3	1/7/26	Jill Herrera	Years ago...maybe at least 10, there was an artist with a booth during the weekend farmer's market "swap meet". I have 3 of her paintings. I remember she would paint right there in her booth. She signed her paintings "Marina." I can't find any information about her on the internet. I was hoping you might have a last name and/or a way to get in touch with the artist and/or her family. I would love to purchase another of her paintings for my daughter. Any information would be helpful.	01/07/26
