Auction Guidelines

1. Bidding will take place in-person at OC Fair. Add-on contributions are ONLINE ONLY.
2. The auction is limited to Orange County 4-H and FFA exhibitors.
3. All 4-H/FFA Champions, 4-H/FFA Reserve Champions, Grand Champions and Reserve Grand Champions must sell at the auction.
4. **OC Fair is a partial terminal show meaning ALL champions (beef, hogs, goats and lambs) are required to go through the Junior Livestock Auction and then directly to the processing plant designated by the OC Fair Livestock Department. These champions cannot leave the grounds as live pick up sales.**
5. **Only CHAMPION market small animals may sell in the auction and are live pick up only.**
6. Only market beef, goats, lambs and hogs that are judged Blue Ribbon "Market Ready" will be permitted to sell at auction. Market small animal champions must sell at the auction; no other small animals will be sold in the auction.
7. Auction animals are to be consigned through the OC Fair Livestock Office only.
8. Due to privacy laws, the OC Fair Livestock Office will **not** provide copies of buyer lists.
9. **NEW TIME:** Non-auction animals may be consigned in the Livestock Office only on Friday, July 25, from 10 to 11:30 a.m. A nonrefundable **\$40** fee plus processing costs apply.

Sellers

10. Exhibitors may sell one animal in the auction.
11. Each exhibitor with eligible animals must indicate with the Livestock Office which animal is to be entered in the auction. **The auction sign-up deadline is one hour after completion of judging:**
 - Wednesday, July 23: Beef, hogs, goats and lambs
 - Small animal champions must sell in the auction; no other small animals will be sold in the auction.
12. Seller will be charged a **5%** fee for animals sold through the auction. Fees are used for auction expenses.
13. Exhibitors selling animals in the auction must wear official 4-H/FFA uniforms (refer to Junior Department rules).
14. Animals cannot be sold through the auction without an official OC Fair ear tag. A replacement tag will be supplied if necessary.
15. Decorating of animal(s) is not permitted.
16. Sellers are obligated to solicit and secure buyers to attend the auction prior to the auction. Sellers may not actively solicit buyers in auction areas, including the show ring and Livestock Office, on auction day.
17. Sellers may not approach the auctioneer for special requests or announcements on auction day.
18. **Any scratches requested after 8 p.m. on Thursday, July 24, will be charged a \$40 fee (cash only).** Exhibitors are responsible for scratching their animal.
19. A \$40 fee (cash only) for any late auction sign-ups after the day the specie showed market. No late sign-ups will be accepted after 8 p.m. on Thursday, July 24.
20. Sellers are encouraged to thank their buyer. However, sellers are **not** allowed to contact their buyer for the purposes of asking the buyer to not send their animal to market, asking the buyer to donate/trade animal back to the seller/school/club/etc., or asking the buyer to send their animal to a no-kill shelter. This behavior is inappropriate and jeopardizes the Junior Livestock Auction program.

Buyers

21. All species of livestock will be sold by the head, not by the pound.
22. Species will no longer be rotated, or mixed, throughout the sale order. As an example – in no particular order – all lambs will be sold, then all goats, then all beef, etc.
23. There is a two-buyer maximum per lot/sales invoice for animal purchase.
24. New buyer pre-registration will begin on Monday, July 21. You must register before 8 a.m. on auction day, Saturday, July 26.
25. When a lot is CLOSED/SOLD, the animal is the property of the buyer. However, the seller is responsible for caring for the animal(s) until it is loaded on the truck on the Sunday after the auction. Seller failure to do so will result in forfeiture of premiums.
26. OC Fair Livestock Department will **ONLY** accept and process add-ons for market competitors that have an animal going through the Junior Livestock Auction. Add-on contributions are ONLINE ONLY.

After Bidding: Completing the Purchase

After making your purchase, buyers will be asked to hold up one of four color destination paddles (received at check in) that will identify the destination of the animal purchased. Please read the information shared on those sheets after check in to ensure the right color is used.

1. DESTINATION OF ANIMAL

Buyers will need to select one of these four options on Buyer Destination Form at Check In:

- **Process for Meat and Deliver to Cut and Wrap**
Buyer has purchased the animal or meat. You will need to indicate where you would like it cut and wrapped and you will be responsible to pay for the amount of your purchase plus the processing and transportation fees. Buyers are responsible for contacting the cut and wrap shop selected in order to provide instructions. Buyers are responsible for cut and wrap fees/charges.
Please call cut & wrap company within 5 days of auction
- **Buy Back (Resale at Market Price)**
Buyer has not purchased the animal for meat and wants the animal to be sold commercially at market price to benefit the youth exhibitor. Buyers who want to support the program but have no use for the animal or the meat can choose this option. Buyers pay the difference between their bid and the market price plus the transportation charge and the youth exhibitor receives the full bid amount. Auction staff handles the resale for the buyer. NO private buy backs are allowed or offered.
- **Pick-up Live**
You or a representative will come to the OC Fair at the appointed time to load and haul away the animal you purchased. Buyers who choose this option usually have a place the animal can be kept as breeding stock, wish to have it processed in a special way or have some other purpose in mind. Choose this option if you want to keep the animal live and can arrange for hauling. If you are not picking up the animal yourself, you must provide the Livestock Office with the person's name and phone number. Note: ALL Champions (Beef, Hogs, Goats and Lambs) are required to go through processing. ALL small animals MUST be pick-up live. Only CHAMPION market small animals may sell in the auction and are pick-up live only. In line with a statewide ban on poultry exhibitions by the California Department of Food and Agriculture, only rabbits will be permitted for sale at the 2025 OC Fair. Turkeys, broilers, and ducks are excluded due to concerns surrounding H1N1 (bird flu).
- **Donate Resale Proceeds to Charity**
Buyer has not purchased the animal for meat and wants the animal to be resold commercially at market price to benefit a designated scholarship fund. The auction staff will take care of the animal's disposition and you pay your bid only. Proceeds from your bid and the resale will go to the charity you designate. See page 8 for a list of programs that accept these donations.

2. PURCHASER

Review buyer information on the sale contract/invoice to assure that the buyer(s) number, name and address are properly entered.

3. BUYER SIGNATURE

Please sign the sales contract. You will be given a copy for your records. Present this at the Livestock Office to expedite the process of settling your account.

****When you have completed your bids and have received your invoice(s) from an Auction runner, don't forget to go to the Livestock Office by 4 p.m. to complete your purchase before you leave the Auction.***

Donations and Scholarships

After purchasing an animal in the Junior Livestock Auction, you may donate that animal to any scholarship fund described below or any other non-profit group of your choice. The animal will then be sold to the market and the money received from that sale will go to the designated fund. The buyer will pay the full bid price. The charity will receive market value price. Rabbits are excluded.

2025 Market Value Prices	
Beef: \$2.25/lb	Lamb: \$1.75/lb
Hog: \$0.70/lb	Goat: \$2.50/lb

Centennial Farm Foundation

The Centennial Farm, a working farm located at the OC Fair & Event Center, features growing crops, nursery stock and livestock, which offers visitors a multi-faceted agricultural experience. More than 50,000 children receive free tours every year to learn about the important role that agriculture plays in our daily lives. The Centennial Farm Foundation, a non-profit community-based financial support group, invites private citizens, businesses and corporate organizations to lend their financial support to these worthwhile and unique educational projects. Visit www.ocfair.com/centennialfarm for details.

James Bailey Junior Livestock Auction Fund

Jim Bailey was involved and committed to the agriculture industry all of his life, from his beginning on a farm in rural Missouri to his diverse experiences in Orange County and at the OC Fair. For 31 years, Jim Bailey was an Agriculture Teacher in the Fullerton Union High School District. Jim Bailey Junior Livestock Auction Fund is used to support the OC Fair Jr. Livestock Auction.

Orange County 4-H

"Head, Heart, Hands, and Health" are the four H's that make up the 4-H pledge and are the cornerstones of an organization which reaches more than 2,000 youth in Orange County. The program emphasizes leadership development through project participation, community service and record-keeping. The Orange County 4-H program, organized through the USDA (United States Department of Agriculture) and the University of California, is now 100 percent dependent on private funding for its operation (other than salaries) because of county budget restraints. Visit www.oc4h.org for details.

Bobbi Rach and Diane Siebert Scholarship

Each year, this coveted award is given to one outstanding 4-H member who is selected for being an active participant in a well-rounded variety of projects, school activities and community service. Leadership and leadership potential are emphasized in the candidate selection. First awarded in 1990, this scholarship was established in memory of one of Orange County's 4-H's most dynamic and inspiration leaders, Mrs. Bobbi Rach's death. Diane Siebert was a dedicated leader to 4-H leading projects and supporting her community and through her passion and support she greatly influenced the lives of many 4-H youth. This scholarship is completely funded by donations and is awarded from an annual interest.

**Note: Add-Ons cannot be made to donation/scholarship programs. Individuals interested in contributing to the above programs are encouraged to donate directly to each organization.*

for providing dairy cows for the daily milking demonstrations. Scott Bros. World Famous Chocolate Milk is available for sale at Centennial Farm. Proceeds from sales benefit Centennial Farm's educational programs.

Remembering Steven Miller

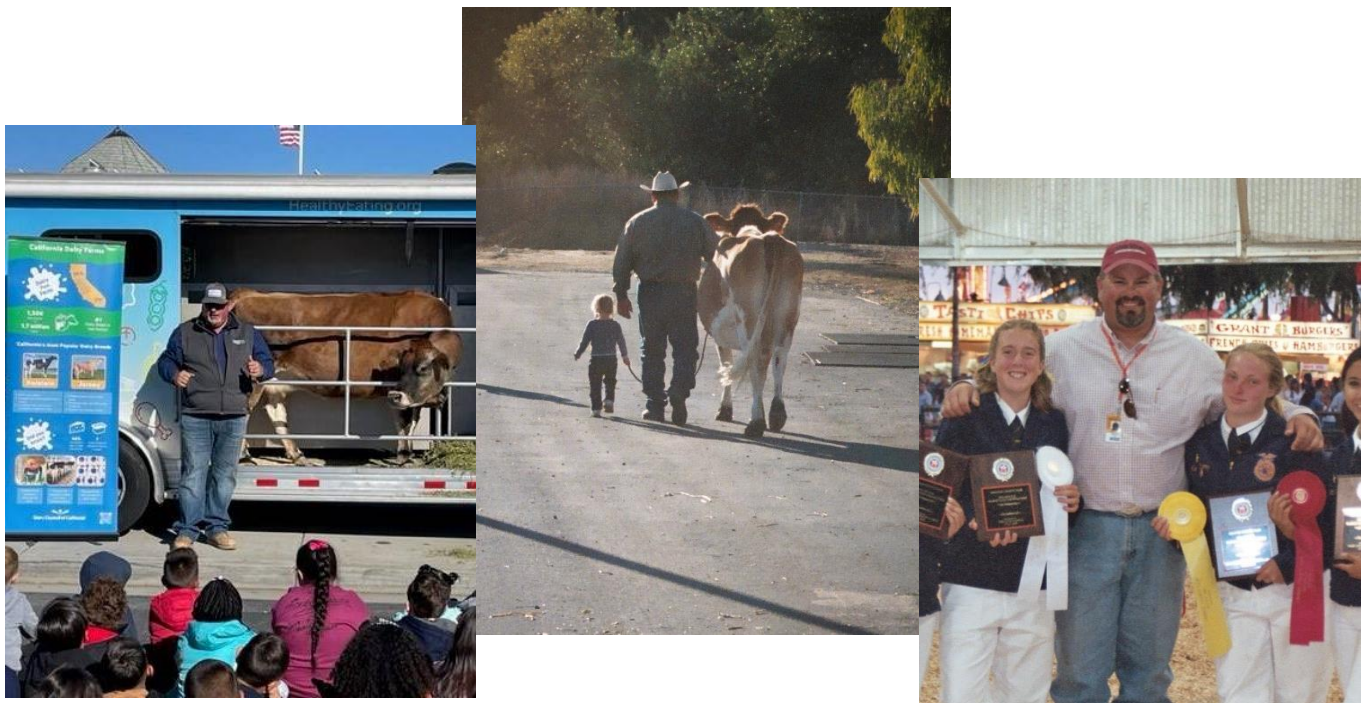

For over 22 years, Steven Miller served as a mobile dairy classroom instructor for the Dairy Council of California, delivering engaging and educational assemblies to schools throughout Orange, San Diego, San Bernardino and Riverside counties. He was a familiar and beloved presence at Centennial Farm's Discovery Days, proudly representing the Dairy Council with passion and enthusiasm.

Steven's love of agriculture was evident in everything he did. A graduate of Cal Poly Pomona with a B.S. in Agricultural Science, he was a tireless advocate for youth in agriculture, supporting local 4-H and FFA programs as a leader, judge, advisor, livestock hauler and more. He was truly a do-it-all kind of guy.

During the OC Fair, Miller captivated audiences with his witty and informative milking demonstrations at Centennial Farm's Millennium Barn, earning a loyal following. He was also a dedicated supporter of the OC Fair's Junior Livestock Auction, contributing behind the scenes with setup, cleanup, working the ring, tagging animals and countless other tasks.

Steven was a master showman in every sense of the word and a dedicated mentor to many. His legacy of dedication, knowledge and kindness has left a lasting impact on our community, and we are forever grateful for the many ways he enriched our lives.

In his honor, a memorial bench has been placed on the north side of the Silo Building, generously donated by the California Dairy Council.

Cost and Yield

The goal for exhibitors is to cover their expenses and to also make a profit to further fund their future projects, education or life expenses. However, their foremost goals and the ones that are of utmost importance are that exhibitors acquire the experience, dedication and responsibility that they learn while raising their livestock projects. Buyers can help the youth exhibitors obtain all of their goals.

Exhibitor Investment*:
