EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer- facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures

for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT G - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT G - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT G - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OC FEC Business Partner customer-facing employees. All OC FEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OC FEC and/or patronize an OC FEC Business Partner. For the benefit of the public, OC FEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OC FEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OC FEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OC FEC Business Partner fails to comply with event attendance limitations, the OC FEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OC FEC BUSINESS PARTNER COMPLIANCE

OC FEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OC FEC Business Partner fails to comply with these COVID-19 Guidelines, the OC FEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OC FEC, OC FEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OC FEC Business Partner, OC FEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OC FEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OC FEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OC FEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OC FEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OC FEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OC FEC rejects the OC FEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OC FEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OC FEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OC FEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless the 32nd District Agricultural Association, the OC Fair & Event Center, the State District and their respective agents, directors, and employees from and against all claims, damages, losses, and expenses, of every kind, nature and description (including, but not limited to, attorneys fees, expert fees, and costs of suit), directly, or indirectly, arising from, or in any way related to the performance or nonperformance of this Agreement, regardless of responsibility of negligence; by reason of death, injury, property damage, or any claim arising from the alleged violation of any state or federal accessibility law, statute or regulation, (including but not limited to, the Americans With Disabilities Act, and/or any state, local, successor, or comparable provision of law) however caused or alleged to have been caused, and even though claimed to be due to the negligence of the State. Provided, however, that in no event shall Contractor be obligated to defend or indemnify the 32nd District Agricultural Association, the OC Fair & Event Center, or the State with respect to the sole negligence or willful misconduct of the 32nd District Agricultural Association, the OC Fair & Event Center, the State, or their respective employees, or agents (excluding the Lessee herein, or any of its employees or agents).

COPYRIGHT INFRINGEMENT INDEMNIFICATION

Contractor warrants and represents that no musical, literary, or artistic work or other property protected by copyright will be performed, reproduced or used in the performance of this Agreement unless Contractor has previously thereto obtained written permission from the copyright holder or is otherwise exempt under 17 U.S.C. §§110:

"notwithstanding the provisions of Section 106, the following are not infringements of copyright:...

(6) performance of a nondramatic musical work by a governmental body or a nonprofit agricultural or horticultural organization, in the course of an annual agricultural or horticultural fair or exhibition conducted by such body or organization; the exemption provided by this clause shall extend to any liability for copyright infringement that would otherwise be imposed on such body or organization, under doctrines of vicarious liability or related infringement for a performance by a concessionaire, business establishment, or other person at such fair or exhibition, but shall not excuse any such person from liability for the performance."

EXHIBIT E – THE HANGAR HOUSE RIDER / PERFORMANCE AGREEMENT (CONT.)

Contractor acknowledges that Contractor acts under this Agreement as an independent contractor charged with the responsibility, in Contractor's sole discretion, for selection, performance, reproduction and use of such musical, literary and artistic works as contractor deems appropriate and that Contractor undertakes strict compliance with all laws respecting copyrights and the performance, reproduction and use of musical, literary and artistic works.

Contractor warrants that in the performance of this Agreement, Contractor will not infringe any statutory, common law or other right of any person in performing, reproducing or otherwise making use of any work or material. Contractor will indemnify, save and hold harmless the State and its agencies, including District, and their officers, agents, employees and servants from and against all claims, costs, and expenses (including legal fees), demands, actions and liability of every kind and character whatsoever with respect to copyright and the performance, reproduction and use of musical, literary and artistic works. Contractor authorizes the withholding of payment under this Agreement pending the final disposition of any claim which may result from the foregoing indemnification.

MISCELLANEOUS

The performance may be emceed by (i.e. "welcomed by") a local market radio station personality. In no way shall this be considered a "co-promotion" or "presented by" situation. Contractor shall be informed of the station selected prior to the engagement.

PROMOTIONAL MATERIAL AND ADVERTISING

Contractor shall provide to the District any and all available materials, specifically to include biographical information, photographs, audio and/or video tapes (beta only) for District's use in promotional, collateral and advertising material for this event/performance.

All promotional, collateral and advertising material for the event will be developed and approved by the District. This material will be executed in a festival-style approach. All Contractor names including spelling, capitalization, and addendums must be designated in contracts. Changes cannot be made after the contract has been finalized.

Contractor will not have prior approval of any Fair-related promotional or advertising material. All Contractor guidelines must be outlined in contracts and will be incorporated as indicated.

No preferential changes of images provided by Contractor's management or publicity agents will be permitted unless provided image is no longer valid due to personnel changes.

CONTRACTOR COMPLIMENTARY TICKETS

The District will provide the Contractor with a reasonable number of complimentary concert tickets. The amount will be negotiated at the point of booking and any tickets past that amount must be purchased by the Contractor. Should the show carry a co-headliner, support or an opening act, that number will be reduced proportionately. Contractor's guests will be subject to a parking charge at the event. If available, the Contractor may purchase additional tickets through the OC Fair box office.

DRUGS & PARAPHERNALIA

The District has enacted a very strict anti-drug policy for the facility. As such, Contractor agrees that Artist shall not discuss illegal drug use, use illegal drugs, employ gestures mimicking the use of illegal drugs, or show paraphernalia employed in the use of illegal drugs during Artist's performance or at any time while Artist is on stage.

PROFANE OR OBSCENE LANGUAGE

This is a State of California facility and all performances will be viewed by adults and children alike. The use of profane or obscene language or gestures will not be tolerated. Any display of such language or gestures by any contracted performer, their crew, or their representatives or associates while in the view or earshot of any Fair guest will be a finable offense subject to ONE THOUSAND DOLLARS (\$1,000.00) per incident and may preclude Contractor from future performance opportunities at the OC Fair.

CONFLICT OF LAWS OR TERMS

It is expressly understood and agreed that this Agreement shall be governed by the laws of the State of California both substantive and procedural. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of

sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Contractor shall be bound by this Decibel Level and Sound Covenant and shall at all times during any pre-concert sound checks and the concert itself, operate within the sound level restrictions. Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OC FEC Business Partner customer-facing employees. All OC FEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OC FEC and/or patronize an OC FEC Business Partner. For the benefit of the public, OC FEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OC FEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OC FEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OC FEC Business Partner fails to comply with event attendance limitations, the OC FEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OC FEC BUSINESS PARTNER COMPLIANCE

OC FEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OC FEC Business Partner fails to comply with these COVID-19 Guidelines, the OC FEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OC FEC, OC FEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OC FEC Business Partner, OC FEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OC FEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OC FEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OC FEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OC FEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OC FEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OC FEC rejects the OC FEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OC FEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OC FEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OC FEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. 2. Primary Coverage - The contractor/renter's insurance coverage shall be primary and any separate coverage or protection available to the fair or any other additional insured shall be secondary.

EXHIBIT E – INSURANCE REQUIREMENTS (CONT.)

3. **Contractor's Responsibility** - Nothing herein shall be construed as limiting in any way the extent to which contractor/renter may be held responsible for damages resulting from contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**
4. **Certified Copies of Policies** - Upon request by fair, contractor/renter shall immediately furnish a complete copy of any policy required hereunder, with said copy certified by the underwriter to be a true and correct copy of the original policy. Fairtime Carnival Ride contractors must submit copies of actual liability insurance policies, certified by an underwriter, to California Fair Services Authority (CFSA).

III. Participant Waivers

1. For hazardous participant events (see subsection 4. below), the contractor/renter agrees to obtain a properly executed release and waiver of liability agreement (Form required by contractor/renter's insurance company or CFSA Release and Waiver Form) from each participant prior to his/her participation in the events sponsored by contractor/renter.
2. Contractor/renter shall ensure that any party renting space from the contractor/renter with, or for, hazardous participant events (see subsection 4. below) obtains a properly executed release and waiver of liability agreement (Form required by contractor/renter's insurance company or CFSA Release and Waiver Form) from each participant prior to his/her participation in the events and provides a copy to the contractor/renter.
3. The contractor/renter shall provide copies of all executed release and waiver of liability agreements required under subsections 1. and 2. above to the Fair at the end of the rental agreement.
4. Hazardous participant events include, but are not limited to, any event within the following broad categories: Athletic Team Events; Equestrian-related Events; Extreme Attractions; Freefall Attractions; Mechanical Bulls; Simulators; Motorized Events; Rodeo Events; and Wheeled Events, including bicycle, skates, skateboard, or scooter. Contact California Fair Services Authority, Risk Management Department at (916) 921-2213 for further information and for CFSA Release and Waiver Form.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OC FEC Business Partner customer-facing employees. All OC FEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OC FEC and/or patronize an OC FEC Business Partner. For the benefit of the public, OC FEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OC FEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OC FEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OC FEC Business Partner fails to comply with event attendance limitations, the OC FEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OC FEC BUSINESS PARTNER COMPLIANCE

OC FEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OC FEC Business Partner fails to comply with these COVID-19 Guidelines, the OC FEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OC FEC, OC FEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OC FEC Business Partner, OC FEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OC FEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OC FEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OC FEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OC FEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OC FEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OC FEC rejects the OC FEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OC FEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OC FEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OC FEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

COUNTY BILLING POLICY
APPROVED BY BOARD MINUTE ORDER DATED OCTOBER 27, 1992

I. POLICY

All County agencies/departments/districts (County) governed by the Board of Supervisors shall bill contracting entities for materials and/or services provided under contract in accordance with the following standardized billing and collection policy. Billing frequency is dependent on whether the contract is a fixed price or actual cost contract. Payment due date is designed to be both responsive to the County's cash flow needs and reasonable enough as to not require special processing by the contracting entity. If payments are not received by the required due dates, a late payment fee shall be computed and billed to the contracting entity in accordance with the requirements of this procedure.

Nothing herein shall affect the liability, including pre-judgment interest, of the contracting party for services or materials in as much as this is a policy to enact standard billing practices.

II. DEFINITIONS

- A. Contract for the purposes of this policy - A contract is a formal written agreement, a purchase order from the contracting entity, or any other acceptable mutual understanding between the contracting parties.
- B. Received by the County - The phrase "received by the County", as used in Section VI of this policy, refers to the date a payment is received by the County. It is defined as the date the payment is in the County's possession. It is not the date the payment is posted or deposited by the County.

III. FIXED PRICE CONTRACTS

- A. Fixed Price (One-Time/Non-Recurring Contracts) - Invoices that represent a billing for a one-time, non-recurring provision of materials and/or services shall be issued no later than five (5) working days after delivery by the County of the materials and/or services. Examples of such one-time, non-recurring provision of materials and/or services might be a city contracting with the Sheriff for security service at a parade or sporting event; or, a city purchasing a computer listing containing certain city-requested data. Payment due date shall be invoice date plus 30 days.
- B. Fixed Price (Ongoing/Recurring Contracts) - Invoices that represent a billing for an ongoing, recurring provision of materials and/or services shall be issued according to the following frequency:
 - 1. Annual Billings that total \$10,000 or less per 12-month period shall be billed via one (1) annual invoice. Annual invoices will be issued for each 12-month period of the contract, or portions thereof. Invoices shall be issued no later than five working days after the beginning of each 12-month period. Payment due date shall be invoice date plus 30 days.

2. Quarterly Billings that are greater than \$10,000 but not more than \$200,000 per 12-month period, shall be billed in quarterly installments. Quarterly invoices will be issued representing the contract amount for each 12-month period of the contract, or portions thereof, prorated into four (4) installments. Invoices shall be issued no later than 30 days after the beginning of each quarter. Payment due date shall be 60 days after the beginning of each calendar quarter.
3. Monthly Billings that are greater than \$200,000 per 12-month period shall be billed in monthly installments. Monthly invoices will be issued representing the contract amount for each 12-month period of the contract, or portions thereof, prorated into 12 installments. Invoices shall be issued on or before the first day of each service month. Payment due date shall be 30 days after the beginning of each service month.

An example of a fixed price contract for ongoing, recurring provision of materials and/or services might be a city contracting with the Sheriff for law enforcement services.

IV. ACTUAL COST CONTRACTS

- A. Actual Cost (One-Time/Non-Recurring Contracts) - Invoices that represent a billing for a one-time, non-recurring provision of materials and/or services shall be issued after delivery by the County of the materials and/or services and no later than 15 days after actual cost data is available. Payment due date shall be invoice date plus 30 days.
- B. Actual Cost (Ongoing/Recurring Contracts) - Invoices that represent a billing for an ongoing, recurring provision of materials and/or services shall be issued on a monthly basis and shall represent the cost of materials and/or services provided to the contracting entity during the previous calendar month. Such invoices shall be issued no later than 15 days after the close of the monthly billing period. If the County agency/department/district does not utilize a monthly billing cycle, the invoice shall be issued no later than 15 days after actual cost data is available. Payment due date shall be invoice date plus 30 days.

Examples of actual cost contracts for the ongoing, recurring provision of materials and/or services might be a city contracting with the County for communications equipment repair or waste disposal at a County landfill.

V. PAYMENT DUE DATES

Notwithstanding the provisions of Sections II and III above, payment due date shall be at least invoice date plus 30 days. If the County is late in issuing an invoice, the contracting entity would always have at least invoice date plus 30 days to pay. If the County is early in issuing an invoice, the contracting entity would still have a payment due date of either 60 days after the beginning of the quarter (quarterly invoices) or 30 days after the beginning of the service month (monthly invoices).

(EXAMPLES: An invoice for October service, dated and issued October 8 (late) would have a payment due date of November 7. An invoice for August service, dated and issued July 20 (early) would have a payment due date of August 30.)

VI. LATE CHARGES

The late payment of any invoiced amount by a contracting entity will cause the County to incur costs not contemplated by the County/contracting entity agreement, the exact amount of such cost will be extremely difficult to ascertain. Such costs include, but are not limited to, costs such as administrative follow-up and processing of delinquent notices, increased accounting costs, etc.

Late charges will be assessed in the following situations:

- Over-the-counter payments will be assessed a late charge if any payment is not received by the County by the payment due date.
- Payments transmitted to the County via the U.S. Mail that have the payer's postage meter mark will be assessed a late charge if any payment is not received by the County by the payment due date plus one day.
- Payments transmitted to the County via the U.S. Mail that have a U.S. Post Office postmark dated after the payment due date will be assessed a late charge.

The late charge assessed in each of these situations shall be three-quarters of one percent (0.75%) of the payment due and unpaid plus \$100.00 for late payments made within 30 days of the payment due date. An additional charge of three-quarters of one percent (0.75%) of said payment shall be added for each additional 30-day period that the payment remains unpaid. Late charges shall be added to the payment and invoiced to the contracting entity in accordance with this policy.

VII. COLLECTIONS

Any invoice remaining unpaid 90 days after the invoice date shall be referred to the Auditor-Controller for subsequent collection action, such as deduction from contracting entity moneys on deposit with the County Treasurer in accordance with Government Code Section 907 and any other applicable provision of law. Non-payment of invoices and applicable late charges will constitute a breach of contract for which the County retains all legal remedies including termination of the contract.

VIII. DISCOUNT FOR EARLY PAYMENT

Any payment received by the County from a contracting entity 20 days or more before the payment due date shall be entitled to a discount of one-quarter of one percent (0.25%). If the contracting entity takes a discount, and the payment is received by the County less than 20 days before the payment due date, County staff shall immediately notify the contracting entity by telephone that the discount should not have been taken and that the balance is due by the original payment due date.

If the balance is not received by the County in accordance with the dates as specified in Section VII, applicable late charges shall be calculated on the balance due.

IX. DEFERRED REVENUE

At fiscal year end, any portion of revenue invoiced (not necessarily received) during the fiscal year being closed out that represents charges or prepayment for materials and/or services for the upcoming fiscal year shall be reclassified from a revenue account to a deferred revenue account (liability). In the new fiscal year the deferred revenue shall be reclassified to a revenue account. (EXAMPLE: On June 1, 19X1, a city is invoiced \$48,000 which represents charges for the 12-month period June 1, 19X1 to May 31, 19X2. The amount to be reclassified to deferred revenue would be \$44,000, representing 11/12ths of the total amount. In July 19X1, the \$44,000 would be reclassified to revenue.) Reclassification entries shall be made by Auditor-Controller Agency Accounting units, or for those agencies/departments/districts without such a unit, the agency/department/district shall notify the Auditor-Controller of the amounts to be reclassified.

X. COST RECOVERY

All County agencies/department/districts shall include all costs of providing contracted services in contract rates. Including all direct costs, allocated indirect costs such as departmental and County (CWCAP) overhead, and cost of capital financing.

XI. EXISTING CONTRACTS

Billing terms and provisions contained in existing contracting entity agreements (existing as of the date this policy is approved by the Board of Supervisors) shall remain in effect for the life of the contract. However, when these existing contracts are renegotiated, they shall contain the billing provisions as set forth in this policy.

XII. DEVIATIONS FROM POLICY

Deviations from this policy shall be approved by the Board of Supervisors. Proposed deviations by agencies/departments/districts shall be submitted to the CEO for concurrence in advance of filing an Agenda Item Transmittal (AIT) with the Clerk of the Board. The CEO, or his/her designee, shall advise the agency/department/district of approval or disapproval of the proposed deviations. If a County agency/department/district submits a contract to the Board of Supervisors for approval, and the billing provisions in the contract deviate from this policy, the agency/department/district shall specifically advise the Board of Supervisors in the AIT of the deviation, the reason for the deviation, and of the CEO's recommendation relative thereto.

COUNTY BILLING POLICY
APPROVED BY BOARD MINUTE ORDER DATED OCTOBER 27, 1992

I. POLICY

All County agencies/departments/districts (County) governed by the Board of Supervisors shall bill contracting entities for materials and/or services provided under contract in accordance with the following standardized billing and collection policy. Billing frequency is dependent on whether the contract is a fixed price or actual cost contract. Payment due date is designed to be both responsive to the County's cash flow needs and reasonable enough as to not require special processing by the contracting entity. If payments are not received by the required due dates, a late payment fee shall be computed and billed to the contracting entity in accordance with the requirements of this procedure.

Nothing herein shall affect the liability, including pre-judgment interest, of the contracting party for services or materials in as much as this is a policy to enact standard billing practices.

II. DEFINITIONS

- A. Contract for the purposes of this policy - A contract is a formal written agreement, a purchase order from the contracting entity, or any other acceptable mutual understanding between the contracting parties.
- B. Received by the County - The phrase "received by the County", as used in Section VI of this policy, refers to the date a payment is received by the County. It is defined as the date the payment is in the County's possession. It is not the date the payment is posted or deposited by the County.

III. FIXED PRICE CONTRACTS

- A. Fixed Price (One-Time/Non-Recurring Contracts) - Invoices that represent a billing for a one-time, non-recurring provision of materials and/or services shall be issued no later than five (5) working days after delivery by the County of the materials and/or services. Examples of such one-time, non-recurring provision of materials and/or services might be a city contracting with the Sheriff for security service at a parade or sporting event; or, a city purchasing a computer listing containing certain city-requested data. Payment due date shall be invoice date plus 30 days.
- B. Fixed Price (Ongoing/Recurring Contracts) - Invoices that represent a billing for an ongoing, recurring provision of materials and/or services shall be issued according to the following frequency:
 - 1. Annual Billings that total \$10,000 or less per 12-month period shall be billed via one (1) annual invoice. Annual invoices will be issued for each 12-month period of the contract, or portions thereof. Invoices shall be issued no later than five working days after the beginning of each 12-month period. Payment due date shall be invoice date plus 30 days.

2. Quarterly Billings that are greater than \$10,000 but not more than \$200,000 per 12-month period, shall be billed in quarterly installments. Quarterly invoices will be issued representing the contract amount for each 12-month period of the contract, or portions thereof, prorated into four (4) installments. Invoices shall be issued no later than 30 days after the beginning of each quarter. Payment due date shall be 60 days after the beginning of each calendar quarter.
3. Monthly Billings that are greater than \$200,000 per 12-month period shall be billed in monthly installments. Monthly invoices will be issued representing the contract amount for each 12-month period of the contract, or portions thereof, prorated into 12 installments. Invoices shall be issued on or before the first day of each service month. Payment due date shall be 30 days after the beginning of each service month.

An example of a fixed price contract for ongoing, recurring provision of materials and/or services might be a city contracting with the Sheriff for law enforcement services.

IV. ACTUAL COST CONTRACTS

- A. Actual Cost (One-Time/Non-Recurring Contracts) - Invoices that represent a billing for a one-time, non-recurring provision of materials and/or services shall be issued after delivery by the County of the materials and/or services and no later than 15 days after actual cost data is available. Payment due date shall be invoice date plus 30 days.
- B. Actual Cost (Ongoing/Recurring Contracts) - Invoices that represent a billing for an ongoing, recurring provision of materials and/or services shall be issued on a monthly basis and shall represent the cost of materials and/or services provided to the contracting entity during the previous calendar month. Such invoices shall be issued no later than 15 days after the close of the monthly billing period. If the County agency/department/district does not utilize a monthly billing cycle, the invoice shall be issued no later than 15 days after actual cost data is available. Payment due date shall be invoice date plus 30 days.

Examples of actual cost contracts for the ongoing, recurring provision of materials and/or services might be a city contracting with the County for communications equipment repair or waste disposal at a County landfill.

V. PAYMENT DUE DATES

Notwithstanding the provisions of Sections II and III above, payment due date shall be at least invoice date plus 30 days. If the County is late in issuing an invoice, the contracting entity would always have at least invoice date plus 30 days to pay. If the County is early in issuing an invoice, the contracting entity would still have a payment due date of either 60 days after the beginning of the quarter (quarterly invoices) or 30 days after the beginning of the service month (monthly invoices).

(EXAMPLES: An invoice for October service, dated and issued October 8 (late) would have a payment due date of November 7. An invoice for August service, dated and issued July 20 (early) would have a payment due date of August 30.)

VI. LATE CHARGES

The late payment of any invoiced amount by a contracting entity will cause the County to incur costs not contemplated by the County/contracting entity agreement, the exact amount of such cost will be extremely difficult to ascertain. Such costs include, but are not limited to, costs such as administrative follow-up and processing of delinquent notices, increased accounting costs, etc.

Late charges will be assessed in the following situations:

- Over-the-counter payments will be assessed a late charge if any payment is not received by the County by the payment due date.
- Payments transmitted to the County via the U.S. Mail that have the payer's postage meter mark will be assessed a late charge if any payment is not received by the County by the payment due date plus one day.
- Payments transmitted to the County via the U.S. Mail that have a U.S. Post Office postmark dated after the payment due date will be assessed a late charge.

The late charge assessed in each of these situations shall be three-quarters of one percent (0.75%) of the payment due and unpaid plus \$100.00 for late payments made within 30 days of the payment due date. An additional charge of three-quarters of one percent (0.75%) of said payment shall be added for each additional 30-day period that the payment remains unpaid. Late charges shall be added to the payment and invoiced to the contracting entity in accordance with this policy.

VII. COLLECTIONS

Any invoice remaining unpaid 90 days after the invoice date shall be referred to the Auditor-Controller for subsequent collection action, such as deduction from contracting entity moneys on deposit with the County Treasurer in accordance with Government Code Section 907 and any other applicable provision of law. Non-payment of invoices and applicable late charges will constitute a breach of contract for which the County retains all legal remedies including termination of the contract.

VIII. DISCOUNT FOR EARLY PAYMENT

Any payment received by the County from a contracting entity 20 days or more before the payment due date shall be entitled to a discount of one-quarter of one percent (0.25%). If the contracting entity takes a discount, and the payment is received by the County less than 20 days before the payment due date, County staff shall immediately notify the contracting entity by telephone that the discount should not have been taken and that the balance is due by the original payment due date.

If the balance is not received by the County in accordance with the dates as specified in Section VII, applicable late charges shall be calculated on the balance due.

IX. DEFERRED REVENUE

At fiscal year end, any portion of revenue invoiced (not necessarily received) during the fiscal year being closed out that represents charges or prepayment for materials and/or services for the upcoming fiscal year shall be reclassified from a revenue account to a deferred revenue account (liability). In the new fiscal year the deferred revenue shall be reclassified to a revenue account. (EXAMPLE: On June 1, 19X1, a city is invoiced \$48,000 which represents charges for the 12-month period June 1, 19X1 to May 31, 19X2. The amount to be reclassified to deferred revenue would be \$44,000, representing 11/12ths of the total amount. In July 19X1, the \$44,000 would be reclassified to revenue.) Reclassification entries shall be made by Auditor-Controller Agency Accounting units, or for those agencies/departments/districts without such a unit, the agency/department/district shall notify the Auditor-Controller of the amounts to be reclassified.

X. COST RECOVERY

All County agencies/department/districts shall include all costs of providing contracted services in contract rates. Including all direct costs, allocated indirect costs such as departmental and County (CWCAP) overhead, and cost of capital financing.

XI. EXISTING CONTRACTS

Billing terms and provisions contained in existing contracting entity agreements (existing as of the date this policy is approved by the Board of Supervisors) shall remain in effect for the life of the contract. However, when these existing contracts are renegotiated, they shall contain the billing provisions as set forth in this policy.

XII. DEVIATIONS FROM POLICY

Deviations from this policy shall be approved by the Board of Supervisors. Proposed deviations by agencies/departments/districts shall be submitted to the CEO for concurrence in advance of filing an Agenda Item Transmittal (AIT) with the Clerk of the Board. The CEO, or his/her designee, shall advise the agency/department/district of approval or disapproval of the proposed deviations. If a County agency/department/district submits a contract to the Board of Supervisors for approval, and the billing provisions in the contract deviate from this policy, the agency/department/district shall specifically advise the Board of Supervisors in the AIT of the deviation, the reason for the deviation, and of the CEO's recommendation relative thereto.

The District's Requests For Proposals (RFP) Video Equipment & Services for Pacific Amphitheatre released March 1, 2022, is on file in the Office of the 32nd District Agricultural Association, and is incorporated herein by reference and made a part of this agreement.

Agreement term for these services shall be for May 1, 2022 – December 31, 2023, with three (3) one (1)-year options. The option year 3, contract term to end December 31, 2026.

A. VENUE DESCRIPTION & INFORMATION

1. The Pacific Amphitheatre seats 8,200 people in a fairly conventional, fan shaped seating bowl.
2. Front of house is centered in the rear of the first audience section, 110 feet from the stage lip. Front of house is approximately 14 feet above the stage elevation.
3. From the stage lip to the upper most center seat is approximately 240 feet, with a rise of approximately 30 feet above stage level.
4. An earthen berm, some 338 feet (berm center) from the stage surrounds the rear seating areas. The berm will not be seated. The berm is approximately 60 feet higher than the stage level.
5. The stage house consists of a steel superstructure enveloped in black drapery.
6. House video is flown from a temporary structure left and right, downstage.
7. The truck loading dock is a negative incline off stage left.
8. House power is stage left.
9. Video world is stage left. Equipment storage is underneath the stage platform.

EXHIBIT A – SCOPE OF WORK (CONT.)

The drawing below shows a simple plan view of the venue. No elevation view of the venue is provided. Elevations for the purposes of responding to this document are to be derived from the plan view ACAD drawing. The numbers indicate elevation.

Left Right Video Screens

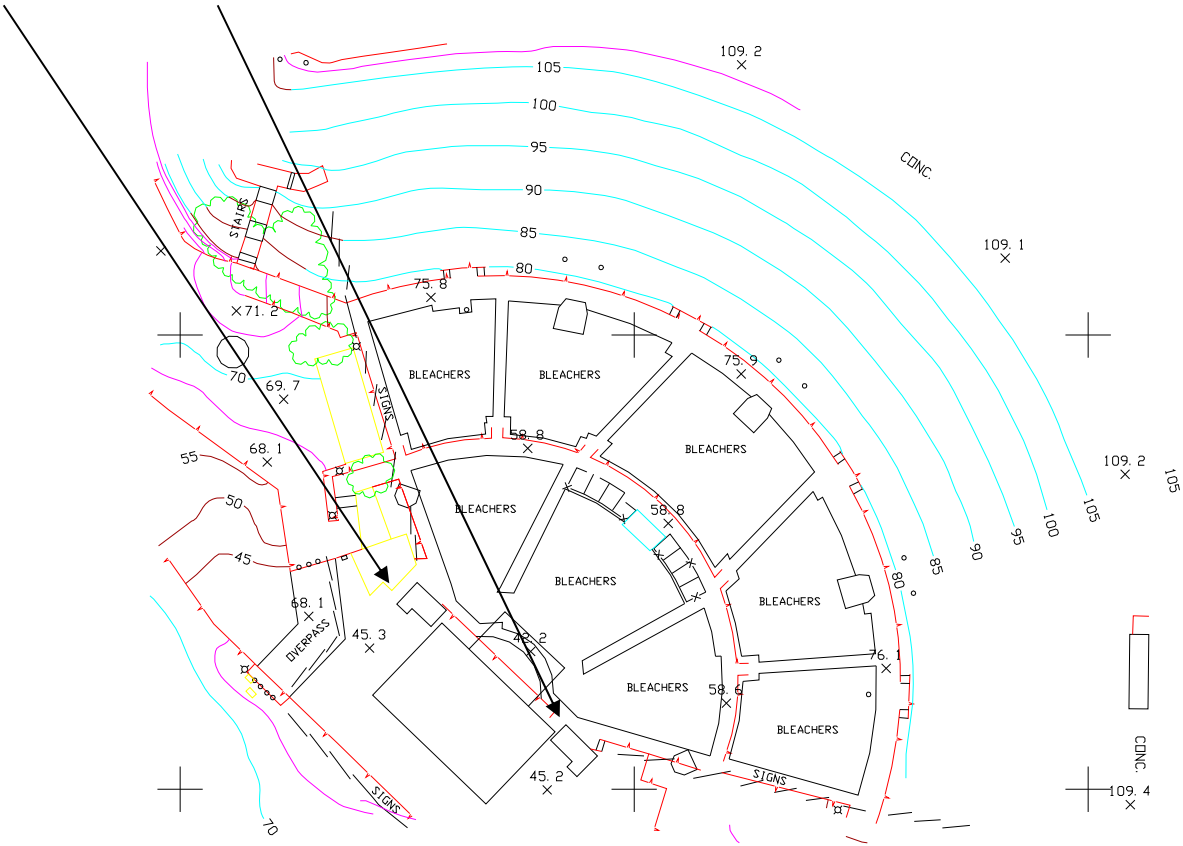

EXHIBIT A – SCOPE OF WORK (CONT.)

The picture below shows a portion of the old stage left superstructure. The video walls have traditionally hung here, but a design which provides video to all areas of the venue bowl is being sought.

EXHIBIT A – SCOPE OF WORK (CONT.)

Picture below gives an idea of audience area, with earthen berm to the rear.

Note that the sun sets behind and to audience right of the Amphitheatre. Video walls must have good brightness and good masking around the screen.

One remotely controlled camera is to be located in the FOH area. This requires a good zoom lens and a stable camera platform. Camera locations must be requested that will optimize audience experience and eliminate any sight line issues.

EXHIBIT A – SCOPE OF WORK (CONT.)

B. DATES:

The District shall provide Contractor load-in and show dates at least 30 days prior to commence of work for years 2022 and 2023, and for option years 2024, 2025 and 2026.

- Load-in: Varies by concert schedule each year but bidder should expect mid-June to early July.
- Set Up Completed By: Varies by concert schedule based on load-in schedule.
- System checks can be arranged with Production Manager and are at bidder's cost.
- Load-out: The day following the last performance of the season.

C. APPROXIMATE SHOW-DAY SCHEDULE:

- Upcoming events broadcasted on video walls for one (1) hour prior to act taking stage.
- Introduction of support act and/or headline act as act takes the stage.
- Support act on stage (some shows may have no support act while some shows may have multiple opening acts) approximately 7:30 p.m., with variation
- Headline act on approximately 8:30 p.m. (note: assuming 20 minute changeover between acts)
- Show ends approximately 10:00 p.m. – enforced by curfew.

While there is no guarantee of performance dates, they will likely fall between July 1 and September 15. **The resulting contract will reflect a Not To Exceed amount assuming the FLAT RATE plus an estimated number of additional shows. Payment to the Contractor will be made based upon actual number or shows.**

The concept is simple, proven and typical for an event of this scale:

- LED video walls, one house left, one house right, plus additional screens as needed to cover all viewing areas.
- Approximate Camera positions include:
 - FOH.
 - Stage robotic.
 - Hand-held, near stage/onstage, as a separate line item cost and description as element may be cut depending on cost.
- Control position backstage.
- Ability to switch/fade from/to multiple sources of live or recorded shots, including the ability to:
 - Quickly and smoothly fade or switch between at least two playback (DVD, PC) sources.
 - Likewise, the ability to quickly and smoothly fade or switch between multiple cameras and playback.
 - The ability to project video graphics (computer generated) information.
 - The ability to produce (simple) video graphics on site.
- Contractor must provide multiple means of communication with the Video Director, from all camera and graphic/switching areas, as well as the FOH audio operator. Communication must also be established between the Production Office and the Video Director.
- Ability to live-stream the show to remotely outside and/or inside the OC Fair.
- Ability to record, with artist permission, any or all of a given performance

It is anticipated that the video production will include pre-recorded video spots (produced by OC Fair), as well as the on-site live production of show video during show times.

Cameras should have the ability to track with good quality from low to high light levels, as is typical for a stage environment.

Director must be experienced with shooting live stage music, and understand the requirements of pop type shows for rapid switching from artist to artist during solo parts, and the ability to capture the stage environment and portray it to the audience through the LED video screens. The importance of video cannot be underestimated; in a venue of this size, video must bring the excitement of the on-stage show to the audience.

EXHIBIT A – SCOPE OF WORK (CONT.)

All video staff must have good experience with pop music stage shows and the understanding of this type of live, on the spot video production.

All video staff must acknowledge and adhere to all venue policies and procedures, particularly those involving health and safety.

D. CHALLENGES:

1. Logistical. Short set-up times dictate the requirement for an organized, well-planned effort. From equipment set-up, to initial testing and final system alignment and tuning, RFP response shall provide evidence of Contractor's planning.
2. Production of good quality video, easily viewed throughout the entire venue.
3. Power distribution. Contractor should assume that up to 200 amps, three phase is available at stage left. Bidder to provide distribution from the breaker panel stage left. Assume that 200 feet of camlock feeder will be required.
4. The system must be tested in Contractor's shop as a complete system, free of any hum bars, bad pixels, and bad modules. Consistent system grounding must be provided for all systems. There will be no time to troubleshoot hum bars, bad pixels/modules and other related problems.
5. In past years the FOH camera has blocked sightlines to the rear of the camera. Please provide information and discussion as to how this problem might be solved.
6. The design in this RFP is specific as to the class of technology (IE: 5.9 mm or better high resolution LED video walls). Bidder is designing and quoting a 100% complete system.
7. All gear must be owned by the bidder. Please provide verification of ownership when submitting a bid.
8. In all cases bidder must provide detailed information of video systems, including detail specs, drawings and fully descriptive narratives and expected results to illustrate completeness of thought, understanding of this RFP and the venue requirements. Contractor should provide detailed video wall drawings. Primary in consideration of Contractor's choice of video walls shall be the requirement for good resolution and high brightness, given the outdoor environment. The systems must be weather protected and capable of operating over a wide range of temperatures. Masking is to be provided by Contractor to insure good contrast ratio against the sun/sky.
9. Contractor will inspect all video systems on a daily basis for proper operation, and any repairs made, at least three hours prior to show time.
10. Contractor shall keep adequate spares on site to make any required repairs to the video walls and other systems.
11. Video failures visible to the audience are not acceptable and will not be tolerated. Professionalism is required at all times.
12. Contractor will be under the direction of the OCFEC Entertainment Director and/or the Pacific Amphitheatre Production Manager.

E. VIDEO CONCEPT AND REQUIREMENTS

1. Pacific Amphitheatre video design consists of the following specific brands (as examples) and elements, at minimum (substitutions are OK, please explain in a narrative). Be creative and provide a cost-effective, professional approach consistent with a venue of this type:
 - a. Two LED video walls, approximately 22' x 12', plus additional screens/monitors: Provide, as a separate line item description and cost, a larger screen based on bidder's experience for a venue of this size, with cost as a primary concern. Pixel pitch to be 5.9 mm real or better, BUT please recommend a solution to the District, keeping in mind viewing distances and cost. Quote pixels as real not virtual. Provide an alternate and a primary with a separate cost breakout for the alternate, to give the District a brand/pixel spacing/size choice.
 - i. Two primary video walls will be used. One wall is flown house right, the second video wall is flown house left.

EXHIBIT A – SCOPE OF WORK (CONT.)

- ii. Digitizers as required for screens, along with all other associated control and power distribution equipment.
 - iii. Spare modules, other spares as usually supplied.
 - iv. Only well-known name brands consistent with a performance venue of this type will be considered. Preference is Roe, Absen or InFiled.
 - v. 8 Rigging motors and associated equipment to safely hang the video screens within the support structure. Use your judgment as to actual rigging required and explain. Provide all required equipment.
 - b. One high speed laptop computer w/Power Point (at minimum).
 - c. Provide FOH camera with zoom lens, to capture all, from face shot and lager as primary venue camera. Provide all required support for camera including tripod, intercom, and viewer.
 - d. One handheld, as handheld camera/lens, as a separate cost and line item-this is a wired camera.
 - e. Stage located robotic camera, as primary stage shot camera.
 - f. Provide a means of recording show A/V as a separate line item and description.
 - g. One Director.
 - h. Labor as required to install and strike.
 - i. Basic tools and test equipment to quickly repair and resolve problems.
 - j. All-weather protection for all equipment is the responsibility of the Contractor.
 - k. The cable path from FOH to stage consists of two, approximately 5" conduits. Lighting, audio, power and video, as well as a pull line for guest FOH cable must co-exist in these two runs. Assume a 350-foot path from FOH to stage left video land.
 - l. Each video wall will fly from a TBD exact position and means of support. Contractor to supply all required rigging, including chain motors and AC distribution.
- 2. All primary and technical installation, operation and removal labor is Contractor's responsibility and must be reflected in costing.
 - 3. It is Contractor's responsibility to make systems whole and fully functional. This RFP serves as a guideline to explain basic requirements. As a professional, it is the Contractor's responsibility to anticipate requirements commonly associated with a venue of this type, and to provide for the ability to perform to professional standards in this environment.
 - 4. Bidder to supply technical drawings, including line diagrams, system equipment lists, narratives, weight and rigging details for LED video walls, as well as any other information required to properly explain system capabilities and operation.

F. EQUIPMENT AND STAFFING REQUIREMENTS

- 1. The system supplied must work as a whole and be complete. All equipment supplied will meet the manufacturer's specifications and will be assembled in a factory recommended manner. All items will be in good condition and will have been checked out and tested before being delivered to the venue. Some items may not be required or some may need to be added for certain systems.
- 2. Do not assume this RFP contains complete information for the full functionality of the system. Specific equipment is called out in this RFP as required for the overall functionality of the video system. Contractor assumes full responsibility to deliver a fully tested and functioning system meeting the general requirements contained herein. Common sense and experience with this kind of venue/event should prevail.
- 3. ALL racks must have low noise cooling fans and adequate front panel lighting.

EXHIBIT H - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. **SCOPE**

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. **SICK, ELDERLY AND VULNERABLE PERSONS**

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. **PHYSICAL DISTANCING IN THE WORKPLACE**

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. **HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING**

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT H - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT H - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below

100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the

OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT E**COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES**

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below

100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the

OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below

100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the

OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

- D. Self-Insurance - The contractor/renter is self-insured and acceptable evidence of self-insurance has been approved by California Fair Services Authority (CFSA).

II. General Provisions

- 1. Maintenance of Coverage - The contractor/renter agrees that the commercial general liability (and automobile liability, workers' compensation, medical malpractice and/or liquor liability, if applicable) insurance coverage herein provided for shall be in effect at all times during the term of this contract. In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of California Fair Services Authority, and contractor/renter agrees that no work or services shall be performed prior to the giving of such approval. EXHIBIT E – INSURANCE REQUIREMENTS (CONT.)

3. Contractor's Responsibility - Nothing herein shall be construed as limiting in any way the extent to which contractor/renter may be held responsible for damages resulting from contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below

100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the

OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 2 of 3

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 2 of 3

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the Agreement and cancel the event without notice.

9. FURTHER ACTION AS NECESSARY

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the

OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below

100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

EXHIBIT E

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below

100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the

OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

V06042020

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, "Business Partners") conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

Face coverings and disposable gloves must be worn by all OC FEC Business Partner customer-facing employees. All OC FEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OC FEC and/or patronize an OC FEC Business Partner. For the benefit of the public, OC FEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OC FEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OC FEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OC FEC Business Partner fails to comply with event attendance limitations, the OC FEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OC FEC BUSINESS PARTNER COMPLIANCE

OC FEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OC FEC Business Partner fails to comply with these COVID-19 Guidelines, the OC FEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

As consideration for being permitted to conduct event activities at the OC FEC, OC FEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OC FEC Business Partner, OC FEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OC FEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OC FEC Business Partner is then participating in the activities.

8. EVENT ORGANIZATION PROTOCOLS

Each OC FEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OC FEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OC FEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OC FEC rejects the OC FEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OC FEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OC FEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OC FEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

EXHIBIT F - COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES (CONT.)

9. **FURTHER ACTION AS NECESSARY**

The OCFEC reserves the right to modify these COVID-19 Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

I HAVE CAREFULLY READ THIS AGREEMENT EXHIBIT AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A CONTRACTUAL AGREEMENT BETWEEN MYSELF AND THE 32ND DISTRICT AGRICULTURAL ASSOCIATION, THE STATE, CFSA, THE COUNTY, AND THE LESSOR, AND SIGN IT OF MY OWN FREE WILL.

COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

1. **Scope.** As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the

OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.
2. **Sick, elderly and vulnerable persons.** Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.
3. **Physical Distancing in the Workplace.** Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.
4. **Handwashing, Personal Protective Equipment, and Testing.** Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

OCFEC Business Partners should make every effort to limit physical touch points at their respective places of business, including at the OCFEC. All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. **Event Attendance Limitations.** Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. **OCFEC Business Partner Compliance.** OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.
7. **Covid-19 Release and Waiver of Liability.** As consideration for being permitted to conduct event activities at the OCFEC, OCFEC Business Partners must acknowledge and agree to all COVID-19 Pandemic and related governmental orders, directives and guidelines, and forever release the 32nd District Agricultural Association, the State, California Fair Services Authority ("CFSA"), the County, the Lessor, and any fair affiliated organization, along with their

respective directors, officers, employees, volunteers, agents, contractors, and representatives (collectively "Releasees") from any and all liabilities, causes of action, lawsuits, claims, demands, or damages of any kind whatsoever that OCFEC Business Partner, OCFEC Business Partner's employees, contractors, subcontractors, exhibitors, vendors, assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives now have, or may have in the future, for injury, death, or property damage, related to (i) OCFEC Business Partner's participation in these activities, (ii) the negligence or other acts of any Releasee, whether directly connected to these activities or not, and however caused, or (iii) the condition of the premises where these activities occur, whether or not the OCFEC Business Partner is then participating in the activities.

8. **Event Organization Protocols.** Each OCFEC Business Partner must submit event organization-specific COVID-19 related infection mitigation protocols and procedures for OCFEC review and approval no later than thirty (30) days before the event's scheduled move-in date. The OCFEC reserves the right to reject any

protocols and procedures that are in conflict with, or are less stringent than, the COVID-19 Guidelines. If the OCFEC rejects the OCFEC Business Partner's COVID-19 related infection mitigation protocols and procedures, the OCFEC Business Partner must resubmit revised infection mitigation protocols and procedures for review no less than fifteen (15) days before the event's scheduled move-in date. If OCFEC Business Partner fails to submit the COVID-19 related infection mitigation protocols and procedures on time, the OCFEC in its sole and absolute discretion may terminate the agreement and cancel the event without notice.

9. Further Action as Necessary. The OCFEC reserves the right to modify these COVID-19

Guidelines as circumstances warrant. Specifically, the OCFEC recognizes that additional restrictions not reflected in these guidelines may be necessary to address the health and safety of certain populations depending upon their age or underlying health concerns, or otherwise to address medical issues as they arise.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

Page 1 of 3

1. SCOPE

As a result of the worldwide COVID-19 pandemic, the 32nd District Agricultural Association (OCFEC) implemented numerous essential protocols and procedures to protect OCFEC staff, renters, event promoter/producer employees, exhibitors, vendors, contractors, subcontractors, volunteers and members of the public. These protocols and procedures do not supersede or replace any existing orders issued by local governments, the State of California or the Federal Government. The protocol and procedure guidelines (COVID-19 Guidelines) apply equally to all organizations and persons doing business on OCFEC property, both public and private, and all event types, commercial, trade or other, hosted at the OCFEC.

2. SICK, ELDERLY AND VULNERABLE PERSONS

Anyone who feels sick should remain at home. In addition, high-risk persons who are over 65 years of age, or anyone with chronic illness or underlying medical conditions, should continue to follow recommendations to stay at home and limit public interaction.

3. PHYSICAL DISTANCING IN THE WORKPLACE

Physical distancing of a minimum of six (6) feet should be maintained between customer-facing employees and the general public, and – to the extent practical – between employees in the field or at employee workstations. Where isolation of employees in the field or at employee workstations is impractical, face coverings must be worn without exception.

4. HANDWASHING, PERSONAL PROTECTIVE EQUIPMENT, AND TESTING

Renters, event promoters, event producers, exhibitors, vendors, and their respective contractors, subcontractors and volunteers (collectively, “Business Partners”) conducting business at the OCFEC must require all customer-facing employees to either wash their hands or use hand sanitizer every thirty minutes, or wear disposable gloves which are to be changed as frequently as specified by guidelines established for each applicable job assignment. Face coverings must be provided to all employees.

Before starting a shift, all OCFEC employees and all Business Partner employees, must have their temperatures taken and documented, and individual(s) will not be permitted to remain at work if the temperature reading exceeds 100.4 degrees (°) Fahrenheit. Affected individual(s) may only return to work after registering and documenting their temperature reading below 100.4° Fahrenheit for seventy-two (72) consecutive hours.

All OCFEC event attendees, before entering OCFEC premises, must have their temperatures taken and documented. Any OCFEC event attendee with a temperature reading above 100.4° Fahrenheit will not be permitted to attend the event and will be required to immediately leave the OCFEC premises. Paid admission/parking fee refunds will be subject to processing schedule.

All competitive professional and amateur sports participants, including youth sports participants, must be tested for COVID-19 at least one (1) week before the date of the scheduled competition, and will not be permitted to compete if the intended participant tests positive for COVID-19. If the intended participant tests positive for COVID-19, he/she will not be allowed to participate in any activities at the OCFEC until after (i) receiving a negative result on a subsequent COVID-19 test and (ii) satisfying the specified 14-day (or otherwise governmentally specified) COVID-19 quarantine period.

EXHIBIT I – COVID-19 INFECTION MITIGATION PROTOCOL & PROCEDURE GUIDELINES

All OCFEC event promoters must significantly increase frequency of sanitation and disinfection measures at all workstations and equipment that come into contact with OCFEC employees and the general public. All OCFEC Business Partners must assess and identify the frequency of necessary sanitation and disinfection practices, and will review and agree upon a sanitation and disinfection schedule with the OCFEC.

Face coverings and disposable gloves must be worn by all OCFEC Business Partner customer-facing employees. All OCFEC event attendees and visitors must wear appropriate face coverings. Physical barriers, if available, are preferred but not required as the general public will make the personal decision of whether to attend an event at the OCFEC and/or patronize an OCFEC Business Partner. For the benefit of the public, OCFEC employees and Business Partner employees, handwashing or hand sanitizing should be done as soon as possible following the handling of materials that come in contact with the general public.

5. EVENT ATTENDANCE LIMITATIONS

Attendance at all OCFEC events, including all move-in and move-out activities, must be limited at any given time, to no more than the current maximum attendance levels permitted by all applicable local and state orders or laws.

OCFEC Business Partners must establish and actively enforce measures to monitor and ensure attendance limitation compliance. If an OCFEC Business Partner fails to comply with event attendance limitations, the OCFEC in its sole and absolute discretion may cancel the event without notice and refer the matter to local law enforcement.

6. OCFEC BUSINESS PARTNER COMPLIANCE

OCFEC Business Partners shall make every effort to assure compliance with COVID-19 related mitigation requirements. If an OCFEC Business Partner fails to comply with these COVID-19 Guidelines, the OCFEC in its sole and absolute discretion may close non-compliant event spaces, exhibitor spaces or other such rental spaces, or may cancel the event without notice and refer the matter to local law enforcement.

7. COVID-19 RELEASE AND WAIVER OF LIABILITY

LETTER OF UNDERSTANDING FOR THE
USE OF OC FAIR & EVENT CENTER FOR LARGE ANIMAL EVACUATION
BETWEEN THE 32ND DISTRICT AGRICULTURAL ASSOCIATION AND
THE COUNTY OF ORANGE

The 32nd District Agricultural Association (hereinafter “the District”), located at 88 Fair Drive, Costa Mesa, CA 92626 and the County of Orange, OC Community Resources, OC Animal Care (hereinafter “OC Animal Care” or “the County of Orange”), located at 1630 Victory Rd, Tustin, CA 92782, collectively “Parties” enter into this Letter of Understanding (“LOU”), effective May 2, 2022.

1. Purpose

To support operational needs for large animal housing during a mandatory Evacuation Order (hereinafter “Evacuation Order”) by the Orange County Fair Authority, the Orange County Sheriff’s Department or Office of Emergency Services, or the Orange County Health Care Agency from areas located within Orange County to include municipal, County, and unincorporated areas in case of mandatory federal, state or County declared emergency.

Furthermore, this LOU is intended to establish that the use of the OC Fair & Event Center (hereinafter “the OCFEC”) is a voluntary action of the OCFEC and that any animals housed at the OCFEC facility during an Evacuation Order represent an agreement between the animal owner and the OCFEC to permit temporary maintenance of the animal on the OCFEC property. OC Animal Care does not maintain a list of, or inventory animals housed at the OCFEC during an Evacuation Order, does not direct specific animals to be transported to the OCFEC, and is not responsible for the actions of the animals, or their owners or caretakers, while maintained in temporary housing on the OCFEC property. This LOU establishes the understanding of both OC Animal Care and the OCFEC, that it is the responsibility of each animal owner to provide care for their animals and to cover any costs associated with damages that may occur.

2. Location and Available Hours of Use

The OCFEC is located at 88 Fair Drive, Costa Mesa, CA 92626. The OCFEC’s principal entrance for emergency purposes is through Gate 5 located off Arlington Drive on the North side of the OCFEC property. The OCFEC may be made available for use as a large animal evacuation site, as needed, by the scope and requirements stated in this LOU. Availability of the OCFEC is subject to prior scheduled use of the OCFEC facility and availability of equipment and facilities as a result of such scheduled use. Ingress and egress locations for the purpose of this LOU are subject to change based on scheduled property use or other event activities. OC Animal Care will be notified of ingress and egress locations upon the OCFEC receipt of an Evacuation Order, as locations available to support evacuation will be determined by the use of the OCFEC facility at that time.

3. Term

This LOU is effective May 2, 2022, which expires every three (3) months from the effective date. Unless otherwise terminated as provided herein, this LOU will be automatically renewed for successive three (3) month periods for a period of time not to exceed five (5) years in duration. Unless otherwise terminated, this agreement will automatically terminate five (5) years from the effective date. This LOU is subject to annual operational review and any modifications subject to Paragraph 8 in this LOU, “Amendment or Modification

of LOU.” This LOU may be canceled, with or without cause, upon a 30-day notice from the California Department of General Services, the County of Orange, OC Animal Care or the District.

4. Payment

As a good faith measure, to provide the OCFEC with supportive compensation towards incidental costs associated with this LOU, OC Animal Care will provide the OCFEC with a \$1,000 per incident usage fee, per Evacuation Order event. If the Evacuation Order lasts longer than seven (7) calendar days, the incident usage fee shall be increased to \$2,000. This usage fee is a general amount to support incidental costs associated with the OCFEC’s voluntary participation in this agreement to allow the public to utilize its facility to temporarily house their large animals/livestock during an Evacuation Order. This fee is the only payment by OC Animal Care to the OCFEC authorized under this LOU and is subject to a maximum amount of \$2,000 per three (3) month renewal term of this LOU. The incident usage fee is only payable to OCFEC if animals are housed at their facility during an Evacuation Order event.

If the OCFEC is unavailable during an Evacuation Order due to previously scheduled activities at the OCFEC facility, or for other reasons, and animals evacuated pursuant to an Evacuation Order are not housed at the OCFEC facility, then no incident usage fee shall apply.

OC Animal Care shall submit payment of the usage fee within ninety (90) days following an Evacuation Order. OCFEC is not required to submit a request for payment.

5. Evacuation Protocol

- a. During a declared emergency in the County of Orange, an Evacuation Order for animals may be ordered by an emergency response agency such as the Orange County Fire Authority, the Orange County Sheriff’s Department or Office of Emergency Services, or the Orange County Health Care Agency. When an Evacuation Order that impacts large animals is in effect, OC Animal Care, or any of those agencies listed above, may request that OCFEC open their facility, at their discretion, so that owners may temporarily maintain their large animals on the OCFEC facility property. OC Animal Care will only request that OCFEC do so when an Evacuation Order is in effect, and it has been requested by an emergency response agency. The request of OCFEC to open for potential evacuated animals may come from OC Animal Care, or any of the emergency response agencies noted above.
- b. If an Evacuation Order is issued, owners of large animals may be advised by OC Animal Care, or other agencies supporting an Evacuation Order, that OCFEC is a potentially available resource for the temporary safe housing of their large animals including, but not limited to, horses, goats, sheep, mules, cattle, pigs, or other livestock. The availability of housing space at the OCFEC for animals with specific care requirements or more unusual species of animal may be limited.
- c. Availability of the OCFEC to house animals is at the discretion of the OCFEC. They may accept or deny an animal for any reason, including, but not limited to, the temperament of the animal, space availability, or lack of a responsible party.

6. District/OCFEC Responsibilities

- a. OCFEC Security & Traffic Department, or other designated department, will serve as the OCFEC Incident Command Center during Evacuation period.

- b. OCFEC will provide and prepare available facilities to safely hold and care for evacuated large animals subject to their availability and discretion. Facilities include, but are not limited to, stables, arenas, parking lots, enclosures and temporary stalls. Availability may be impacted by prior scheduled use of the OCFEC grounds and the availability of equipment as a result of such scheduled use or events.
- c. OCFEC will provide staff for set-up and tear-down of facilities used to support the Evacuation Order.
- d. During the Evacuation Order period, OCFEC staff may provide temporary housing and waste clean-up for evacuated animals in the absence of their owners. Owners are responsible for the daily feeding, cleaning and care of their animals for the duration of the Evacuation Order period. In the event an owner or custodian is unable to be located and an animal is in need of feed and care, or is otherwise abandoned, OCFEC staff will notify OC Animal Care so that the animal can be impounded, if necessary, and alternative care and housing can be obtained.
- e. OCFEC will make every effort to house all animals in a safe environment at all times. In the event animals cannot be separated from one another in stalls or pens, community housing and/or tying up of animals may be implemented. The determination as to what facilities are available for evacuated animals is at the sole discretion of District management.

Notify OC Animal Care, as soon as is practicable, of any housed animals that OCFEC considers abandoned or unclaimed following the termination of an Evacuation Order, so that OC Animal Care can make alternative care and housing arrangements if needed.

- f. Notify OC Animal Care, as soon as is practicable, when the capacity of available space for animal housing during an evacuation order has been reached.
- g. Coordinate all media contact or information release with OC Animal Care's designated public information officer, when practicable.

- c. Coordinate public information through County Emergency Operations Center (EOC) to disseminate direction or other pertinent information to the public.
- d. Designate an OC Animal Care representative to serve as a liaison with OCFEC at all times throughout the Evacuation Order.

- e. With the exception of names, titles and contact phone numbers, no amendment to modify, or modification of, this Letter of Understanding shall be binding on the District or OC Animal Care unless same is reduced to writing and approved/executed by the District and OC Animal Care.

9. Records

- a. The District will keep records of activities related to this LOU, including, but not limited to, the number of animals temporarily housed at the OCFEC facility property during a given Evacuation Order.
- b. Each party to this agreement understands that they must track all costs associated with the provision of emergency services provided herein in accordance with Federal and State and FEMA guidelines to maximize the possibility of Federal and State disaster reimbursement in the event such reimbursement is available.

10. Appropriation/Contingency of Funds

other performance provided by District to County pursuant to this Agreement. If judgment is entered against District and County by a court of competent jurisdiction because of the concurrent active negligence of County or County Indemnitees, District and County agree that liability will be apportioned as determined by the court. Neither party shall request a jury apportionment.

County agrees to indemnify, defend and hold harmless the State of California, the District, the California Fair Services Authority and their respective officers, employees, agents, directors and members (collectively, the "District Parties"), from and against all claims, demands or liability of any kind or nature (including but not limited to, attorneys' fees, expert fees, and costs of suit), directly arising from County's performance or non-performance of responsibilities in Paragraph 7 of this LOU. Notwithstanding anything to the contrary in the LOU, in no event shall the County be obligated to defend or indemnify the District Parties with respect to the negligence or willful misconduct of the District Parties (excluding the County, or any of its employees or agents.)
