Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering into any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this Agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least thirty (30) calendar days to provide a written response. Termination shall be at the sole discretion of the State.

Covid 19 Infection Mitigation Protocol & Procedure Guidelines

Contractor agrees to abide by COVID related health directives, if any, in place during the contract period.

GenAI Technology Use & Reporting

During the term of the contract, Contractor must notify the State in writing if their services or any work under this contract includes, or makes available, any previously unreported GenAI technology, including GenAI from third parties or subcontractors. Contractor shall immediately complete the GenAI Reporting and Factsheet (STD 1000) to notify the State of any new or previously unreported GenAI technology. At the direction of the State, Contractor shall discontinue the use of any new or previously undisclosed GenAI technology that materially impacts functionality, risk or contract performance, until use of such GenAI technology has been approved by the State.

Failure to disclose GenAI use to the State and submit the GenAI Reporting and Factsheet (STD 1000) may be considered a breach of the contract by the State at its sole discretion and the State may consider such failure to disclose GenAI and/or failure to submit the GenAI Reporting and Factsheet (STD 1000) as grounds for the immediate termination of the contract. The State is entitled to seek any and all relief it may be entitled to as a result of such non-disclosure.

The State reserves the right to amend the contract, without additional cost, to incorporate GenAI Special Provisions into the contract at its sole discretion and/or terminate any contract that presents an unacceptable level of risk to the State.

CONTRACTOR AGREES:

1. To provide and coordinate traffic management service for twenty-three (23) operating days during the 2025 OC Fair.

10. 2. Contractor to be paid according to Costa Mesa Police Department fee schedule in Exhibit B, the total amount not to exceed THREE HUNDRED FIFTY ONE THOUSAND THREE HUNDRED FIFTY FOUR DOLLARS ($351,354.00). To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Contractor shall be bound by this Decibel Level and Sound Covenant and shall at all times during any pre-concert sound checks and the concert itself, operate within the sound level restrictions. Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

G. This agreement may not be modified, altered or amended, except by a written instrument signed by both parties.

H. There will be no cash available at settlement. Payment checks will be written to contracted entities only.

IV. Ticketing

A. Unless running concurrently with the venue presale and pulling from the same ticketing inventory, all Artist fan club presales must end before the first venue presale begins.

1. Seat locations will not be held back from the Venue presale. Presale tickets will be pulled from open seats.
2. If there are seat locations associated with an Artist presale/special offer, locations will be made available *after* Venue hold obligations.

B. Headline Artist is allotted 30 Orchestra complimentary tickets for this performance. Support complimentary tickets TBD.

C. Ticket holds for purchase must be requested by Artist or Artist representatives before a performance goes on sale. If no request is made, tickets will not be held. Tickets held for this purpose are considered sold. If tickets remain unclaimed within 10 days of the event, they will be released for public purchase.

D. This offer assumes that the complimentary ticket allotments are best estimate. Tickets allotted as complimentary which remain unused will be opened to the ticketing system for public purchase with no change to the financial agreement.

E. Venue is granted all rights and control over the ticket inventory and ticketing processes, including, without limitation, presales, and other sales mechanisms.

F. There will be no alteration of scaling such as "Premium" or "Platinum" ticket prices without mutual agreement of both Venue and Artist. In a case where price alteration does occur, additional ticket revenue will be divided evenly (50%/50%) between the Venue and Artist.

G. The number of kills associated with accessible seating is a best estimate. In the event that fewer kills are needed for this purpose, they will be released for public purchase with no change to the financial agreement.

V. Production

A. This offer is predicated on the fact that visiting production will be using Venue in-house production elements. Production elements are detailed on the Venue production page of the Venue website: www.pacamp.com/production. Password: production.

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

H. This agreement may not be modified, altered or amended, except by a written instrument signed by both parties.

I. There will be no cash available at settlement. Payment checks will be written to contracted entities only.

IV. Ticketing

A. Unless running concurrently with the venue presale and pulling from the same ticketing inventory, all Artist fan club presales must end before the first venue presale begins.

1. Seat locations will not be held back from the Venue presale. Presale tickets will be pulled from open seats.
2. If there are seat locations associated with an Artist presale/special offer, locations will be made available *after* Venue hold obligations.

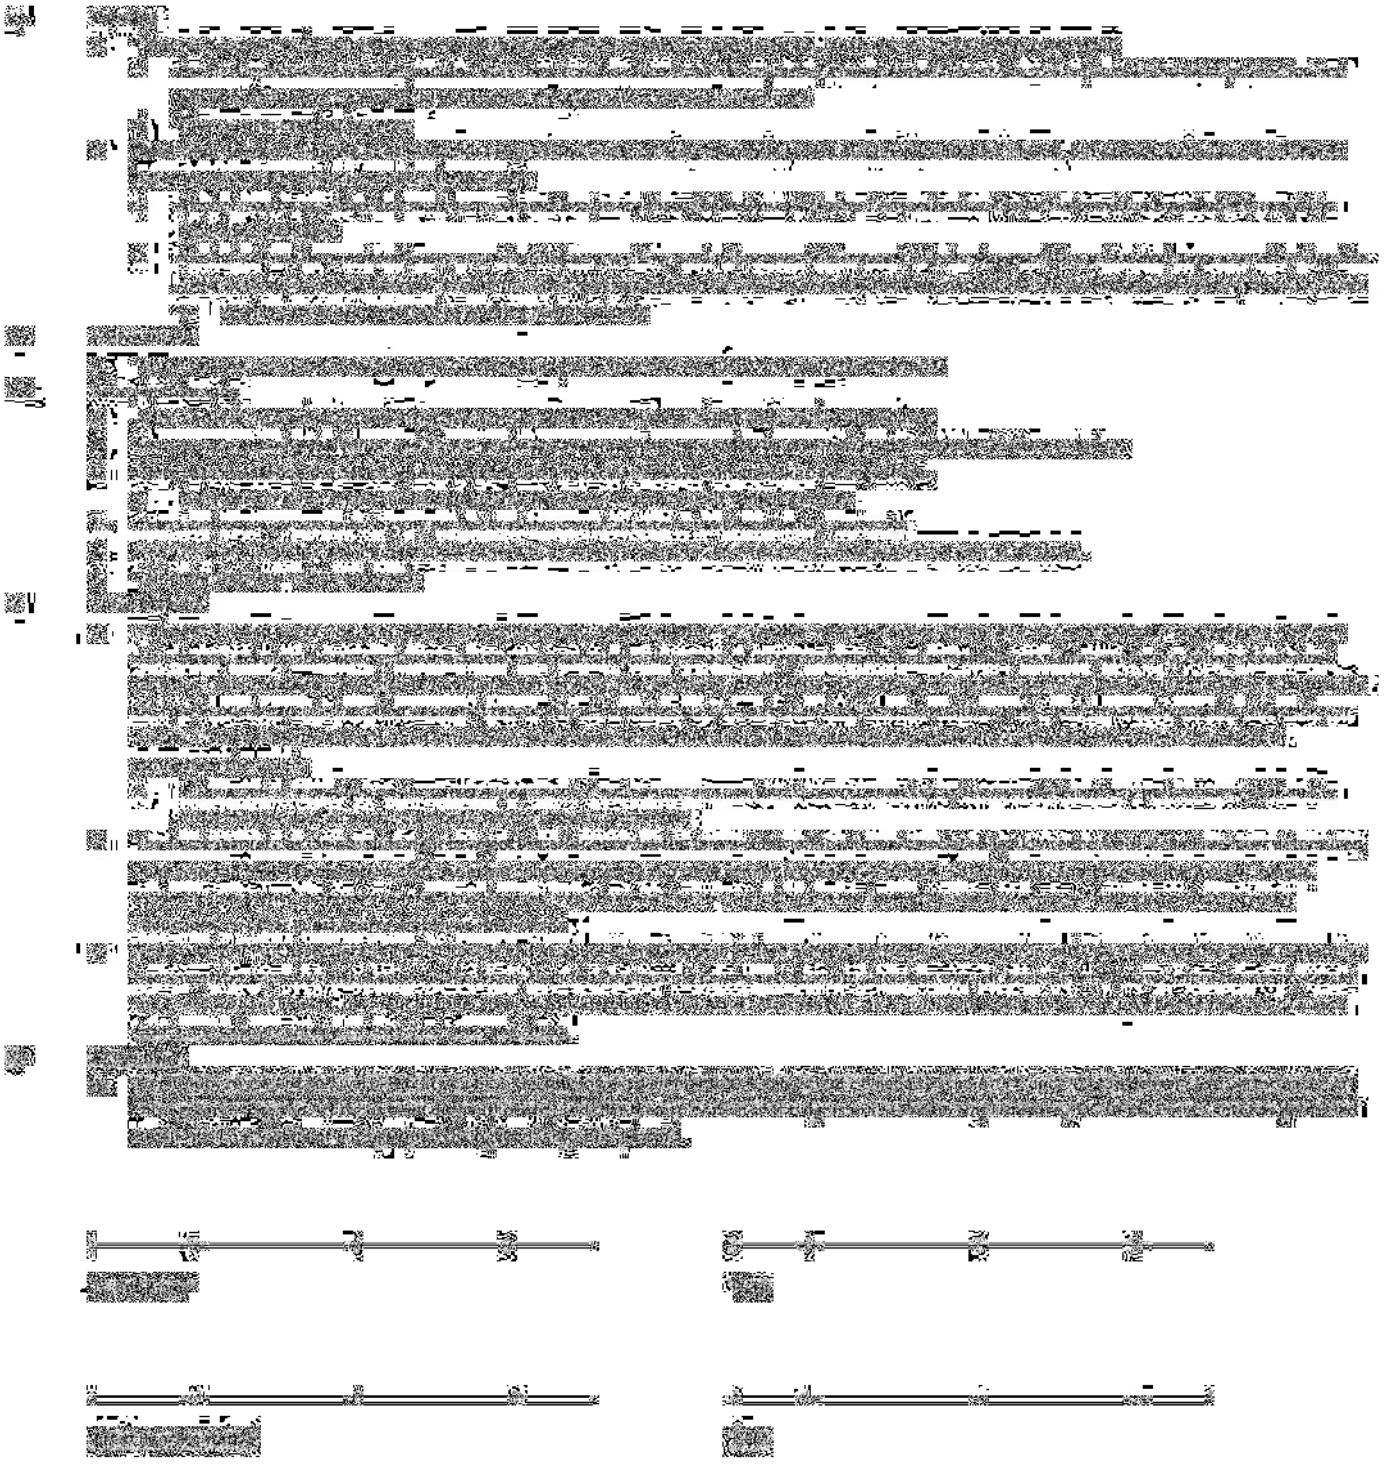
B. Headline Artist is allotted 30 Orchestra complimentary tickets for this performance. Support complimentary tickets TBD.

C. Ticket holds for purchase must be requested by Artist or Artist representatives before a performance goes on sale. If no request is made, tickets will not be held. Tickets held for this purpose are considered sold. If tickets remain unclaimed within 10 days of the event, they will be released for public purchase.

D. This offer assumes that the complimentary ticket allotments are best estimate. Tickets allotted as complimentary which remain unused will be opened to the ticketing system for public purchase with no change to the financial agreement.

E. Venue is granted all rights and control over the ticket inventory and ticketing processes, including, without limitation, presales, and other sales mechanisms.

F. There will be no alteration of scaling such as "Premium" or "Platinum" ticket prices without mutual agreement of both Venue and Artist. In a case where price alteration does occur, additional ticket revenue will be divided evenly (50%/50%) between the Venue and Artist.



G. The number of kills associated with accessible seating is a best estimate. In the event that fewer kills are needed for this purpose, they will be released for public purchase with no change to the financial agreement.

V. Production

A. This offer is predicated on the fact that visiting production will be using Venue in-house production elements. Production elements are detailed on the Venue production page of the Venue website: www.pacamp.com/production. Password: production.

SPONSORSHIPS

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. Each party shall not receive any revenues from the other party sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

The Amphitheatre is eligible for two sponsorships: title and presenting. The District shall determine the appropriate number and size of signs displayed inside and outside of the Amphitheatre. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Note that the Front of House sound system, stage monitors and band instruments, are all contributors to the environmental noise and fall under this agreement, separately and/or in combination.

Contractor shall be bound by this Decibel Level and Sound Covenant and shall at all times during any pre-concert sound checks and the concert itself, operate within the sound level restrictions. Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. The determination of sound level exceedance is at the sole discretion of the District's designated Sound Monitor or other designee.

The Contractor is advised that in the event of any repeated violation(s) of these standards after notice to Contractor, the Contractor may be subject to fines and/or penalties by public agencies other than the District, including federal, state, and/or local governmental or regulatory agencies.

In the event of repeated violations after notice to Contractor, the District may require the Contractor to immediately cease performance.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

H. There will be no cash available at settlement. Payment checks will be written to contracted entities only.

IV. Ticketing

A. Unless running concurrently with the venue presale and pulling from the same ticketing inventory, all Artist fan club presales must end before the first venue presale begins.
   1. Seat locations will not be held back from the Venue presale. Presale tickets will be pulled from open seats.
   2. If there are seat locations associated with an Artist presale/special offer, locations will be made available *after* Venue hold obligations.

B. Headline Artist is allotted 30 Orchestra complimentary tickets for this performance. Support complimentary tickets TBD.

C. Ticket holds for purchase must be requested by Artist or Artist representatives before a performance goes on sale. If no request is made, tickets will not be held. Tickets held for this purpose are considered sold. If tickets remain unclaimed within 10 days of the event, they will be released for public purchase.

D. This offer assumes that the complimentary ticket allotments are best estimate. Tickets allotted as complimentary which remain unused will be opened to the ticketing system for public purchase with no change to the financial agreement.

E. Venue is granted all rights and control over the ticket inventory and ticketing processes, including, without limitation, presales, and other sales mechanisms.

F. There will be no alteration of scaling such as "Premium" or "Platinum" ticket prices without mutual agreement of both Venue and Artist. In a case where price alteration does occur, additional ticket revenue will be divided evenly (50%/50%) between the Venue and Artist.

G. The number of kills associated with accessible seating is a best estimate. In the event that fewer kills are needed for this purpose, they will be released for public purchase with no change to the financial agreement.

V. Production

A. This offer is predicated on the fact that visiting production will be using Venue in-house production elements. Production elements are detailed on the Venue production page of the Venue website: www.pacamp.com/production. Password: production.

Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.
