EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

SPONSORSHIPS

District sponsorships shall not be excluded by Artist/Contractor's sponsorship commitments. District sponsor signage shall be used throughout the venue. Each party shall not receive any revenues from the other party sponsorship agreements. Artists/Contractor's sponsorship signage may be used only upon the prior written consent of the District, not to be unreasonably withheld. Each party shall notify the other party of any potential conflicts related to sponsorships to the extent it is made aware.

The Amphitheatre is eligible for two sponsorships: title and presenting. The District shall determine the appropriate number and size of signs displayed inside and outside of the Amphitheatre. An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

EXHIBIT F – PACIFIC AMPHITHEATRE DECIBEL LEVEL AND SOUND COVENANT (CONT.)

Note that the Front of House sound system, stage monitors and band instruments, are all contributors to the environmental noise and fall under this agreement, separately and/or in combination.

Contractor shall be bound by this Decibel Level and Sound Covenant and shall at all times during any pre-concert sound checks and the concert itself, operate within the sound level restrictions. Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. The determination of sound level exceedance is at the sole discretion of the District's designated Sound Monitor or other designee.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT C – GENERAL TERMS AND CONDITIONS

GTC 2/2025

1. APPROVAL: This Agreement is of no force or effect until signed by both parties and approved by the Department of General Services, if required. Contractor may not commence performance until such approval has been obtained.

2. AMENDMENT: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties.

3. ASSIGNMENT: This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

4. AUDIT: Contractor agrees that the awarding department, the Department of General Services, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. Contractor agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Contract Code §10115 et seq., CCR Title 2, Section 1896).

5. INDEMNIFICATION: Contractor agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Contractor in the performance of this Agreement.

6. DISPUTES: Contractor shall continue with the responsibilities under this Agreement during any dispute.

7. TERMINATION FOR CAUSE: The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

8. INDEPENDENT CONTRACTOR: Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.

9. RECYCLING CERTIFICATION: The Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post-consumer material as defined in the Public Contract Code Section 12200, in products, materials, goods,
or supplies offered or sold to the State regardless of whether the product meets the requirements of Public Contract Code Section 12209. With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply (Pub. Contract Code §12205).

10. NON-DISCRIMINATION CLAUSE: During the performance of this Agreement, Contractor and its subcontractors shall not deny the contract's benefits to any
person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic
information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair

Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. Code §§11135-11139.5), and the regulations or standards adopted by the awarding state agency to implement such article. Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.)

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

11. CERTIFICATION CLAUSES: The CONTRACTOR CERTIFICATION CLAUSES contained in the document CCC 04/2017 are hereby incorporated by reference and made a part of this Agreement by this reference as if attached hereto.

12. TIMELINESS: Time is of the essence in this Agreement.

13. COMPENSATION: The consideration to be paid Contractor, as provided herein, shall be in compensation for all of Contractor's expenses incurred in the performance hereof, including travel, per diem, and taxes, unless otherwise expressly so provided.

14. GOVERNING LAW: This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

15. ANTITRUST CLAIMS: The Contractor by signing this agreement hereby certifies that if these services or goods are obtained by means of a competitive bid, the Contractor shall comply with the requirements of the Government Codes Sections set out below.

    a. The Government Code Chapter on Antitrust claims contains the following definitions:

        1) "Public purchase" means a purchase by means of competitive bids of goods, services, or materials by the State or any of its political subdivisions or public agencies on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code.

        2) "Public purchasing body" means the State or the subdivision or agency making a public purchase. Government Code Section 4550.

    b. In submitting a bid to a public purchasing body, the Contractor offers and agrees that if the bid is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the Contractor for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the Contractor. Government Code Section 4552.

    c. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Government Code Section 4553.

    d. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. See Government Code Section 4554.

16. CHILD SUPPORT COMPLIANCE ACT:

For any Agreement in excess of $100,000, the contractor acknowledges in accordance with Public Contract Code 7110, that:

a. The contractor recognizes the importance of child and family support obligations and shall fully comply with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and

b. The contractor, to the best of its knowledge is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

17. UNENFORCEABLE PROVISION:

In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

18. PRIORITY HIRING CONSIDERATIONS:

If this Contract includes services in excess of $200,000, the Contractor shall give priority consideration in filling vacancies in positions funded by the Contract to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. Contract Code §10353.

19. SMALL BUSINESS PARTICIPATION AND DVBE PARTICIPATION REPORTING REQUIREMENTS:

a. If for this Contract Contractor made a commitment to achieve small business participation, then Contractor must within 60 days of receiving final payment under this Contract (or within such other time period as may be specified elsewhere in this Contract) report to the awarding department the actual percentage of small business participation that was achieved. (Govt. Code § 14841.)

b. If for this Contract Contractor made a commitment to achieve disabled veteran business enterprise (DVBE) participation, then Contractor must within 60 days of receiving final payment under this Contract (or within such other time period as may be specified elsewhere in this Contract) certify in a report to the awarding department: (1) the total amount the prime Contractor received under the Contract; (2) the name and address of the DVBE(s) that participated in the performance of the Contract; (3) the amount each DVBE received from the prime Contractor; (4) that all payments under the Contract have been made to the DVBE; and (5) the actual percentage of DVBE participation that was achieved. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. (Mil. & Vets. Code § 999.5(d); Govt. Code § 14841.)

20. LOSS LEADER:

If this contract involves the furnishing of equipment, materials, or supplies then the following statement is incorporated: It is unlawful for any person engaged in business within this state to sell or use any article or product as a “loss leader” as defined in Section 17030 of the Business and Professions Code. (PCC 10344(e).)

21. GENERATIVE AI DISCLOSURE OBLIGATIONS:

a. The following terms are in addition to the defined terms and shall apply to the Contract:

   i. “Generative AI (GenAI)” means an artificial intelligence system that can generate derived synthetic content, including text, images, video, and audio that emulates the structure and characteristics of the system's training data. (Gov. Code § 11549.64.)

b. Contractor shall immediately notify the State in writing if it: (1) intends to provide GenAI as a deliverable to the State; or (2), intends to utilize GenAI, including GenAI from third parties, to complete all or a portion of any deliverable that materially impacts: (i) functionality of a State system, (ii) risk to the State, or (iii) Contract performance. For avoidance of doubt, the term “materially impacts” shall have the meaning set forth in State Administrative Manual (SAM) § 4986.2 Definitions for GenAI.

c. Notification shall be provided to the State designee identified in this Contract.

d. At the direction of the State, Contractor shall discontinue the provision to the State of any previously unreported GenAI that results in a material impact to the functionality of the System, risk to the State, or Contract performance, as determined by the State.

e. If the use of previously undisclosed GenAI is approved by the State, then Contractor will update the Deliverable description, and the Parties will amend the Contract accordingly, which may include incorporating the GenAI Special Provisions into the Contract, at no additional cost to the State.

f. The State, at its sole discretion, may consider Contractor's failure to disclose or discontinue the provision or use of GenAI as described above, to constitute a material breach of Contract when such failure results in a material impact to the functionality of the System, risk to the State, or Contract performance. The State is entitled to seek any and all remedies available to it under law as a result of such breach, including but not limited to termination of the contract.

Re: RFI #1, Q & A, IFB #:

The purpose of this RFI (Request for Information) is to transmit "Questions and Answers" regarding the technical components of the IFB Golf/Utility Cart Rental. All terms and conditions of the original IFB notice remain unchanged.

Questions and Answers

Questions:

1. I'm reaching out for clarification on the requirements for the "Tour master" carts. Do they need to specifically be Tour master brand units, or are other manufacturers acceptable as long as they meet the same specs?

Answer: As long as they met the spec.

If other manufacturers are acceptable, do all seats need to be forward-facing, or is a rear-facing back row allowed? I've attached an image of what we're assuming would be acceptable for reference.

Answer: Rear facing is acceptable

2. Can you please clarify your question. The Financial Proposal Bid Form are not auto populated or the numbers are not showing?

The # symbols appear in place of the actual amount. And because the document cannot be edited I want to make sure this is not going to affect our bid.

Answer: Attached is the revised Excel Spreadsheet. All bidders must use this revised version. Failure to do so will result in disqualification. The revised Excel Spreadsheet should show all the data entered and auto-populated totals.

3. Can you please confirm the dates that the event is being held each year. I see the spread sheet but are the amount of days listed accurate? Some are upwards of 175 days. Please advise.

Answer: The Excel Spreadsheet did not have any rentals up to 175 days. However, the rental days are per day; therefore, the billing will be based on per day rental.

4. I have a question regarding the dates of the proposed rentals. Can you please get back to me on the question I had of the dates.

Answer: Please refer to the Financial Proposal Bid Forms for rental days, and when.

If you intend to submit a bid in response to this IFB, please send an email to ifb@ocfair.com to confirm that you have received this RFI No. 1.
