EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. The State is entitled to seek any and all relief it may be entitled to as a result of such non-disclosure.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

The Purchaser retains the absolute right to reject this offer or revise the terms of this offer with no financial obligation to the Artist if the Purchaser determines, in its sole and absolute discretion, that the event contemplated by this offer cannot proceed due to local, California or Federal government order, plague, epidemic, pandemic, outbreaks of infectious diseases, any other health crisis, including but not limited to, social or physical distancing orders, capacity reductions, or other guest and/or employee restrictions.

Additionally, if Purchaser determines, in its sole and absolute discretion, that if there exists negative public perception and that such negative public perception has a negative impact on ticket sales for the Event, then the Purchaser in its sole and absolute discretion may, at least thirty (30) days before the event, cancel the Event without liability, payment or other form of consideration to the Artist. Alternatively, by mutual agreement, the Event may be rescheduled to a date that is mutually acceptable to both Purchaser and Artist.

Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Further, in support of the standards in Paragraph A below, the District maintains decibel maximums for sound generated by events as witnessed by listening tests and measurements at various locations within the District property and surrounding housing areas. EXHIBIT F – PACIFIC AMPHITHEATRE DECIBEL LEVEL AND SOUND COVENANT (CONT.)

Note that the Front of House sound system, stage monitors and band instruments, are all contributors to the environmental noise and fall under this agreement, separately and/or in combination.

Contractor shall be bound by this Decibel Level and Sound Covenant and shall at all times during any pre-concert sound checks and the concert itself, operate within the sound level restrictions. Listening tests and random readings will be taken by the District throughout sound check and performance and Contractor will be advised by the District immediately in the event of any violation(s), whether the violation is based on a housing area listening test (based on the sole professional judgment of the District), a measurement, a complaint, or a combination thereof. Contractor agrees that upon discovery or notification by either the designated Sound Monitor or other designee of any occurrence of sound level exceedance, Contractor shall upon notice by the District immediately adjust the sound level to come into compliance with sound level specifications. The determination of sound level exceedance is at the sole discretion of the District's designated Sound Monitor or other designee.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES

Procedure: OCFEC employees, contractors and contractor employees wearing identification while on OCFEC property in a working capacity. OCFEC employees wearing proper uniform.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Purpose: To ensure all OCFEC employees, contractors and contractor employees are wearing required photo identification and uniforms.

Procedure 0001

All OCFEC employees, contractors and contractor employees must wear the approved OCFEC identification badge at all times while working onsite. Identification badges must be worn around the neck using a breakaway lanyard, or in some other clearly visible area using a clip.

An OCFEC employee/contractor badge does not provide access to the backstage area of the Pacific Amphitheatre, The Hangar or the Action Sports Arena. In order to access these areas, employees, contractors and/or contractor employees must secure an authorized backstage pass for these areas. Only employees, contractors and/or contractor employees with a specific role/function requiring them to be in the backstage area may enter.

Backstage passes to The Pacific Amphitheatre, The Hangar and/or The Action Sports Arena may be requested by the Director or the Vice President overseeing an employee's/contractor's department. Requests will be forwarded to the Entertainment Director for fulfillment. Approved backstage passes must be worn around the neck using a breakaway lanyard, or in some clearly visible area using a clip.

All OCFEC employees shall wear their respective department's approved uniform/attire at all times when working on OCFEC premises during year-round events and during the annual OC Fair.

Distribution: OCFEC Staff and Contractors

Procedure: Backstage identification for visiting tour management and staff in The Pacific Amphitheatre, The Hangar and The Action Sports Arena. Stage access before, during and after performances.

Purpose: To ensure the safety and security of performers, performer crew, local crew and venue staff through proper credentialing.

Procedure 0002

In advance of any Pacific Amphitheatre, Hangar or Action Sports Arena event, tour management or promoter will provide local venue production management with a complete list of all members of the tour to best facilitate access into the venue and to maintain their safety and security while on site.

Venue production management will make this list available to all affected internal departments, along with necessary credentials to cover the list of names.

Many visiting tours will carry pre-existing tour credentials. Venue production management will share copies of tour credentials with affected internal departments. Verification of tour credentials will serve to authenticate these passes and allow them to be treated in the same way as local credentials.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

For the protection of the Artist, visiting tour staff and other backstage working personnel, everyone must wear their approved identification in a visible area. Any person other than performers in a backstage area not wearing an OCFEC-issued or tour provided credentials will be asked to wear their credentials. If OCFEC or tour management cannot verify access for this person, they will be asked to leave the premises.

If a tour member at the Pacific Amphitheatre security checkpoint is not on the approved list, OCFEC venue Security (not touring) will reach out to venue production management. Venue production management will confer with visiting tour management to determine access status. Tour management will either approve or deny access and this status will be relayed to security at the point of entry. If approved, security will add the guests name to the access list and provide them with a single day pass.

The use of the stage/performance area is restricted to persons associated with the professional production of the performance. This includes performers, visiting production staff, OCFEC production staff and appropriate OCFEC venue staff. Members of the public and audience members will not be allowed on stage or in the performance area without advance discussion and approval.

If a performer wishes to bring an audience member or any other non-performer on stage during a performance, tour management must coordinate with venue production management. Venue production management will inform venue security. Venue production management will coordinate with venue security to facilitate safe implementation. While it is understood that stage invitations may be spontaneous, all possible efforts to coordinate must be made in advance so that authorized people are allowed on stage and the wrong people are not.

If the performer has guests they wish to invite side-stage during the performance, the performer must alert venue management. If it is felt these guests can be positioned safely and securely, venue management will inform venue security. Any guests allowed to stand side-stage during the performance must do so stage left only.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, The Hangar OCFEC Venue Staff and Contractors, The Action Sports Arena Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre backstage hospitality alcohol consumption.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Purpose: To ensure alcohol service and consumption is consistent with OCFEC/Pacific Amphitheatre's Master Concessionaire's liquor license rules and regulations.

Procedure 0003

As an agency of the State of California, OCFEC/Pacific Amphitheatre cannot provide alcohol, tobacco or cannabis products. All alcohol service at OCFEC/Pacific Amphitheatre must be through its Master Concessionaire at a staffed cash bar.

Any individual who wishes to purchase or consume alcohol in the Pacific Amphitheatre backstage area, including the artist hospitality room, must be wearing an OCFEC wristband indicating they are at least 21 years of age. To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

To obtain an OCFEC wristband, each individual must provide legal photo identification to alcohol compliance staff which verifies the holder is of legal drinking age (21 years or older).

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Guests with All Access credentials may consume alcohol in either the hospitality room (Artist permitting), in front of the dressing rooms (Artist permitting), the area in front of the restrooms and local production offices, stage left wings when access to that area has been granted, or the upstairs catering area. These areas are included in those designated as *All Access.* There is a small area backstage reserved for the OCFEC Board of Directors. This area is not included in *All Access*.

Guests with Backstage credentials (as opposed to All Access credentials) may consume alcohol in the area in front of the restrooms and local production offices, or the catering area upstairs. These areas are included in those designated as *Backstage*.

Alcohol cannot be in any area designated as a working area. These areas include all areas not specifically identified in Procedure 0003, items 3 and 4.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Pacific Amphitheatre public meet & greets.

Purpose: To ensure safe coordination and implementation of Artist-initiated public meet & greets.

Procedure 0004

All Artist public (not Artist invited guests) meet & greet gatherings must be coordinated through OCFEC/Pacific Amphitheatre Event Coordinators and Venue Marketing under the direction of the Entertainment Director. This team will advance and then coordinate with onsite departments including, but not limited to, Box Office, Production Management, Gate Staff, Security and tour meet & greet staff.

Any and all costs associated with an Artist-initiated public meet & greet will be passed onto the tour. These costs include, but are not limited to, Box Office Staff, Event Coordinators, Gate Staff and Security. Staffing is at the discretion of OCFEC/Pacific Amphitheatre and will be based on the venue's assessment of what numbers will provide optimal safety and security.

Appropriate meet & greet locations will be determined as required by the size and scope of each gathering. Space inside the Pacific Amphitheatre is limited. All details of each gathering must be discussed with an Event Coordinator well in advance of the event. Tours should not assume that any number of guests can be accommodated before discussion with an Event Coordinator.

Alcohol will not be served to public meet & greet guests.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Access to the Pacific Amphitheatre through the loading ramp security checkpoint.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual and vehicle access via the Pacific Amphitheatre loading ramp located on the West or third base side of the venue.

Procedure 0005

Upon arrival at the OCFEC/Pacific Amphitheatre loading ramp security checkpoint, all guests, whether on foot or in a vehicle, must present to venue Security the appropriate credential, pass or identification granting access.

It's not uncommon for guests to arrive without credentials. If the guest has not been issued credentials, or they are not on the provided guest list, Security personnel shall reach out the venue Production Management for clarity. Security should do everything in their power to determine access one way or another in a timely manner.

Every individual with confirmed access must pass security inspection along with that person's belongings. This includes, but is not limited to inspection of bags and other personal items, walking through metal detection devices, and hand-held metal detection devices. No weapons of any kind, or anything considered by venue Security as inherently dangerous will be allowed in the venue.

After a duly authorized guest has passed security inspection, Pacific Amphitheatre loading ramp Security will log that person's name as well as the name of the person who granted access.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

Procedure: Access to the Pacific Amphitheatre backstage via interior access points.

Purpose: To ensure the safety and security of Performers, Tour Staff and Local Staff by verifying individual access to Pacific Amphitheatre backstage via interior access points.

Procedure 0006

To access the backstage area, each individual must present an acceptable credential, pass or identification. Venue passes or tour passes are valid for one individual only and do not grant the holder the ability to bring guests without credentials into any part of the Pacific Amphitheatre.

Anyone attempting to enter the backstage area via the elevator, VIP chained entry near the Circle accessible seating area, or the concourse "Blue Door" must be wearing appropriate credentials before being given access.

Any person attempting to enter any of these areas without credentials must be referred back to whomever they say provided such access. Security personnel at this location do not have the authority to grant access to those without credentials, nor the means to research these kinds of problems.

For the safety and security of the Artist, Tour Personnel and Local Crew, the sharing of credentials is strictly forbidden. Anyone sharing credentials will have them confiscated with neither party being allowed backstage afterward.

Distribution: OCFEC Pacific Amphitheatre Staff and Contractors, Visiting Performance Contractors.

EXHIBIT G – OC FAIR & EVENT CENTER PROCEDURES (CONT.)

Procedure: Prevention of unauthorized access to The Pacific Amphitheatre, The Hangar or The Action Sports Arena being provided by OC Fair & Event Center (OCFEC) staff.

Purpose: To ensure that OCFEC staff, contractors and contractor staff do not provide access to ticketed events to those without tickets, and to ensure that individuals are not seated in locations without tickets for those seats.

Procedure 0007

No OCFEC staff member, contractor or contractor employee other than a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator may walk a person into a ticketed venue without a ticket or appropriate credential. The only exception to this is if a member of the Executive team, the Entertainment Director, an Entertainment Supervisor or Coordinator provides express permission to do so.

No OCFEC staff member, contractor or contractor employee may use their OCFEC credential to enter a ticketed performance venue before or during a performance unless that person has a specific reason for being there. If a staff member, contractor or contractor employee has a specific reason for being in a ticketed venue, they should already have been assigned credentialed access.

No OCFEC staff member, contractor or contractor employee other than the Box Office Manager, the Entertainment Director, an Usher Supervisor, or Entertainment Supervisor may approve someone being placed into a reserved seat unless that person has a ticket to that specific seat. Seating someone without a proper ticket should only ever be done when a customer problem arises and until that problem can be corrected.

Failure to abide by this procedure will result in corrective action up to and including termination.

EXHIBIT C – GENERAL TERMS AND CONDITIONS

GTC 2/2025

1. APPROVAL: This Agreement is of no force or effect until signed by both parties and approved by the Department of General Services, if required. Contractor may not commence performance until such approval has been obtained.

2. AMENDMENT: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties.

3. ASSIGNMENT: This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.

4. AUDIT: Contractor agrees that the awarding department, the Department of General Services, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. Contractor agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Contract Code §10115 et seq., CCR Title 2, Section 1896).

5. INDEMNIFICATION: Contractor agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Contractor in the performance of this Agreement.

6. DISPUTES: Contractor shall continue with the responsibilities under this Agreement during any dispute.

7. TERMINATION FOR CAUSE: The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

8. INDEPENDENT CONTRACTOR: Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.

With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply (Pub. Contract Code §12205).

10. NON-DISCRIMINATION CLAUSE: During the performance of this Agreement, Contractor and its subcontractors shall not deny the contract's benefits to any
person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic
information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Contractor shall insure that the evaluation and treatment of employees and applicants for employment

c. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Government Code Section 4553.

d. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of

In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

18. PRIORITY HIRING CONSIDERATIONS:

If this Contract includes services in excess of $200,000, the Contractor shall give priority consideration in filling vacancies in positions funded by the Contract to qualified recipients of aid under Welfare and Institutions Code Section 11200 in accordance with Pub. Contract Code §10353.

(Govt. Code § 14841.)

b. If for this Contract Contractor made a commitment to achieve disabled veteran business enterprise (DVBE) participation, then Contractor must within 60 days of receiving final payment under this Contract (or within such other time period as may be specified elsewhere in this Contract) certify in a report to the awarding department: (1) the total amount the prime Contractor received under the Contract; (2) the name and address of the DVBE(s) that participated in the performance of the Contract; (3) the amount each DVBE received from the prime Contractor; (4) that all payments under the Contract have been made to the DVBE; and (5) the actual percentage of DVBE participation that was achieved. d. At the direction of the State, Contractor shall discontinue the provision to the State of any previously unreported GenAI that results in a material impact to the functionality of the System, risk to the State, or Contract performance, as determined by the State.

e. If the use of previously undisclosed GenAI is approved by the State, then Contractor will update the Deliverable description, and the Parties will amend the Contract accordingly, which may include incorporating the GenAI Special Provisions into the Contract, at no additional cost to the State.

f. The State, at its sole discretion, may consider Contractor's failure to disclose or discontinue the provision or use of GenAI as described above, to constitute a material breach of Contract when such failure results in a material impact to the functionality of the System, risk to the State, or Contract performance. The State is entitled to seek any and all remedies available to it under law as a result of such breach, including but not limited to termination of the contract.

Re: RFI #1, Q & A, IFB #: FR-12-26

The purpose of this RFI (Request for Information) is to transmit "Questions and Answers" regarding the technical components of the IFB Fencing Rental. All terms and conditions of the original IFB notice remain unchanged.

Questions and Answers

Questions:

1. Are you using 10' high fence now?

   Answer: Yes.

2. Would the 300' of 10' "not staked" be secured to a permanent fixture onsite i.e... existing fence, posts, trees or otherwise?

   Answer: It will be staked into asphalt and grass.

3. What ground cover are we staking into?

   Answer: Asphalt, grass.

4. Is cold patching sufficient patching to fill post holes in asphalt?

   Answer: Yes.

5. Any areas where we'd be asked to drill into concrete?

   Answer: No.

6. Due to the instability of the height when it comes to temporary fence, 8' has been the max height used historically in the temp fence industry, minus rare instances where an 8' panel could be turned upright to 10' and then securely fashioned to a permanent fixture onsite to support the height stability.

   Answer: It is acceptable to turn the 8X10 on its side to make the 300X10 run.

7. Adding windscreen increases the instability 100x over. Does this pose any concern to the 32nd District?

   Answer: Yes, the fence needs to be weighted or install angle kick stand panels.

8. For safety and liability purposes, could 8' be used in lieu of the 10'?

   Answer: No.

9. What color does the wind screen need to be on all heights of fence?

   Answer: Black.

10. What is the 12' screen be installed on?

    Answer: To be determined at the time of order, if needed.

11. Are all of the fence install locations within direct truck access?

    Answer: Yes

12. If no, how far from the truck would we be and which fence lines/sections are they? Quantity and size of fence i.e... 4000' of 8'

    Answer: The answer above is yes.

13. Do all swing gates require caster wheels?

    Answer. Yes.

14. Our team was reviewing IFB No. FR-12-26 & had a question for the district. Due to the potential of this contract being 5 years (2 initial years with a renewal option available), would the district accept yearly price adjustments with proper documentation provided?

    Answer: The Financial Proposal Bid Form allows bidders to submit prices for each year. Therefore, no additional yearly price adjustment is allowed after the contract is awarded. Bidders must factor in all costs including labor cost increase, inflation, etc. to the bid prices. The Contractor is bounded to the bid prices.

15. Financial Proposal Bid Form, is the permanent (staked) price the same regardless of surface (asphalt vs. grass vs. dirt)?

    Answer: It's up to the Bidders to determine.

Re: RFI #1, Q & A, IFB #:

The purpose of this RFI (Request for Information) is to transmit "Questions and Answers" regarding the technical components of the IFB Shuttle Services. All terms and conditions of the original IFB notice remain unchanged.

Questions and Answers

Questions:

1. The IFB states and online states the fair is 23 days but the fair dates are July 17-Aug 16 which is 31 days. Please clarify.

Answer: There are 23 days of the Fair over the 31 days period. The Fair closes on Mondays and Tuesdays. Please refer to the IFB page 13, Part IV, History and General Information, see below.

> The OC Fair & Event Center is home to the annual OC Fair, one of the most anticipated community events in Orange County. The OC Fair is a 23-day event held over a period of 31 days during July and August, and is open Wednesday through Sunday. The very first Orange County Fair was held in 1890.

Also, IFB page 16, Scope of Work, Section D, Locations, OC Fair Locations/Requirements. It stated "This shuttle program will operate all twenty-three (23) days of the OC Fair.

OC FAIR LOCATIONS/REQUIREMENTS

ORANGE COAST COLLEGE LOT "E" – MERRIMAC WAY

1. Contractor to provide transportation from Lot E off Merrimac Way at Orange Coast College to the OC Fair, then Davis Magnet School turnaround. This shuttle program will operate all twenty-three (23) days of the OC Fair.

2. ADA vehicles. In the IFB it states one is required and in another states two. Please clarify this as well.

Answer: Two ADA vehicles is required.

3. Can the District please provide its estimated budget for this RFP?

   Answer: To clarify. This bid is an IFB (Invitation For Bid), not RFP (Request For Proposal).

   There's no engineer estimate; however, the District will make a determination if the lowest responsive bid price is significant higher than expected.

4. Will this IFB result in a single-award or multiple-award contract?

   Answer: Yes

5. Could the District share which vendors have previously been awarded this contract? Given that this is a low-bid procurement, should we assume school buses have primarily been utilized? If charter bus providers have been awarded in the past, could you please share those company names?

   Answer: It is LAZ Parking California, LLC

6. General Requirements - Section 11: The IFB notes that an additional on-site PM coordinator is required from 3:00 PM to 1:00 AM daily. Would a driver-designated lead, as referenced in Section 10, be acceptable in lieu of this requirement?

   Answer: Yes

7. On average, would the District be able to share how many trips each route completes? Based on the service window of 5:00 AM to 2:00 AM, this appears to require a two-driver operation per vehicle. Any historical data the District can provide would be helpful in developing accurate and competitive pricing.

   Answer: Route frequency and trips daily fluctuate. One driver per shuttle, with varying amounts of shuttle on route is what we have seen historically.

8. Can the Prime Contractor be a Transportation Management Company (TMC) that provides planning, coordination, dispatch, route optimization, reporting, and operational oversight services, while subcontracting licensed vehicle operators to meet transportation requirements?

   Answer: No.

9. The IFB indicates that the Primary Bidder must possess a valid TCP and other applicable transportation licenses. Can the District clarify whether a Prime Contractor that provides overall transportation management and oversight, while utilizing appropriately licensed subcontractors for vehicle operations, would satisfy this requirement?

   Answer: No. The Primary bidder must meet the minimum qualification.

10. The Scope of Work is written assuming the Contractor owns and operates buses. Would the District accept alternative delivery models where the Contractor manages a network of transportation providers to deliver the required service levels?

Answer: No.

11. The IFB requires the Contractor to provide a "comprehensive operational plan." Can the District confirm expectations regarding:
    1. Planning vs. execution responsibilities.
    2. Required level of detail pre-award vs. post-award.

    Answer: This question is unclear. Please refer to the IFB page 25, Part VII, section C for Technical Requirements

12. Can the District clarify whether roles such as dispatch, routing, on-site management, and reporting are evaluated as part of the Contractor's staffing plan, or if evaluation is strictly limited to vehicle operations? The route is already established. Driver and shuttle management is expected to be managed by bidder.

    Answer: OCFEC Parking Supervisor to be contacted with any issues.

13. Would the District consider alternative service delivery strategies that optimize:
    1. Fleet size

    1. Real-time dispatch systems
    2. GPS tracking
    3. Rider demand monitoring

    Answer: Busy time fluctuate daily. We ask the shuttles during hours requested which is 5am to 2am.

16. The description of the route for each of the shuttle locations are all the same. Can the District clarify a need for three different shuttles from each location or just one shuttle and route stopping at each location?
    1. Each location has this listed (page 16 - 17):

    Answer: We ask that there are multiple shuttles to be on route to stop at each location.

    ORANGE COAST COLLEGE LOT "E" – MERRIMAC WAY

Contractor to provide transportation from Lot E off Merrimac Way at Orange Coast College to the OC Fair, then Davis Magnet School turnaround. This shuttle program will operate all twenty-three (23) days of the OC Fair.

II. General Provisions

1. Maintenance of Coverage - The contractor/renter agrees that the commercial general liability (and automobile liability, workers' compensation, medical malpractice and/or liquor liability, if applicable) insurance coverage herein provided for shall be in effect at all times during the term of this contract. In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of California Fair Services Authority, and contractor/renter agrees that no work or services shall be performed prior to the giving of such approval. In the event the contractor/renter fails to keep in effect at all times insurance coverage as herein provided, the fair may, in addition to any other remedies it may have, take any of the following actions: (1) declare a material breach by contractor/renter and terminate this contract; (2) withhold all payments due to contractor/renter until notice is received that such insurance coverage is in effect; and (3) obtain such insurance coverage and deduct premiums for same from any sums due or which become due to contractor/renter under the terms of this contract.

2. Primary Coverage - The contractor/renter's insurance coverage shall be primary and any separate coverage or protection available to the fair or any other additional insured shall be secondary.

3. Contractor's Responsibility - Nothing herein shall be construed as limiting in any way the extent to which contractor/renter may be held responsible for damages resulting from contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**

4. Certified Copies of Policies - Upon request by fair, contractor/renter shall immediately furnish a complete copy of any policy required hereunder, with said copy certified by the underwriter to be a true and correct copy of the original policy. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State is entitled to seek any and all relief it may be entitled to as a result of such non-disclosure.

The State reserves the right to amend the contract, without additional cost, to incorporate GenAI Special Provisions into the contract at its sole discretion and/or terminate any contract that presents an unacceptable level of risk to the State.

II. General Provisions

1. Maintenance of Coverage - The contractor/renter agrees that the commercial general liability (and automobile liability, workers' compensation, medical malpractice and/or liquor liability, if applicable) insurance coverage herein provided for shall be in effect at all times during the term of this contract. In the event said insurance coverage expires or is cancelled at any time or times prior to or during the term of this contract, contractor/renter agrees to provide the fair, prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the contract, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of California Fair Services Authority, and contractor/renter agrees that no work or services shall be performed prior to the giving of such approval. In the event the contractor/renter fails to keep in effect at all times insurance coverage as herein provided, the fair may, in addition to any other remedies it may have, take any of the following actions: (1) declare a material breach by contractor/renter and terminate this contract; (2) withhold all payments due to contractor/renter until notice is received that such insurance coverage is in effect; and (3) obtain such insurance coverage and deduct premiums for same from any sums due or which become due to contractor/renter under the terms of this contract.

2. Primary Coverage - The contractor/renter's insurance coverage shall be primary and any separate coverage or protection available to the fair or any other additional insured shall be secondary.

3. Contractor's Responsibility - Nothing herein shall be construed as limiting in any way the extent to which contractor/renter may be held responsible for damages resulting from contractor/renter's operations, acts, omissions or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve contractor/renter of liability in excess of such minimum coverage, nor shall it preclude the fair from taking other actions available to it under contract documents or by law, including, but not limited to, actions pursuant to contractor/renter's indemnity obligations. **The contractor/renter indemnity obligations shall survive the expiration, termination or assignment of this contract.**
