questions and Answers" regarding the technical components of the IFB Portable Light Tower Rental. All terms and conditions of the original IFB notice remain unchanged.

Questions and Answers

Questions:

1. **Question:** I'd like to formally request a copy of the previous bid recap for this IFB. I searched the Cal eProcure website and was unable to find any reference to previous Light Tower Rentals from your department (32nd DAA -Costa Mesa - SS246). Is this something you can provide us with?

Answer: The bid recap is a public record and is directly handled by the Public Record Act officer. If any vendor is interested in obtaining the record, please submit your request to cpa@ocfair.com.

2. **Question:** Also, after reviewing the IFB Notice I read that there is a 10% preference for DVBE as well as a 5% preference for SB, do these preferences stack to combine a 15% preference if our business is DGS certified as both or would we have to elect one over the other?

Answer: Bidders may claim both small business preference (5%) and DVBE incentive (Up to 5%). However, each has its own formula. The OC Fair & Event Center will determine the amount when reviewing the proposals.

Page 6 of 56 of IFB, section G, DVBE Requirements – Bid Totaling Over \$10,000, stated:

The incentive amount will be based upon the percentage of DVBE participation as follows:

E. DVBE REQUIREMENTS – BIDS TOTALING OVER \$10,000.00

The District elects to include the **DVBE incentive** for this IFB.

1. The incentive amount will be based upon the percentage of DVBE participation as follows:

Confirmed DVBE Participation of:	DVBE Incentive:
5% or Over	5%
4% to 4.99%	Inclusive 4%
3% to 3.99%	Inclusive 3%
2% to 2.99%	Inclusive 2%
1% to 1.99%	Inclusive 1%

Therefore, the maximum DVBE incentive is 5%.

Section H. Small Business Preference, stated:

"Section 14835, et seq., of the California Government Code requires that a five percent (5) preference be given to Bidders who qualify as a small business."

3. **Question:** In regards to IFB# LTR-02-22 can you confirm if the fair will be responsible for refueling the units during and at the completion of the rental?

Answer: The light towers should be delivered to the District full of fuel. The District is responsible for re-fueling during usage. The District is not responsible for re-fueling or ensuring tanks are full before pick up. See addendum #1.

4. **Question:** Does the fair plan on returning the light towers without refueling the units. Per the bid specifications, pricing is to include fuel charges. This is not common practice in the rental business. Please advise.
- a. The price quote shall be inclusive of all wages, allowances, supervision, insurance(s), material, labor, taxes, emission, certificate, license, travel, meal reimbursements, hotel accommodation, equipment, delivery, pick up, set up, installation, tear down, clean up, daily services, transportation, **fuel**, emission, or any other related services and fees required. The District shall not be billed for any costs that were not specifically included in the contract.

Answer: See answer #3 above.

5. **Question:** Can you list what light tower location is for the solar units and what are the standard light tower delivery locations. These 2 types of light towers have different cost associated with them.

Answer: We will not be using any solar light towers. The drop-off location for the standard light towers will be in lot E (south east) corner of lot. The District is responsible for placing them throughout the facility. However, the District will provide a list of locations after the units have been placed.

6. **Question:** For the solar and standard light towers, is a mast height of 25' acceptable vs 30'?

Answer: The standard light tower height of 25' is acceptable.

7. Will there be a forklift on-site that will be available to unload & load the light towers from the delivery trucks?

Answer: The forklift will not be available for loading/unloading.

Please send an email to ifb@ocfair.com for acknowledgment if you intend to bid this project. **Failure to acknowledge any RFI(s) and any Addendum(s) will result in disqualification.**

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures

for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 2 of 3

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 3 of 3

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 2 of 3

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 3 of 3

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Re: RFI #1, Q & A, IFB # GR-02-22

The purpose of this RFI (Request for Information) is to transmit "Questions and Answers" regarding the technical components of the IFB Generator Rental. All terms and conditions of the original IFB notice remain unchanged.

Questions and Answers

Questions:

1. If we are reading this correctly, each line states how many shifts and how many hours it will run per 24 hours. *Is that correct?*
And there are 48 days of the above shifts. *Is that correct?*
And billing will be based on 48 – 24 hour cycles. *Is that correct?*

Answer: C. Technical Proposal – Note: all generators must have a hour meter on them. Each Generator will be bid on a 24-hour run cycle, but billing will only be charged per run cycle count.

What we are asking here is we need to rent the units for (48) days. We understand that rates are charged per run cycle of (8) hours per cycle having 3 cycles per day. Not every unit will run 24 hours a day, so with the "hour meter," we can be billed appropriately per cycle. Not knowing which unit will run 24 hours, the contractor must bid all units as if they will be run in a 24-hour cycle, however, billing will be per actual metered usage.

2. Can you confirm that delivery is expected to be included in the rate?

Answer: The delivery and pick up are included in the price.

3. Can you confirm that the Fair plans on returning equipment without refueling the units? Some of the units requested have a fuel tank over 250 gallons which under normal conditions would be an additional \$2000+ if returned empty.

Answer: The OC Fair & Event Center will fill the generators before they are picked up. See Addendum #1.

4. The request is for 2 months/ year with options 1-4 total of 5 years of rental due to the 28 day rental cycle. will there need to be provided from us or location:

Answer: *Switches, cabling (50'-200') for this opportunity

5. For the units PM – Filter changeouts, only the (3 qty) 176 KW Generator running 24hrs (unlimited) Will need these services will there need to be provided from us or location.

Answer: The OC Fair will provide the name of the location on grounds to the contractor once OC Fair staff complete the orders.

Exhibit J
Page 2 of 3

6. Switches, cabling (50'-200') for this opportunity

Answer: Contractor to supply 50-foot cables from the generator

7. For the units PM – Filter changeouts, only the (3 qty) 176 KW Generator running 24hrs (unlimited) will need these services

Answer: All services needed are to be included in the rental rates.

Please send an email to acknowledge if you intend to bid on this project. **Failure to acknowledge any RFI(s) and any Addendum(s) will result in disqualification.**

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 2 of 3

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 3 of 3

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 2 of 3

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 3 of 3

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

Re: RFI #1, Q & A, IFB # RTR-02-22

The purpose of this RFI (Request for Information) is to transmit "Questions and Answers" regarding the technical components of the IFB Restroom Trailer Rental. All terms and conditions of the original IFB notice remain unchanged.

Questions and Answers

Questions:

1. Please confirm the specs/layout pictures noted in the bid on pages 14-17 are the only types of restroom trailers that would be accepted for a bid response. I've attached our restroom trailer overview showing different trailers USS could offer but they do differ from the specific specs/layouts noted in the bid. Please note, for the ADA restroom trailers the layout would be 1 ADA stall and 2 standard stalls.

Would these trailers be acceptable?

Answer: The intent of the floor plans provided are to demonstrate layout requirements, stall count needs and the line of site concerns when doors are left open.

Page 15 & 17 - If contractor can provide the appropriate stall counts in a different configuration that would be acceptable.

Page 16 – The location these two units will be installed in will require the units be configured as pictured. If a contractor can provide the stall count requested and can configure the restroom units to be used efficiently without being larger than the foot print per the drawing than that would be acceptable.

2. Who's responsibility is it to clean the restroom units

Answer: The OC Fair staff.

3. Who's responsibility is it to provide and stock the trailers with: Toilet Paper, soap, ect?

Answer: The OC Fair staff.

4. Since the Delivery, Set up and Tear down of 6 units comes at a heavy expense, can you please add a line item for Delivery/Set up & Teardown. It's industry standard to have these services billed out separately.

Answer: Per the IFB all related and relevant cost are to be included in the rental services provided. See IFB language referencing this.

5. Who is the incumbent that's been providing these restroom trailers on the last contract? Has the requirement changed? What was the total cost of last years lease contract?

Answer: The information can be obtained through the Public Record Coordinator by submitting mail request to: cpra@ocfair.com
