Re: RFI #1, Q & A, RFQ #2

The purpose of this RFI (Request for Information) is to transmit "Questions and Answers" regarding the technical components of the RFQ for the Revmove and Replace Store Front Doors at the OC Fair & Event Center. All terms and conditions of the original RFQ notice remain unchanged.

Questions and Answers

Questions:

1. Additional site visit -Would it be possible to schedule another site visit before the bid due date to verify field measurements and existing conditions at the three storefront openings? Please let us know which dates and times are available, and any check-in or escort requirements.

Answer: Yes. A notification was sent via email on October 21, 2026, which includes the contact information.

2. Material lead time and schedule - The RFQ requires materials to arrive on site on the day of the job, and custom storefront framing and tempered glass typically have long lead times. Could you please confirm:

(a) the expected Notice to Proceed date, and whether we may place material orders after Board approval (November 19) or before the NTP.

Answer: The Notice to Proceed (NTP) will be issued following Board approval of the award on November 19 **and** full execution of the agreement by both parties. Material orders may be placed after the District issue Notice to Proceed.

(b) whether the estimated December 1 start date is firm, or whether the 15 working days may run from the NTP or from delivery of materials;

Answer: The 15 working days begin once construction starts.

(c) whether on-site storage or staging of materials is permitted before installation.

Answer: The District can accommodate either a storage container or a trailer on-site. Contractor must provided the dimensions for review and approval. The contractor is entirely responsible for securing their equipment and materials, and the District assumes no liability for any lost or damaged items. Furthermore, on-site storage mobility is permitted only after the District issues the Notice to Proceed (NTP) and the contractor's certificate of insurance is approved by District Risk Management

3. Payment terms and retention - The RFQ states that progress payments are not available and the payment term is Net 30. Could you please confirm:

(a) that no retention will be withheld.

Answer: See answer for item C below.

(b) what triggers the Net 30 period (invoice receipt, completion, or District acceptance); and –

Answer: The 30-day payment period begins upon satisfactory completion of the applicable progress payment milestone and invoice is received. If the Contractor is not utilizing progress payments, the payment period begins upon 100% satisfactory completion of the project, and invoice is received.

(c) whether any deposit or payment for materials delivered to the site is available, given that materials are a large part of the contract value.

Answer: The District has determined that progress payments will be offered. Progress payments will be distributed in four increments, less a 5% retention.

Example based on a $100,000 bid price:

- **1st Progress Payment (Material Delivery on Site):** 25% of $100,000 ($25,000) minus $1,250 retention = **$23,750**
- **2nd Progress Payment (50% Completion):** 25% of $100,000 ($25,000) minus $1,250 retention = **$23,750**
- **3rd Progress Payment (75% Completion):** 25% of $100,000 ($25,000) minus $1,250 retention = **$23,750**
- **Final Payment (100% Completion & District Acceptance):** Final 25% ($25,000) plus all accumulated retentions ($3,750) = **$28,750**

4. Sample Standard Agreement - The sample Standard Agreement that came with the RFQ appears to be written for a different type of contract (equipment rental, with per-event payment and Megan's Law language tied to the OC Fair and Imaginology). Could you please confirm:

(a) which exhibits and terms will apply to this fixed-price construction contract;

Answer: All Exhibits are part of the Agreement.

(b) that a lump-sum invoice is acceptable, since Exhibit H refers to hours by service type and rates times actual usage; and –

Answer: Because progress payments are now offered, standard progress billing applies. The District also accept a single lump-sum invoice upon completion.

(c) whether the District's Megan's Law policy referenced in the agreement can be provided.

Exhibit I
Page 3 Of 3

Answer: Megan's Law is legislation requiring law enforcement authorities to make information regarding registered sex offenders available to the public. For compliance, the contractor is required to sign and agree to the terms outlined in Exhibit F.

5. Minimum qualification wording – The Scope of Work states that the primary bidder must be "Small Business Certified with the Office of Small Business and DVBE." Could you please confirm whether both a Small Business certification and a DVBE certification are required, or whether either one satisfies this requirement?

Answer: Bidders are only required to be a California-Certified Small Business; a DVBE certification is not required.

If you intend to submit a bid in response to this RFQ, please send an email to ifb@ocfair.com to confirm that you have received this RFI No. 1.
