2027 RATE SHEET

Note: Up to 20 amps of electrical power is included with space. Refer to the **Electrical Guidelines** in the Rules and Regulations Handbook.

Costa Mesa and Huntington Beach Buildings: Pipe and drape are provided. See **Booth Design and Presentation** in the Rules and Regulations Handbook for signage and height restrictions.

Santa Ana Pavilion Breezeway: Exhibitor must provide materials to construct booth. Tents are not allowed. Pipe frame may be used; pipes must be covered. Exhibitor may order directly from, and pay the pipe and drape rental fee to, OC Fair's supplier. Contact the Commercial and Concessions Department for contact information. See **Booth Design and Presentation** in the Rules and Regulations Handbook for signage and height restrictions.

ocfair.com/vendors

Rules and Regulations link found here.

Food Concessions Space Rates

A guarantee of \$3,000 for carts and \$6,500 for all other food stands versus 25% of gross sales; whichever is greater.

Food stands consist of mobile food kitchens; tents or food trucks are not allowed for food sales.

Electrical: Refer to the **Electrical Guidelines** in the Rules and Regulations Handbook.
